HIDDEN TREASURES AROUND THE JERSEY CAPE A GUIDE TO ANTIQUE, THRIFT & CONSIGNMENT SHOPS

Cape May County has always been a great place to shop for antiques and other unique treasures. Many new shops have been opening up which offer different items daily. No matter if your a seasoned collector, dealer or just out shopping for the day, you have a variety of shops to explore. Check out the map on next page for a shop near you.

Hello, my name is Pete Wilson. I will be answering your questions and writing articles about my job and experiences. I am the owner of North End Thrift located in the Villas. We carry a wide selection of items from antiques, collectibles, furniture, jewelry, coins, military items, sports memorabilia, fishing ,hunting, nautical, records and so much more. Over the past several years I have bought, sold and traded some super cool rare items as well as truck loads of items that I have found in local houses, storage units, barns and businesses. I never know what might come into one of my shops on a daily basis or what I may find when I do a clean out or buy a storage unit. I will be doing interviews with other local business owners who have shops similar to mine. Shops like Prink Me Indoor Flea Market, Destiny's Closet Consignment Shop and August Farm House who's owner Arthur Schwerdt is probably the most knowledgeable man in south jersey on antiques.

Last Week Doris from Villas asked: Is there any value in old furniture, like dining room tables and chairs, etc. Is there any way I can tell if they are valuable?

Pete responds: Yes, there can be value in old furniture. It depends a lot on its condition, its type and how and who made the furniture. If you can find a maker's mark on the furniture, its usually easy to check on the internet via Google or eBay. You could also send pictures to a local dealer or consignment shop. Heywood Wakefield is a great example of mid century modern furniture that still has great value (See the pictures above).

This week's question is from Theresa from Cape May:

Pete, I know you do house cleanouts, did you ever find anything that surprised you as far as the value goes, like those guys on the tv storage shows?

Send me your questions. Do you have something you always wanted to find out about? Interested in finding out more about what I do? Have a thought or concern about the industry? How do you know when to sell Gold and silver? Question about Ebay or online sales, Craigslist? Best way to buy or sell an item? Send in your questions or pictures and I will do my best to answer them. Send them to tjjerseycape@comcast.net or north-endthrift@gmail.com. You can also call 609-741-4132 - **PETE WILSON**

FIVE TAX TIPS THAT COULD SAVE YOU MONEY

(NAPSA)-Although tax season launched later than usual, taxpayers can still look forward to good news this year. For many Americans, tax preparation can be stressful and costly, but filers may be able to have their taxes prepared at no cost, plus qualify for refunds and credits worth thousands of dollars.

Whether you are preparing your taxes online or in person, it's important to have the documents you need-such as W-2s, 1099s and last year's return.

and filing assistance for qualified individuals, both online and in person.

1.) FILE ONLINE FOR A FASTER REFUND.

The IRS recommends taxpayers file online with direct deposit to receive their tax refunds faster. More than 80 percent of taxpayers filed electronically last year. On MyFreeTaxes.com, you can file quickly online in less than an hour, plus receive chat and phone help from certified volunteer tax advisers.

2.) FILE YOUR FEDERAL AND STATE TAXES FREE.

Many paid tax preparers offer free federal returns or free e-file, but then charge for the state return so aren't really free. The MyFreeTaxes Partnership offers two ways to file both federal and state taxes for free with no state or federal tax preparation or filing fees. Taxpayers can file online at MyFreeTaxes.com if they earned \$57,000 or less in 2012, or in person at a community-based tax preparation site with IRS-certified volunteers if they earned \$50,000 or less. Visit MyFreeTaxes.com to find in-person filing locations in your community.

3.) GET EXTRA HELP IF YOU NEED IT.

MyFreeTaxes.com also offers accessibility assistance for taxpayers with disabilities, phone assistance with tax software questions by calling 855-My-Tx-Help, plus help finding an in-person filing site in your community.

4.) ENSURE YOU RECEIVE REFUNDS AND CREDITS.

MyFreeTaxes.com offers a handy checklist so taxpayers can gather the right information, from W-2s to bank account numbers for direct deposit of a refund to Social Security numbers for each member in the household. Plus, eligible taxpayers can qualify for valuable tax credits like the Earned Income Tax Credit and Child Tax Credit, which can be claimed for up to \$5,891. One in five Americans are unaware they qualify for the EITC and lose money they could be receiving in a refund.

5.) CONSIDER A TAX-TIME SAVINGS BOND.

In addition to saving money by not paying a paid tax preparer, taxpayers can also consider using all or part of their tax refund to purchase Series 1 U.S. Savings Bonds for as little as \$50 and up to \$5,000-saving more money for a rainy day.

The MyFreeTaxes Partnership is powered by the Walmart Foundation in cooperation with United Way Worldwide, Goodwill Industries International and National Disability Institute, with tax filing software provided by H&R Block(r). The online and in-person tax preparation and filing services have helped 4.5 million individuals and families claim nearly \$6 billion in tax credits and refunds since 2009. To learn more, visit www.MyFreeTaxes.com or call 855-My-Tx-Help for more information.

HOROSCOPE

February 22, 2013 - February 28, 2013

Aries (March 21 - April 20)

False information is likely if you listen to idle chatter or gossip. Work diligently and you will get ahead this week. Conflicts over joint finances are likely. You can enhance your cash flow if you pick up additional skills.

Your lucky day this week will be Monday.

Taurus (April 21 - May 20)

You may have a problem dealing with elders. Tempers could boil if someone you work with has not been pulling their weight. You will feel tired and rundown if you have allowed yourself to get into a financial mess. Your determination may make you a little overbearing when dealing with others.

Your lucky day this week will be Friday.

Gemini (May 21 - June 20)

Don't overindulge in anyway. If you put your mind to it, you could entertain or host a multitude of social events. Things at home may be somewhat rocky. Don't let your personal partner hold you back or slow you down.

Your lucky day this week will be Saturday.

Cancer (June 21 - July 20)

Your partner may be reluctant to tell you how they feel. You may be tired of working for someone else. Although it does look promising, be careful not to overextend yourself or you will lose in the long run. Deception and confusion regarding your status in society is likely.

Your lucky day this week will be Wednesday.

Leo (July 21 - Aug. 21)

Your practical approach to life may charm someone who has been observing you. You will communicate easily and should be able to develop new friendships. Your irritability will lead to family squabbles. Tell them to get out of the mess they are in and then you'll consider getting together with them.

Your lucky day this week will be Thursday.

Virgo (Aug. 22 - Sept. 22)

Your desire for excitement and adventure may be expensive. Try not to lend or borrow money or belongings this week. Deception in your home is evident. Don't beat around the bush. Be cautious when dealing with coworkers.

Your lucky day this week will be Saturday.

Libra (Sept. 23 - Oct. 22)

If boredom has set in, find new and unique directions that offer interesting friendships. Try looking into new ways to make extra money. Deception is apparent. Younger relatives may seek your advice.

Your lucky day this week will be Thursday.

Scorpio (Oct. 23 - Nov. 22)

You will do extremely well if you get involved in competitive activities this week. Mingle with those who can help you get ahead. Use your quick wit to win points with friends. Arguments will flare up if you get backed into an emotional corner.

Your lucky day this week will be Thursday

Sagittarius (Nov. 23 - Dec. 20)

Don't hesitate to present your unique ideas. You should be able to get a lot done. You can make major gains if you talk to your boss about your findings. You will reap the benefits if you put money into upgrading your residence.

Your lucky day this week will be Wednesday.

Capricorn (Dec. 21 - Jan. 19)

So smile! You may have difficulties with someone close to you. Keep the promises you've made or you can expect to be in the doghouse. Romance will develop if you get involved in social events that deal with children.

Your lucky day this week will be Friday.

Aquarius (Jan. 20 - Feb. 18)

Broaden your horizons and look into programs that will teach you awareness and relaxation. You're best to avoid disputes. You could receive recognition for a job well done. Entertainment should include sports events or physical activities.

Your lucky day this week will be Tuesday.

Pisces (Feb. 19 - March 20)

You will find your vitality is lowered. You could have trouble persuading others to accept your ideas and opinions. Changes in your domestic scene are apparent. Take time to listen to children and help them with projects that seem impossible to them.

Your lucky day this week will be Monday.
