HOROSCOPE

JANUARY 16, 2016 - JANUARY 22, 2016

ARIES • (Mar. 21 - April 20)

Exercise discipline when it comes to controlling bad habits. Focus your efforts on details, and keep to yourself in order to finish your work. Avoid overloading your plate. You may need to lend an ear to an old friend.

TAURUS • (Apr. 21- May 21)

Avoid scandals of any sort. Try to have patience and refrain from being judgmental. Consider a trial separation if you and your mate just can't come to terms. Moneymaking ventures may just turn your life around.

GEMINI • (May 22 - June 21)

Abrupt action will cause difficulties with relatives. Sudden changes regarding your circle of friends could prove interesting and stimulating. Make sure you concentrate if operating machinery or vehicles. You may be admired by colleagues and employers for your diplomatic way of handling your work and those you work with.

CANCER • (June 22 - July 22)

Don't let them blame you. You are best to avoid confrontations. Control your temper by getting immersed in your work. Find a quiet spot where you can work diligently and stay out of the way.

LEO • (July 23 - Aug 22)

Difficulties with female members of your family may result in estrangements. You can make money, but try not to let it slip through your fingers. You are in a high energy, get it all done, mood and you'll have little patience with those who are slacking off. You should not be concerned with coworkers who insist on spreading rumors.

VIRGO • (Aug. 23 - Sept. 23)

Avoid getting involved with married individuals. Don't be afraid to confront situations concerning loved ones in order to solve any problems that may exist. You need to reevaluate your situation. Put your energy into moneymaking ventures.

LIBRA • (Sept. 24 - Oct. 23)

Help elders in your family. Don't neglect these problems; deal with them once and for all, then move on to more pleasurable tasks. Try to visit friends or relatives you don't get to see often. You need to sit back and enjoy.

SCORPIO • (Oct. 24 - Nov. 22)

Be tolerant, but don't let any one take you for granted. Be honest if you wish to solve the problem. Purchases will be well worth it and they will last a long time. Romance may be better than you ever thought possible.

SAGITTARIUS • (Nov. 23 - Dec. 21)

You need more space for the whole family. Money can be made if you use your ingenuity. You can meet potential new mates, but make sure that they aren't already committed to someone else. It's time to reevaluate your motives.

CAPRICORN • (Dec 22. - Jan. 20)

Read between the lines when signing contracts. Tempers could boil if someone you work with has not been pulling their weight. Don't give your heart too readily. Empty promises will cause confusion.

AQUARIUS • (Jan. 21 - Feb. 19)

Your hard work and dedication will payoff, so stick to your guns and do your job well. You may find a rare antique this week. Try looking into new ways to make extra money. Travel for pleasure will be enticing.

PISCES • (Feb. 20 - Mar. 20)

Get out and rub shoulders with people in high positions if possible. You are best not to discuss your personal life with others. Your ideas are good and career moves can be realized. You may be somewhat emotional concerning a rather private matter.

Polar Bear Plunge to Benefit Special Olympics NJ ~ Saturday, January 16th

Dig out your bathing suit and join in the fun of a polar bear plunge! The Special Olympics New Jersey returns to the Wildwoods to kick off 2016 with an icy plunge into the Atlantic Ocean during the annual Polar Bear Plunge on Saturday, January 16 at 1 p.m. on the beach behind the Wildwoods Convention Center.

The Polar Bear Plunge is a FREE event for spectators to watch, but Plungers must raise \$100 in pledges to participate in the event. Early registration is available online by visiting www.njpolarplunge.org. Additional registration and donations will be accepted on-site the day of the event.

The Wildwoods' Polar Bear Plunge is a family-friendly event benefiting more than 22,000 athletes of the Special Olympics New Jersey. There are incentives based on the total funds raised and there will be special recognition for the person who raises the most money.

Check-in will take place from 10 a.m. – 12:30 p.m. inside the warm Wildwoods Convention Center before the event. Immediately following the Plunge, all participants can enjoy a free lunch inside the Wildwoods Convention Center.

The night before the plunge, Friday, January 15, Special Olympics New Jersey will host a Beef 'n Brrr Benefit at the Bolero Resort, located at 3320 Atlantic Avenue in Wildwood, from 7-11 p.m. A \$20 donation will raise money for the event and includes roast beef sandwiches, salad, wings and draft beer, as well as a 50/50 raffle, live auction and live music by The Nobody Band. You do not need to be a participant in the Plunge to attend the Beef 'n Brrr Benefit.

The New Jersey Law Enforcement Torch Run is sponsoring the Wildwoods' Polar Bear Plunge and is comprised of Law Enforcement officers who volunteer and are dedicated to raising funds and awareness for Special Olympics. The Special Olympics Torch Run has become one of the most colorful aspects of the Special Olympics New Jersey Opening Ceremonies.

Year after year, the Wildwoods' Polar Bear Plunge continues to grow in popularity and is just one of the many FREE events offered in the Wildwoods. Beat the winter blues by showing support for a worthy cause and come join in the excitement of the January Polar Bear Plunge.

For additional information regarding the Special Olympics New Jersey please visit www.sonj.org.

For additional information regarding the Wildwoods' Polar Bear Plunge please call 609-896-8000 or visit www.njpolarplunge.org.

How to Store Your Car for Winter - Part 3

CAR COVER - Invest in a quality car cover. If you store your car outside, make sure that cover is waterproof and is securely attached to your car so that high winds don't blow it off. Universal and custom-fit car covers are available at online retailers and at auto parts stores. There is a big difference between a \$25 universal-fit car cover and a \$300 high-quality model-specific cover. Your best bet is to get one that's breathable and keeps out moisture. Never cover your car with a plastic tarp as it will severely scratch the paint.

A basic car cover is worthwhile if you store your car inside because it can protect your car's freshly waxed exterior from accumulating dust and dirt. In addition, Reckow said, a thicker car cover provides a layer of protective padding for your car's exterior in case you bump it while you move items around in your garage.

It's easier to have another set of hands available when putting a cover on your car; it also eliminates the risk of having the cover touch the ground, picking up grit. However, before you put the cover on, make sure all the windows and doors are fully closed and that valuables and necessities are out of the passenger compartment. You don't want to open a covered, storage-ready car just to get your cell phone's car charger. If you have a fixed antenna, you'll also want to remove it before covering up. You can put the antenna in your trunk or on the floor by the passenger seat so it's readily available for reinstallation.

In addition to a car cover, consider a car jacket. Just drive your car onto the jacket, put a soft car cover on it (this is a must) and zip up the outer plastic jacket. This solution provides protection from moisture, rust, rodents and dust. "I once stored a '66 Chevelle convertible, stripped of paint, right on a lakefront in Michigan," Reckow said. "After one winter, there was not a lick of surface rust." Make sure your car is completely dry and cool before putting any kind of cover on it.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

LOBSTER PARMESAN

Serves 2

Ingredients:

- 2 (6 oz) Cold Water Lobster Tails
- 1 cup Semolina Flour
- 2 Eggs
- 1 Tbsp Buttermilk
- 1 cup Italian Breadcrumbs
- 1/2 cup Panko Breadcrumbs
- 2 Tbsp Canola Oil
- 1 cup Tomato Sauce
- 1 cup Mozzarella Cheese
- 1/2 cup Parmesan Cheese
- 1 Tbsp Fresh Chopped Parsley for Garnish

Preparation: Remove tails from shell and butterfly them. Season with salt and pepper. Dredge lobster in flour. Whisk eggs and buttermilk in a separate dish or bowl. Remove lobster from flour and shake off excess flour. Place lobster in egg mixture and thoroughly coat the tails. Remove tails from egg wash and coat with breadcrumbs. Heat oil over medium high heat. When the oil is hot, sear the open part of lobster until golden brown. Repeat process on the opposite side and place on a pan with parchment paper. Spread sauce evenly over tails, open side up. Mix cheeses together and distribute over sauce. Broil tails on middle oven rack until golden brown. Garnish with parsley and serve. Enjoy!

In The Simpsons, where does Bart go as a foreign-exchange student?

Please Email Response to tvjerseycape@comcast.net

Last Week's Winner: No winner last week.

The question remains the same.

ASK THE NJ THRIFT MAN

Cape May County is a great place to shop for bargains including antiques and many other treasures. No matter if you're an avid collector, a dealer or just out shopping for the day, you have a wide variety of shops to explore. Because thrift shop inventories change on a daily basis, your shopping can become an enjoyable treasure hunt. (Several new shops have opened recently, so check out the map on the next page for those near you.)

Hello! I am the New Jersey Thrift Man. My objective is to enable you to reuse, re-purpose and re-love those hidden treasures that your friends, relatives and neighbors no longer have use for or I find when we do house clean-outs. I will be answering your questions each week as well as writing about what I do and my experiences dealing with collectibles, antiques, toys, furniture, jewelry, coins and more.

Last week's question came from Jimmy in Swainton. Jimmy asked, "**I can't take the cold so I'm moving to Florida! I want to get rid of my stuff and buy new when I get there... Do you do house clean-outs?**" Yes, to determine how much we will pay or charge for a clean-out, we primarily consider the value and salability of the items as well as the difficulty in moving them. For total clean outs we also have to estimate the time and effort for trash removal and disposal. In addition, we always consider the desires and objectives of the home owners. As you can imagine, its not always a simple task to come up with a mutually agreeable settlement. One more thing is that it helps a lot if we receive a few relevant pictures via email beforehand.

This week's question comes from Beau in Anglesea. Beau asks, "I have a stack of Marvel comic books from the 80's. Are these worth anything or should I toss them in the recycle?" Send me your questions. Do you have something you always wanted to find out? Interested in KNOWING more about what we do and how we do it at North End Thrift? Have a thought or concern about buying or selling anything? Curious about what kinds of items and appliances you should and should not buy used? Questions about online selling via eBay or Craigslist? Best way to buy or sell a particular item? Send in your questions, including pictures if you wish, and I will do my best to answer them. Email your questions to tvjerseycape@comcast.net.
