## 'ROUND THE REGION with Sharon

By Sharon Harris-Zlotnick

### Hello Atlantic County:

#### JUST LIKE THE REAL THING

Upon opening last June, Hard Rock executives promised great daily music. So far, they have delivered with concerts and performances large and small. Fans of all types of music can now enjoy another exciting component.

As part of Hard Rock's "365 Live" series for 2019, the Hard Rock Cafe stage will be the site of an impressive roster of tribute bands. The free "Let The Good Times Roll" series will feature a new group every Saturday night. The band will perform and honor the most popular groups in music history. Show times are 10 p.m.

Unlike cover bands, tribute acts are groups whose music repertoire and sound specifically play and imitate the songs and style of specific artists. Some of music history's most famous acts have received the "tribute treatment."

After the "Rockin' the Paradise" STYX event last weekend, the upcoming schedule

includes:

- January 12 - Glimmer Twins (Rolling Stones)
- January 19 - Unforgettable Fire (U2)
- January 26 - Dean Ford & The Beautiful Ones (Prince)
- February 2 - Damn The Torpedoes (Tom Petty)
- February 9 - Big Eyed Fish (Dave Matthews Band)
- February 16 - The B Street Band (Bruce Springsteen)
- February 23 - Kick It Out (Heart)

More will be announced soon. Visit [hardrockhotelatlanticcity.com](http://hardrockhotelatlanticcity.com) for more information or a complete schedule. Why not make it a complete evening and dine out before the show at any of our nearby advertisers like the Atlantic City Bar & Grill, Angeloni's II, A.C Bar & Grille, Scannicchio's or Vagabond.

#### STOCKTON IS THE PLACE

Stockton University takes its responsibility as the region's dominant center for higher education seriously. Service within the community is a mainstay of the annual Martin Luther King Jr. Day. On Monday, January 21 from 9 a.m.-2 p.m., Stockton's Kramer Hall in Hammonton will host a day for volunteers. Registration begins at 8:30 a.m.

Duties will include archiving documents for the Noyes Museum of Art in Galloway Township. The Noyes, created by the local residents Fred and Ethel

Noyes in 1983, considers itself the key southern New Jersey fine arts museum.

Stockton absorbed the museum in 2017, after the Noyes closed in 2016 due to insufficient funds. The building remains closed, but the museum's collection is exhibited throughout Atlantic County in multiple sites.

Fred and Ethel Noyes were great philanthropists. They formerly owned the historic Smithville Inn restaurant and sought to develop and promote the "Historic Towne of Smithville" as a regional destination and tourist attraction. Fred loved collecting art and used his own personal masterpieces to launch the museum. Come be part of history.

Volunteers will also create cards and write letters for veterans. Another area of importance is training participants to become CPR certified. That skill may prove critical in an emergency.

To save time, coordinators are encouraging pre-registration at [stockton.edu/MLKday](http://stockton.edu/MLKday).

Also at Stockton, are you considering retirement? If you are, or just want to plan smartly so that you have money when you do, register for Stockton's Continuing Studies Retirement Planning Today series. Tax law changes, Social Security questions and more employee-directed retirement plans make smart planning crucial to your peace of mind as you age.

The program, held at Stockton's main campus in Galloway, targets people from 50 to 70. The course consists of two three-hour sessions. Louis T. Barberio, III, a registered representative of Hornor, Townsend & Kent, Inc. (HTK) in Edison, will conduct the workshops. He will not offer any financial or investment advice, but will provide educational tools for individuals to maximize their own retirement options and finances.

Eight distinct sections will

focus on:

- Life Planning
- Retirement Needs & Expenses
- Retirement Roadblocks & Mistakes
- Retirement Income Sources
- Retirement Plan Distributions
- Investments
- Risk Management & Asset Protection
- Estate Planning

Classes are scheduled for Saturdays, 1/26 and 2/2 from 9 a.m.-12 p.m. or Thursdays, 1/31 and 2/7 from 6:30 p.m.-9:30 p.m. Advanced registration required. The \$59 fee includes one workbook and a spouse or guest is allowed. To register online, go to [www.stockton.edu/cs](http://www.stockton.edu/cs) or call 609-652-4227.

After your day of service or learning about retirement session, why not enjoy a freshly-made sandwich, salad or platter from the nearby Celina's Mulberry Market & Grille Cafe ([www.celinascafe.com](http://www.celinascafe.com)) in Galloway? I had not been there for a few years, but recently enjoyed lunch there with a friend. The lunch menu is served all day.

The small bistro has a nice glass front display with desserts, but the full menu has everything for fresh breakfasts, lunches or dinners. For lunch, there are literally dozens of vegetarian options, salads, artisan hot and cold sandwiches and wraps, burgers, gluten-free bread and rolls.

Dinner begins at 4 p.m.-8 p.m. The gourmet menu can easily compete with fancier restaurants. Breakfast is also served daily until lunch takes over. Celina's even has an Espresso bar with multiple varieties. I think they permit your own bottle, but call to confirm.

FEEDBACK FROM YOU  
I would love to hear your ideas/suggestions.  
Email  
[atlanticcountymagazine@comcast.net](mailto:atlanticcountymagazine@comcast.net)  
In the subject line, put FEEDBACK FOR SHARON and it will be forwarded.

# HOROSCOPE

JANUARY 9 - JANUARY 15, 2019

## ARIES • (Mar. 21 - April 20)

Being unappreciated by your boss could make it hard to do your work effectively. Be careful not to come on too strongly. Be careful when dealing with investments. Love could develop with someone of a different cultural background.

## TAURUS • (Apr. 21 - May 21)

You will meet new and exciting people if you attend social activities or sporting events. You can solidify your relationship if you plan a special evening with your mate. Travel for business or pleasure will be enlightening. You should expect to have changes in your home.

## GEMINI • (May 22 - June 21)

Do not get involved with individuals who are already committed to others. Don't take your frustrations out on the ones you love. Don't make unreasonable promises. You can ask for favors or run your ideas by those who will be able to support your objectives.

## CANCER • (June 22 - July 22)

Keep important information to yourself. Rely on the one you love for support and affection. Sentimental feelings may make it difficult to get much done at work. Be creative in your efforts.

## LEO • (July 23 - Aug 22)

Home improvement projects will enhance your residence and bring the family closer together. A long, quiet walk alone may help you sort out your thoughts. Take time to do something nice for yourself. Plans to make physical improvements may lead to psychological changes, too.

## VIRGO • (Aug. 23 - Sept. 23)

It will do you some good. Your mind will be on matters that deal with secret affairs. You'll find it easy to charm members of the opposite sex this week. Changes involving your domestic scene may be unpleasant.

## LIBRA • (Sept. 24 - Oct. 23)

It's doubtful anyone will try to stand in your way or cut you off at the pass this week. This is a great day to get out and enjoy an entertaining evening with friends or lovers. Knowledge can be acquired if you listen. You may not be able to help, but your support will be favorable.

## SCORPIO • (Oct. 24 - Nov. 22)

Take some time to change your house around. Entertainment could be pleasing if it is of an energetic nature. Do the necessary chores and then do things that please you. Friends and relatives may not understand your needs.

## SAGITTARIUS • (Nov. 23 - Dec. 21)

You will feel better about yourself and you may also meet potential lovers. Your magnetic, outgoing personality will capture hearts. Loss is evident if you don't consider all the angles. Opportunities to get together with people in powerful positions could help you get ahead.

## CAPRICORN • (Dec 22 - Jan. 20)

Interaction with colleagues will only be upsetting. Don't let your emotions interfere with completing your chores. Relationships may be hard to handle. Time spent with family, children, or good friends will be regenerating and positive.

## AQUARIUS • (Jan. 21 - Feb. 19)

You may want to take another look at the investment you are about to make. Friends or groups that you're affiliated with may want you to contribute more cash than you can really afford. A series of misunderstandings may be at fault. Avoid purchasing expensive items.

## PISCES • (Feb. 20 - Mar. 20)

Hard work will bring rewards. This is a wonderful day to look into courses or hobbies that interest you. You need to keep everyone on your domestic scene too busy to complain. Don't jump into investments too quickly.

## WILDWOOD EVENTS

### Polar Bear Plunge ~ Saturday, January 12th

Dig out your bathing suit and join in the fun! The annual Polar Bear Plunge to benefit Special Olympics New Jersey returns to the Wildwoods to kick off 2019 with an icy plunge into the Atlantic Ocean on Saturday, January 12 at 1pm on the beach behind the Wildwoods Convention Center.

The Polar Bear Plunge is a FREE event for spectators to watch, but Plungers must raise a minimum of \$100 in pledges to participate in the event. Early registration is available online by visiting [www.njpolarplunge.org](http://www.njpolarplunge.org). Additional registrations and donations will be accepted on-site the day of the event.

The Wildwoods' Polar Bear Plunge is a family-friendly event benefiting more than 25,000 athletes of the Special Olympics NJ. There are incentives based on the total funds raised, and there will be special recognition for the person who raises the most money.

Check-in will take place from 10am-12:45pm inside the warm Wildwoods Convention Center. Immediately following the Plunge, participants and children under the age of 12 can enjoy a free lunch inside the Wildwoods Convention Center. For those who are not participating in the plunge, lunch can be purchased for \$10.

The night before the plunge, Friday, January 11, Special Olympics New Jersey will host a Beef 'n Brrr Benefit at the Blue Water Grille at the Bolero Resort and Conference Center, located at 3320 Atlantic Avenue in Wildwood, from 7-11pm. A \$20 donation will raise money for the event and includes roast beef sandwiches,

salad, wings and draft beer, as well as a 50/50 raffle, live auction and live music. You do not need to be a participant in the Plunge to attend the Beef 'n Brrr Benefit.

The New Jersey Law Enforcement Torch Run Organization is sponsoring the Wildwoods' Polar Bear Plunge and is comprised of Law Enforcement officers who volunteer and are dedicated to raising funds and awareness for Special Olympics. The Special Olympics Torch has become one of the most colorful aspects of the Special Olympics New Jersey Opening Ceremonies.

Year after year, the Wildwoods' Polar Bear Plunge continues to grow in popularity and is just one of the many FREE events to attend in the Wildwoods. Beat the winter blues by showing support for a worthy cause and join in the excitement of this annual event.

For Special Olympics New Jersey info, visit [www.sonj.org](http://www.sonj.org). For Wildwoods' Polar Bear Plunge info, call 609-896-8000 or visit [www.njpolarplunge.org](http://www.njpolarplunge.org). For information on the Wildwoods, visit [www.WildwoodsNJ.com](http://www.WildwoodsNJ.com) or call 800-992-9732.

## TURN UP THE AC • DEANA M. KOZLOWSKI

**1/19 - Harrah's - Bill Engvall:** Grammy nominated, multi-platinum selling comedian, Bill Engvall is coming to The Concert Venue for two shows on Saturday, January 19! Known for his Southern drawl, perfect timing and hilarious commentary on the challenges of daily life, fans can expect plenty of laugh-out-loud moments all night long.

**1/19 - Hard Rock - Alabama:**

Alabama is an American country and Southern rock band formed in Fort Payne, Alabama, in 1969. Alabama's biggest success came in the 1980s, where the band had over 27 number one hits, seven multi-platinum albums and received numerous awards. Alabama's first single on RCA Records, "Tennessee River", began a streak of 21 number one singles, including "Love in the First Degree" (1981), "Mountain Music" (1982), "Dixieland Delight" (1983), "If You're Gonna Play in Texas (You Gotta Have a Fiddle in the Band)" (1984) and "Song of the South" (1988). The band's popularity waned slightly in the 1990s although they continued to produce hit singles and multi-platinum album sales. The band's blend of traditional country music and Southern rock combined with elements of gospel, and pop music gave it a crossover appeal that helped lead to their success. They also toured extensively and incorporated production elements such as lighting and "sets" inspired by rock concerts into their shows. The band has over 30 number one country records on the Billboard charts to their credit and have sold over 75 million records, making them the most successful band in country music history.

**1/19 - Resorts - Temptations Review:** As former lead singer of the

'Rock-n-Roll Hall of Fame' inductees, 'The Impressions', and with a reputation for having one of the most powerful voices in the R&B market, Nate Evans was specially selected by original Temptation's lead singers Eddie Kendricks, David Ruffin and Dennis Edwards to join the group. Following the passing of David Ruffin and Eddie Kendricks and with the retirement of Dennis Edwards... Nate Evans now leads the group with his soulful voice in this spectacular tribute performance. Much more than a tribute to the late 'Temptations'... this show is a musical extravaganza dedicated to one of the greatest Motown acts of all time and filled with songs from their library, therefore the moves and arrangements performed by this group are a replica of the original 'Temptations' show. 'Ride Back to the Day' when one of the most iconic groups ever to hit the stage played to sell-out audiences and dazzled crowds worldwide. Today Nate Evans along with Vernon Taylor, Isaac Wooten, Ollie Boldt and Andre Shepherd are keeping the grounds of the 'Temptations' alive and well!

**1/20 - Boardwalk Hall - All Stars of Hip Hop:** Come see it all! Naughty

By Nature, Big Daddy Kane, Kool Moe Dee, Slick Rick, Whodini, Onyx and Nice & Smooth.

**2/1&2 - Hard Rock - Tim McGraw:** Tim McGraw is an American country singer/songwriter and actor. McGraw has released fifteen studio albums. 10 of those albums have reached number 1 on the Top Country Albums charts, with his 1994 breakthrough album *Not a Moment Too Soon* being the top country album of 1994. All of these albums have produced 65 singles, 25 of which have reached number 1 on the Hot Country Songs or Country Airplay charts. Three of these singles — "It's Your Love", "Just to See You Smile", and "Live Like You Were Dying" — were the top country songs of 1997, 1998, and 2004 according to Billboard Year-End. He has also won three Grammy Awards, 14 Academy of Country Music awards, 11 Country Music Association (CMA) awards, 10 American Music Awards, and three People's Choice Awards. His *Soul2Soul II* Tour with Faith Hill is one of the highest grossing tours in country music history, and one of the top 5 among all genres of music. Tim McGraw just recently released his latest singles "Neon Church" and "Thought About You" on October 4, 2018. He has sold more than 75 million records worldwide, making him one of the best-selling music artists of all time. He has been married to singer Faith Hill since 1996, and is a son of baseball player Tug McGraw.

**2/16 - Resorts - Chubby Checker:** Come on baby, let's do the twist with Chubby Checker & The Wildcats on Saturday, February 16 at 8PM in Superstar Theater. In 2 minutes & 42 Seconds, Chubby Checker revolutionized popular Culture and changed the music business forever. When he appeared on American Bandstand in 1960 and performed "The Twist," it was the dawn of a new era in Rock and Roll. Dancing apart to the beat was born and teenagers found a new way to express themselves. Chubby's Dance Style has extended from Woodstock, through Disco to the present day. He stands alone as a one of a kind Rock Icon, who has had 36 Hit Records, is the only artist to have a single go to # 1 Twice, and according to Billboard, has the # 1 Single for the whole Decade of the 60's. Chubby was awarded the first Platinum Single, the first Rock Grammy and has sold an astounding 250,000,000 records over the years. That's why Dick Clark has said: "The three most important things that ever happened in the music industry are Elvis Presley, The Beatles, and Chubby Checker."

**2/2 - Tropicana - Sarah Brightman:** International singing superstar, Sarah Brightman is the world's biggest selling Soprano. She pioneered the classical crossover music movement and is famed for possessing a vocal range of over 3 octaves. Sarah is the only artist to have simultaneously topped the Billboard dance and classical music charts. Her voice has rung out from theatres, arenas, cathedrals, world heritage centers and Olympic stadiums, bringing to life some of the world's most beautiful music. Sarah's work transcends any specific musical genre, synthesizing many influences and inspirations into a unique sound and vision. Today, she remains among the world's most prominent performers, with global sales of 30 million units having received more than 180 gold and platinum awards in over 40 countries.

**2/8 - Ocean Resort - Lee Brice:** Lee Brice is an American country music singer and songwriter, signed to Curb Records. Brice has released four albums for the label: *Love Like Crazy*, *Hard to Love*, *I Don't Dance* and *Lee Brice*. He has also released eleven singles, of which four were written by his cousin, Michael Cericola, and have charted at number one on Billboard Hot Country Songs and Country Airplay: "A Woman Like You", "Hard to Love", "I Drive Your Truck",

## TURN UP THE AC

and "I Don't Dance". He has also charted within the top 10 with "Love Like Crazy", "Parking Lot Party", "Drinking Class", and "That Don't Sound Like You". "Love Like Crazy" was the top country song of 2010 according to Billboard Year-End, and broke a 62-year-old record for the longest run on the country chart. Besides his own material, he has also co-written singles for artists like Garth Brooks, Adam Gregory, the Eli Young Band, and Tim McGraw. One of his compositions, Brooks's "More Than a Memory", was the first song ever to debut at number one on the country chart, while the Eli Young Band's "Crazy Girl" was the Billboard Year-End top country song of 2011.

**2/17 - Toni Braxton:** PLEASE NOTE: Due to a scheduling conflict, Toni Braxton's Saturday, February 9 show at the Event Center has been rescheduled to Sunday, February 17. All tickets purchased for the February 9 show will be honored at the February 17 show. If you are unable to attend the rescheduled date, you may seek a refund at the point of purchase.

Toni Michele Braxton is a six times Grammy winning American R&B singer, songwriter, pianist, musician, actress, television celebrity, record producer and humanitarian. She has released a total of six studio albums until now and has sold over 66 million records worldwide, which has made her an R&B idol. She is often referred to as the 'Queen of R&B' as she is one of the best selling female artists of the 1990s.

**As Temperatures Drop,  
Check Tire Pressure More Often**

"It's typical at this time of year for motorists to get TPMS warnings and then get worried about their tires," said Rich White, executive director, Car Care Council. "Often drivers will see this in the morning when it's coldest. If the temperature warms, the light could turn off but it's likely that tires will still be a few PSI under inflated. This is why it's important to check tire pressure regularly."

According to the U.S. Tire Manufacturers Association, for every 10° drop in temperature, tire pressure decreases 1-2 pounds per square inch (PSI). Checking the tire pressure is important for vehicle safety, tire life and gas mileage.

Incorrect tire pressure can lower gas mileage by 0.3% for every one PSI drop in pressure of all four tires and improve fuel efficiency by up to 3.3% when the correct tire pressure is maintained.

"Tire pressure should be checked at least monthly. It is important to note that newer cars with tire pressure monitoring systems may not alert you until the tire is significantly under-inflated, so you may want to check it more frequently," said White. "It is important to check tire pressure whenever there is a significant weather change and more often during the winter months."

**A Hidden Musical Wonder  
of the World in Atlantic City**

Submitted by Jennifer H. Miltner, GACCA Board Member

Thousands of tourists and locals pass by Boardwalk Hall every day and do not realize it houses the largest musical instrument on earth. There are two organs with the largest one powerful than a dozen orchestras, but yet the largest organ can whisper and thunder into the 5.5 million cubic feet of air space in the main arena. The organ in Main Auditorium of Historic Boardwalk Hall (formerly Convention Hall) was built by the Midmer-Losh Co., of Merrick, Long Island, New York. Work on the instrument, opus 5550, started in May of 1929 and was completed in December, 1932. Often described as "The Sonic Mt. Rushmore." The organ was designed with the specifications that were drawn-up by Emerson L. Richards (1884-1963), a native of Atlantic City who was also a State Senator for Atlantic County, NJ.

The second organ was built by the W. W. Kimball Co. of Chicago, in which is a part of the Adrian Phillips Theater. Both of these incredible musical machines were included as part of the original stage equipment for Boardwalk Hall when it was built in 1926 and can be seen and heard in operation every weekday for 1/2 hour concerts and tours May through September at 12 noon as well as part of the entertainment for certain shows.

For more information on concerts, special events, or to make a donation to keep these incredible organs well maintained, please check out their website at [www.boardwalkorgans.org](http://www.boardwalkorgans.org).

**CARLY THE CAT'S POEM**

Submitted By  
 Patsy Nelson  
 from The Wagging Tail

Carly is a torti cat (black, brown and orange) who was found with her siblings under a bush behind Dunkin Donuts in Rio Grande. They were only about seven or eight weeks of age and already very comfortable with humans. My husband fell in love with Carly and that is how she came home.

Patsy's Cat's Poem  
 Inspired by : I COULD PEE ON THIS:  
 AND OTHER POEMS BY CATS

Poem by Cat Carly

I am very persistent  
 You push me off your chest  
 As I try to get to where I WANT to be  
 I'll try again and again  
 Again and again  
 Until I am lying by your shoulder  
 Where that little white dog is  
 Who will scream  
 And try to bite me.

So you won't let me lay  
 To the right of you  
 Where the dog is  
 So I will lay on the left side  
 On your face  
 And purr in your ear  
 And you won't get back to sleep.

I stop purring.  
 Another cat has arrived  
 He lays on your stomach  
 And then between your legs.  
 I throw my head back  
 You keep stroking me  
 I finally purr again but  
 I am too mad to stay  
 And jump off the bed.
