HOROSCOPE

JANUARY 30 - FEBRUARY 5, 2019

ARIES (Mar. 21- April 20)

New friendships will develop through group events. Expect your workload to be heavy. You can make money if you concentrate on producing services that will make domestic chores easier. It's a great day to attend social functions.

TAURUS (Apr. 21- may 21)

This will not be the best day for communication or travel. For best results get out of the office and do your job en route. Things may not be as harmonious as you would like with colleagues or employers this week. Don't forget to read the fine print.

GEMINI (May 22-June 21)

Make changes in your domestic scene. You may find yourself interested in more than one person. Don't push your luck with authority figures. Go out with friends or family.

CANCER (June 22-July 22)

Older family members may try to put unreasonable demands on you. Female colleagues may be able to help you get the job done. You'll look guilty if you don't lay your cards on the table. You need time to rejuvenate.

LEO (July 23-Aug 22)

Your family may be feeling neglected and unloved. Don't let situations get out of control. You will be well looked upon due to your compassionate and giving nature. You will have the getup and go to contribute a great deal to groups of interest.

VIRGO (Aug. 23 -Sept. 23)

Try looking into new ways to make extra money. Take time to explain your intentions to loved ones. Do something special for them. Situations you can't change should be forgotten for the present.

LIBRA (Sept. 24 -Oct. 23)

You will be ready to jump on anyone who gets in the way of your progress this week. Try not to overspend on friends or family. Avoid scandals of any sort. Mingle with those who can help you get ahead.

SCORPIO (Oct. 24 - Nov. 22)

Try not to allow your partner to lead you astray or upset your routine. Opportunities to learn important information will surface through discussions with peers or seminars you attend. Lovers will be demanding. You are best to sign your partner up for activities that will be tiring. Your attitude could be up and down like a yo-yo.

SAGITTARIUS (Nov. 23 -Dec. 21)

Don't let them blame you. Responsibilities with respect to older relatives may be a burden. Take action. Try to ease any disappointment by making amends.

CAPRICORN (Dec 22.- Jan. 20)

You can get others to do things for you but be sure not to overpay them or lend them money. Try to be tolerant of the moods of those around you. Be aware of any deception on the part of those you deal with. Don't make a move; your confusion has caused this dilemma and you are best to back away and reassess the situation.

AQUARIUS (Jan. 21 -Feb. 19)

Don't make promises. this week will be rather hectic on the domestic scene. You may experience setbacks due to additional responsibilities with loved ones. Someone envious of your popularity may challenge you to a debate.

PISCES (Feb. 20-Mar. 20)

Insincere gestures of friendliness are likely to occur. Visit someone who hasn't been feeling well lately. You can continue to make gains if you call a few people who can help you close an important deal. Brunch, a long walk, or a quiet dinner will secure your position in the relationship.

'ROUND THE REGION with Sharon

By Sharon Harris-Zlotnick

Hello Atlantic County:

A COZY PLACE FOR OLD AND NEW FRIENDS

Since our friend Hank was in town last week from Florida, Norman and I met him for lunch. Hank was staying in Ventnor and chose Hannah G's. Always a local favorite, the cozy bistro was packed by noon. Never mind that so many "island" people are away for the winter...when a restaurant has an interesting menu, good food and fair portions, it will draw a crowd.

Hank and his wife Gayle, who remained back in Florida this time, relocated from Ventnor to Florida in mid-2017. They had lived here for many years before moving. To see how many customers Hank knew was like old home week for him. That, in addition to the number of people Norman and I knew, made it a fun two hours of catching up and eating.

The breakfast/lunch cafe offers a menu with everything you would expect for an early or midday meal. Eggs, wraps, salads, pancakes and waffles fill the list, plus numerous interesting daily specials. Vegans and gluten-free customers also have plenty of food choices.

The food is prepared and presented well. A la carte foods like potatoes, fruits and special breads are extra, but I actually like that since customers will not pay for side items they really don't want.

FAMILIARITY WORKED IN MY FAVOR

I recently leased a new car. I considered changing brands, but decided on another Acura for the fourth time since 2009. I leased the 2019 version of my current model. This good-looking car has a solid service and performance track record.

After making the choice, I then considered remaining with my longtime dealer-Boardwalk Acura in Egg Harbor Township- or compare quotes from other dealers. Ultimately, Boardwalk's good maintenance, pricing and convenience won out.

Since my prior lease from January 2016, I developed a good relationship with Sales Manager Sonny. He was committed to keeping me as a customer. However, in good conscience, I broadened my search to pursue options.

The result? Sonny and Maria, my very professional sales associate, offered a price and incentives that beat the best alternative offer by \$800. We spent considerable time structuring the details and I took multiple test drives with Maria. She called me regularly to provide inventory updates.

I am certain I could not develop a similar relationship with another dealer 50-60 miles away. I also

could not imagine comfortably scheduling Boardwalk service after leaving them and buying from a distant competitor.

While making my initial car choice decision, I eliminated any brand without a local showroom. I wonder why these companies don't think there are enough potential regional buyers within 30 miles. Whatever their reasons, that was a deal breaker for me. Who wants to travel an hour to buy or service a car?

I am happy so far with my new car, knowing that good service and attention are only a short drive away. Now, if only these car manufacturers would make all their exterior/interior colors available on all models like in the old days. I had to compromise on the exterior-charcoal grey-since they did not produce the burgundy I love this year.

HOT MUSIC FOR COLD WINTER NIGHTS

Afraid of boredom on Sundays after Super Bowl this weekend? One enjoyable activity is the annual winter concert series at Historic Congress Hall in Cape May. Through April, top local acts will perform in the Grand Ballroom.

What type of music...everything from sing-along to doo wop. Attendees may purchase a dinner at the Blue Pig Tavern/show package or just a show ticket.

Dinner/show packages are \$36.99 for adults/\$9.99 for children. Concert-only tickets cost \$15.99.

The lineup includes:

Sunday, 2/17 at 7:30 p.m.- Broadway Musical Sing-Along Special guests, including Broadway performers, will join Cape Resorts Entertainment Director Myra Vassian for a night of show stoppers and Broadway favorites.

Sunday, 3/24 at 7:30 p.m.- TROIKA

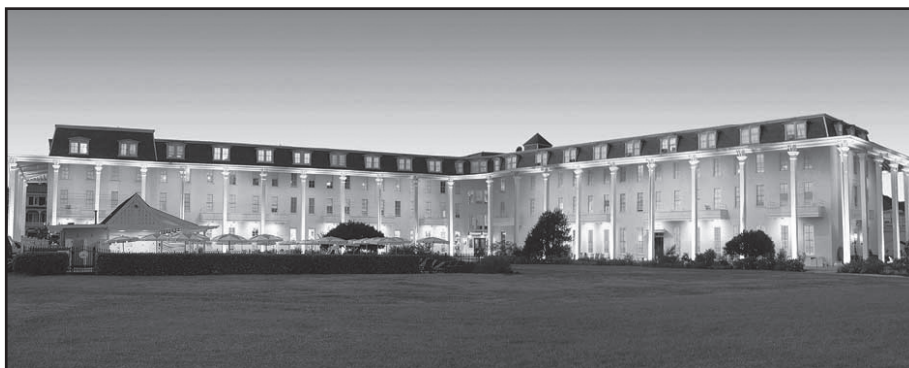

TROIKA, the explosive national country music scene newcomers and winners of Nashville's NextNash 2018 finals, will bring their talents up north for an evening of Electronic Dance Music (EDM), country and pop. EDM encompasses various "percussive electronic music genres" primarily heard at nightclubs, raves and festivals. Consider this the "tech music" that you hear pulsating at the clubs.

Sunday, 4/7 at 7:30 p.m.- Doo Wop with Dane Anthony and the Sons of Thunder

One of South Jersey's most popular bandleaders again showcases his band, the Sons of Thunder, to perform unforgettable songs from beloved eras of generations past. Featuring music from the 50s and beyond, Dane Anthony's show will bring songs from multiple decades.

Anthony is well-known for his great onstage energy and charisma. Expect to hear such durable favorites as "Great Balls of Fire", "Personality", "Roll Over Beethoven," just to name a few, and a tribute to the Platters.

For more information or to buy tickets, visit www.congresshall.com. After purchasing tickets, dinner guests should call the concierge to make reservations at 609-884-6542.

TURN UP THE AC - DEANA M. KOZLOWSKI

2/1 - Harrah's - Steven Wright: Stand-up comedian and Academy Award winner, Steven Wright is coming to The Concert Venue on Friday, February 1. Known for his distinctly lethargic voice and slow, expressionless delivery of jokes, Wright has expanded his career to include comedy albums, film and television appearances. You don't want to miss your chance to see this legendary comic live!

2/1&2 - Hard Rock - Tim McGraw: Tim McGraw is an American country singer/songwriter and actor. McGraw has released fifteen studio albums. 10 of those albums have reached number 1 on the Top Country Albums charts, with his 1994 breakthrough album *Not a Moment Too Soon* being the top country album of 1994. All of these albums have produced 65 singles, 25 of which have reached number 1 on the Hot Country Songs or Country Airplay charts. Three of these singles — "It's Your Love", "Just to See You Smile", and "Live Like You Were Dying" — were the top country songs of 1997, 1998, and 2004 according to Billboard Year-End. He has also won three Grammy Awards, 14 Academy of Country Music awards, 11 Country Music Association (CMA) awards, 10 American Music Awards, and three People's Choice Awards. His *Soul2Soul II* Tour with Faith Hill is one of the highest grossing tours in country music history, and one of the top 5 among all genres of music. Tim McGraw just recently released his latest singles "Neon Church" and "Thought About You" on October 4, 2018. He has sold more than 75 million records worldwide, making him one of the best-selling music artists of all time. He has been married to singer Faith Hill since 1996, and is a son of baseball player Tug McGraw.

2/2 - Tropicana - Sarah Brightman: International singing superstar, Sarah Brightman is the world's biggest selling Soprano. She pioneered the classical crossover music movement and is famed for possessing a vocal range of over 3 octaves. Sarah is the only artist to have simultaneously topped the Billboard dance and classical music charts. Her voice has rung out from theatres, arenas, cathedrals, world heritage centers and Olympic stadiums, bringing to life some of the world's most beautiful music. Sarah's work transcends any specific musical genre, synthesizing many influences and inspirations into a unique sound and vision. Today, she remains among the world's most prominent performers, with global sales of 30 million units having received more than 180 gold and platinum awards in over 40 countries.

2/8 - Ocean Resort - Lee Brice: Lee Brice is an American country music singer and songwriter, signed to Curb Records. Brice has released four albums for the label: *Love Like Crazy*, *Hard to Love*, *I Don't Dance* and *Lee Brice*. He has also released eleven singles, of which four were written by his cousin, Michael Cericola, and have charted at number one on Billboard Hot Country Songs and Country Airplay: "A Woman Like You", "Hard to Love", "I Drive Your Truck", and "I Don't Dance". He has also charted within the top 10 with "Love Like Crazy", "Parking Lot Party", "Drinking Class", and "That Don't Sound Like You". "Love Like Crazy" was the top country song of 2010 according to Billboard Year-End, and broke a 62-year-old record for the longest run on the country chart. Besides his own material, he has also co-written singles for artists like Garth Brooks, Adam Gregory, the Eli Young Band, and Tim McGraw. One of his compositions, Brooks's "More Than a Memory", was the first song ever to debut at number one on the country chart, while the Eli Young Band's "Crazy Girl" was the Billboard Year-End top country song of 2011.

2/15 - Ocean Resort - Brian McKnight: As an artist who needs no introduction, Brian McKnight has gained international and domestic recognition, earning himself a spot in contemporary music history. He has released 19 albums to date over the past twenty-five years, selling over 30 million albums worldwide. With 16 Grammy Award nominations and numerous chart-topping songs, Brian McKnight has established himself as a musical legacy. Don't miss him at Ovation Hall on Friday, February 15!

2/16 - Boardwalk Hall - ERYKAH BADU WITH SPECIAL GUEST BUSTA RHYMES: Erykah Badu is an American singer and songwriter. Influenced by R&B, 1970s soul, and 1980s hip hop, Badu became associated with the neo soul subgenre in the 1990s along with artists like D'Angelo. Badu has been called the queen of neo soul. Her voice has been compared to jazz singer Billie Holiday.[8][9][10] Early in her career, Badu was recognizable for her eccentric style, which often included wearing very large and colorful headwraps. She was a core member of the Soulquarians. As an actress, she has played a number of supporting roles in movies including *Blues Brothers 2000*, *The Cider House Rules* and *House of D*. She also has appeared in the documentaries *Before the Music Dies* and *The Black Power Mixtapes*.

2/16 - Resorts - Chubby Checker: Come on baby, let's do the twist with Chubby Checker & The Wildcats on Saturday, February 16 at 8PM in Superstar Theater. In 2 minutes & 42 Seconds, Chubby Checker revolutionized popular Culture and changed the music business forever. When he appeared on *American Bandstand* in 1960 and performed "The Twist," it was the dawn of a new era in Rock and Roll. Dancing apart to the beat was born and teenagers found a new way to express themselves. Chubby's Dance Style has extended from Woodstock, through Disco to the present day. He stands alone as a one of a kind Rock Icon, who has had 36 Hit Records, is the only artist to have a single go to # 1 Twice, and according to Billboard, has the # 1 Single for the whole Decade of the 60's. Chubby was awarded the first Platinum Single, the first Rock Grammy and has sold an astounding 250,000,000 records over the years. That's why Dick Clark has said: "The three most important things that ever happened in the music industry are Elvis Presley, The Beatles, and Chubby Checker."

2/17 - Toni Braxton: PLEASE NOTE: Due to a scheduling conflict, Toni Braxton's Saturday, February 9 show at the Event Center has been rescheduled to Sunday, February 17. All tickets purchased for the February 9 show will be honored at the February 17 show. If you are unable to attend the rescheduled date, you may seek a refund at the point of purchase.

Toni Michele Braxton is a six times Grammy winning American R&B singer, songwriter, pianist, musician, actress, television celebrity, record producer and humanitarian. She has released a total of six studio albums until now and has sold over 66 million records worldwide, which has made her an R&B idol. She is often referred to as the 'Queen of R&B' as she is one of the best selling female artists of the 1990s.

ATTRACTIONS

Morey's Piers, celebrating fifty years on the boardwalk of the Wildwoods, NJ, will debut a new ride this summer on Surfside Pier: the family-friendly Runaway Tram. The new family roller coaster is themed after the recognizable Wildwood Sightseer Tramcar, an icon of the Wildwoods Boardwalk since it debuted nearly 70 years ago on June 11, 1949. The Runaway Tram, featuring one train with 10 two-person passenger cars, will climb 40 feet before coasting, twisting and turning riders along 922 feet of track.

GROUNDHOG DAY
FUN FACTS

To get in the spirit of Groundhog Day — whether you want six more weeks of winter or not — here are 10 fun facts about the holiday:

- Punxsutawney Phil is the official groundhog forecaster on February 2, but many states have their own (like New York's Pothole Pete).
- Phil's full name, granted by the Punxsutawney Groundhog Club, is Punxsutawney Phil, Seer of Seers, Sage of Sages, Prognosticator of Prognosticators, and Weather Prophet Extraordinary.
- Groundhogs typically weigh between 12 and 15 pounds; Phil is 22 pounds.
- Groundhogs only live six to eight years, but folklore suggests that Phil sips a magical drink that gives him seven more years of life.
- The Germans originally chose a hedgehog as their animal forecaster. They turned to groundhogs instead when they discovered a large amount of them in Pennsylvania.
- Hibernation is similar to being in a coma. When groundhogs hibernate, their heart rates drop to five beats per minute and they can lose up to 30 percent of their body fat.
- The Punxsutawney Groundhog Club hosts a three-day celebration leading up to Groundhog Day.
- The popular movie of the same name (starring Rockland County resident Bill Murray) gave meaning to the phrase "groundhog day": to repeat something over and over again.
- Phil's fans have been able to get text message alerts of his predictions since 2010. (Text "Groundhog" to 247365, in case you're interested.)
- According to ABCNews, the National Climatic Data Center found that there is no correlation between Phil's prediction and the actual weather forecast.

PPAWS - People & Puppies at Work for Sight

MEET THE PACK

The Seeing Eye Celebrates 90th Anniversary

On January 29th, the oldest guide dog school in the world will celebrate 90 years of working to enhance the independence and dignity of people who are blind and visually impaired. Founded in 1929, the 501(c)3 non-profit pioneered the assistance dog training movement and rights to public access in the United States.

"When The Seeing Eye was founded in 1929, people who are blind were treated much differently than they are today," said Seeing Eye President & CEO Jim Kutsch. "When Dorothy Harrison Eustis trained Buddy, the first Seeing Eye dog, she was ahead of her time. She told our co-founder Morris Frank that Buddy was not going to be much help to him if businesses wouldn't allow him to enter with his dog. As a result, Morris Frank and Buddy became traveling spokespeople for the guide dog movement."

The Seeing Eye's co-founder Morris Frank and his Seeing Eye® dog Buddy are credited with paving the way for the nationwide acceptance of service dogs and the drafting and subsequent passage of the Americans with Disabilities Act, which grants the right of public access to people assisted by service dogs. Today, The Seeing Eye continues to honor the legacy of Morris Frank and Buddy by educating the public about the rights of people with disabilities and pursuing legislation that will protect guide dog teams.

"I know our founders would be proud of what they set in motion 90 years ago. We look forward to the next 90 years, and beyond, as we continue to be an innovator and pioneer in the field of breeding, raising and training outstanding Seeing Eye dogs for people who are blind and visually impaired," added Kutsch.

The Seeing Eye will be hosting a 90th Anniversary Gala on May 7, 2019 at Natirar – Ninety Acres in Peapack, New Jersey.

Each year, approximately 260 people from across the United States, Canada and Puerto Rico, come to Morristown, NJ to train with a new Seeing Eye® dog. The Seeing Eye tuition is \$150 for the first dog, \$50 for each subsequent dog, and just \$1 for veterans of the military. The tuition covers the dog, travel expenses, room and board, specialized training in the care and use of their dog, and the dog's equipment. The rates have been unchanged since the early 1930s, despite the cost to breed, raise and train a Seeing Eye dog rising to more than \$60,000 today. The funds to cover the expenses are donated by private individuals, corporations, bequests and other planned gifts.

Established in 1929, The Seeing Eye provides specially bred and trained dogs to guide people who are blind. Seeing Eye dog users experience greatly enhanced mobility and independence, allowing them to retain their active lifestyles despite blindness. The Seeing Eye is a 501(c)3 non-profit supported by contributions, bequests, and other planned gifts.

The Seeing Eye is a trademarked name and can only be used to describe the dogs bred and trained at the school's facilities in Morristown, NJ. For more info on The Seeing Eye, visit www.seeingeye.org, call (973) 539-4425, or email info@seeingeye.org.

Until a Seeing Eye dog is ready for training, he or she lives with a puppy raising or foster family that gives the dog love, gentle guidance, and consistent care. One of the few requirements to be a Seeing Eye puppy raiser is to be a part of a local puppy-raising club. PPAWS - People & Puppies at Work for Sight, is a dedicated group of local families from Atlantic and Cape May Counties, which raise puppies for The Seeing Eye. PPAWS is always looking for more people to help raise these amazing puppies. If you are interested, contact Peter at (609) 804-8774 for information.

COMBO EXPERIENCES TO RID YOURSELF OF THE WINTER BLUES

Submitted by: Judy Brenna, Communications Director – GACCA
Director of Sales – Cuba Libre Restaurant & Rum Bar

While most people associate the Jersey Shore with only sunshine, warm weather and fun in the sand, there is SO much to do and fun to be had for the whole family in Atlantic City during these cold months!

Immerse yourself in the lush history of Atlantic City by checking out the truly great exhibits at The Atlantic City Historical Museum, run by the Atlantic City Public Library. Discover the real life inspirations behind the hit HBO show "Boardwalk Empire", the development of the board game Monopoly, Mr. Peanut, Miss America's progression through the years, the life and changing times of the Boardwalk, and the history of the Casinos. Call (609) 347-5839. Afterward, stop by the renowned former Prohibition Era speakeasy, Irish Pub and Inn, located at 164 St. James Place and warm yourself up with some St. James Potatoes, Fish & Chips or any of their daily Chef's Specials!

Get your "weird" on at Ripley's Believe It Or Not Museum. This "oddtorium" boasts more than 400 exhibits and artifacts in 14 themed galleries. And believe me or not (see what I did there), you have not experienced weird until you find yourself face to face with a spider made from scissors and knives or a roulette table made of over 14,000 jellybeans. (609) 347-2001 for ticketing and parking info. After working up your appetite, being amazed and astounded, pop over to Wahlburgers at Ocean Resort Casino and sink your teeth into any one of their huge selection of savory treats, like their Super Melt Burger paired with Alma's Macaroni Salad. Their vast selection is sure to please even the finickiest of palates!

Relax at Tropicana's IMAX Theatre, the only giant screen-certified IMAX theater in South Jersey and the only movie theater in Atlantic City.

Located on the third floor of The Quarter in the Tropicana, the IMAX 3D theater seats 280 in front of a massive 5-1/2 story screen. Films screening currently are "Glass" and the educational "The Great Barrier Reef 3D." Call (800) 843-8767 for ticketing info. Stop by afterward for a bite at Chelsea Five Gastropub located in Chelsea Tower at the Tropicana, to fulfill any one of your comfort food desires. From White Cheddar Truffle Fries to Lobster Cheesecake to Short Rib Grilled Cheese, the Chelsea Five aims to hit the spot.

The Absecon Lighthouse is the third-tallest lighthouse in the country. Built in 1857, the lighthouse now includes a small museum with a replica of the original Lightkeeper's dwelling, a Fresnel Lens exhibit and a number of historical photographs and objects. Visitors can climb the 228 steps to the top of the lighthouse for open views of the Atlantic Ocean and the surrounding Jersey Shore scenery. During the winter, the lighthouse is open Friday through Monday 11am-4pm. Call (609) 449-1360. Afterward, check out Kelsey & Kim's Southern Café, located at 201 Melrose Avenue, and enjoy traditional soul food classics like Collard Greens, Fried Catfish, and Cheesy Grits. Just make sure to save room for one of their tantalizing desserts!

With these options and so much more, it's impossible to say, "Ugh... there's nothing to do in this city!" So grab your family or some friends (or BOTH), gas up the car (or plug it in... it IS 2019 after all, so you never know) and head to Atlantic City (suntan not required) for some fun and great eats!

SHOULD PET OWNERS WORRY ABOUT FEEDING GRAIN-FREE DIETS?

Submitted By
 Patsy Nelson

Back in July, 2018, The New York Times, (as well as internet reports) printed an article about the possible connection of grain-free foods and canine heart disease. "The condition is dilated cardiomyopathy, or D.C.M., in which the heart weakens and becomes enlarged. Symptoms include fatigue, difficulty breathing, coughing and fainting. Some dogs can abruptly go into heart failure. D.C.M. is typically seen in large breed dogs that have a genetic predisposition for it, like Doberman pinschers, Irish wolfhounds, boxers and Great Danes. But CVCA, a practice of 19 veterinary cardiologists in the Baltimore-Washington, D.C. area, alerted the F.D.A. that it has been seeing D.C.M. among other breeds, including golden retrievers, doodle mixes, Labrador retrievers and Shih Tzus. The common factor was a diet heavy in peas, lentils, chickpeas, and potatoes-carbohydrates typically intended to replace grains."

As this news was hitting the media, customers related their concerns to us at The Wagging Tail. Recently, it seems, some customers are hearing about this for the first time, or as repeated information. On July 25th we received a letter from the Fromm Family Pet Food Company. According to the letter, the University of California Davis, School of Veterinary Medicine is conducting a study to better understand the impact of Taurine-deficient D.C.M. The headlines indicate a link between heart disease and grain-free diets, but the focus is really on how dogs metabolize taurine and the impact of taurine on heart health. "It is important to note that Fromm has supplemented grain-free and grain-inclusive diets with taurine for several years. While we carefully watch for further FDA notifications and monitor results of the various studies, we want our retailers and consumers to feel confident knowing Fromm, has and will continue to supplement recipes with taurine."

There is no need to panic according to Martine Hartogensis, a veterinarian who is deputy director for the Office of Surveillance and Compliance in the F.D.A.'s Center for Veterinary Medicine. There have not been any recalls up to now and considering the millions of dogs who eat grain-free diets every day without issues, the number of dogs who have had problems is minimal. It is important to note as well, that there has been no strong evidence that grain-free diets are that much better than grain inclusive diets. In fact, I tell my customers that when I went up to Wisconsin to visit the Fromm Family Foods operation and visit their facilities, they said that they got into grain-free foods to satisfy the growing demand, when in fact, their best-selling food is their regular Adult Gold food which includes grains. Unless you know for sure that your pet has specific allergic reactions to certain grains, it is unnecessary to feed grain-free food to your pet. I hoped this has helped allay concerns.
