Who said that?

Identify the authors of the following quotes:

- "I was showing early symptoms of becoming a professional baseball man. I was lying to the press."
- "We didn't lose the game; we just ran out of time."
- "World records are only borrowed."
- "When I was 40, my doctor advised me that a man in his 40s shouldn't play tennis. I heeded his advice carefully and could hardly wait until I reached 50 to start again."
- "If you are going to throw a club, it is important to throw it ahead of you, down the fairway, so you don't have to waste energy going back to pick it up."
- "I know I am getting better at golf because I am hitting fewer spectators."
- "I went through baseball as 'a player to be named later.'"
- "It breaks your heart. It is designed to break your heart. The game begins in the

spring, when everything else begins again, and it blossoms in the summer, filling the afternoons and evenings. And then as soon as the chill rains come, it stops and leaves you to face the fall alone."

- "When you're in a slump, it's almost as if you look out at the field, and it's one big glove."
- "You can learn little from victory. You can learn everything from defeat."

HOROSCOPE

FEBRUARY 6 - FEBRUARY 12, 2019

ARIES (Mar. 21 - April 20)

You won't be able to keep a secret. You can do well on stage or behind the scenes, the choice is yours. You can make successful moves. Female colleagues may be able to help you get the job done.

TAURUS (Apr. 21 - May 21)

Take on positions that offer on the job training or pay for courses related to the business. You should get out and enjoy social events where you are likely to meet new potential mates; however, don't over spend. You will feel so much better about yourself if you can control your addictions. You will enjoy getting together with friends.

GEMINI (May 22 - June 21)

Talk to others about your plans. Don't let your partner get away with spending too much of your money. Changes in your home will be positive. There will be hidden matters that you may find disturbing.

CANCER (June 22 - July 22)

Dazzle them with your intellectual conversation. Deception regarding joint finances or investments will cause upsets between family members. Too much work and no play will not only result in fatigue and frustration but also loneliness, too. Any attractions toward clients will be one sided and must be put right out of your head.

LEO (July 23 - Aug 22)

Set the ball in motion and be relentless until you complete the project. Not the best day for business trips. Secret love affairs may be enticing; however, you must be prepared for the restraints that will follow. Opportunities will unfold; however, you must be willing to pay the price.

VIRGO (Aug. 23 - Sept. 23)

You will be erratic and quite likely to make personal mistakes. Uncertainties about your living arrangements may be unnerving. You may have some difficulties with someone you live with. You may want to stay in the background this week.

LIBRA (Sept. 24 - Oct. 23)

You can bet that someone in a higher position is watching to see how busy you are. You will be in an overly generous mood this week. You can easily impress others with your generous nature. Put your energy into home renovations.

SCORPIO (Oct. 24 - Nov. 22)

Sit back and observe, regardless of how hard that might be. You can expect opposition at work. Don't let your competition be privy to information that could be incriminating. You need to take a good look at all sides of an issue before making a decision. Physical work or exercise should be part of your schedule.

SAGITTARIUS (Nov. 23 - Dec. 21)

Responsibilities with respect to older relatives may be a burden. Socializing will be more than just entertaining. A second chance will result in good work. Your compassion will be appreciated more than you can imagine.

CAPRICORN (Dec 22 - Jan. 20)

Sports, physical fitness programs, exercise in general will make you feel better and show some pretty quick results. You will profit from home improvement projects and real estate deals. Don't let others saddle you with guilt that isn't warranted. Do not expect too much from others.

AQUARIUS (Jan. 21 - Feb. 19)

Try to be reasonable. This will not be the time to give too much to your children. You should get involved with activities that can be enjoyed by both young and old alike. You will need to do a lot of research if you wish to get to the bottom of things.

PISCES (Feb. 20 - Mar. 20)

You can accomplish a great deal. This could be the cause of a dispute that may result in estrangement. You will have a great deal of insight when dealing with others. Be careful disclosing information.

'ROUND THE REGION with Sharon

By Sharon Harris-Zlotnick

Hello Atlantic County:

ANOTHER PLACE TO SAY OLE'

The Exchange in Linwood added a new restaurant outlet five months ago and I hope they stick around for a while. Tacocat serves a limited, but delicious, Cal-Mexican menu, which complements the variety of cuisines available at the Exchange's large food court area. The foods are perfectly priced for either take out or a quick sit-down meal.

The entire Exchange complex seems to benefit from AtlantiCare's second floor physicians' operation. Entering the building and going to the doctors' offices, you can't help but savor the multiple smells from several culinary counters.

I discovered that myself as I climbed the stairs to AtlantiCare for a routine doctor's appointment. As I left, I stopped at Tacocat's counter, which is conveniently located at the entrance.

Randi, the co-owner, told me they decided on the name be-

cause it is a palindrome, which is defined as a word, number or phrase that reads the same backward as forward. Eddie is the very able cook who can do some ingredient customizing.

My nicely grilled \$8.25 chicken quesadilla was served with salsa and sour cream. Tacos are obviously the big item here and there are seven options under \$4.50. They are available with corn or flour tortillas, but a more nutritional choice may be the lettuce cups. Buy any three tacos and choose a free side item like Mexican Street corn, black beans or Spanish rice, each valued at \$2.50.

BLACK HISTORY MONTH THROUGHOUT FEBRUARY

To honor the annual Black History Month celebration, the Atlantic City Free Public Library will hold its next Multicultural Music Series with its first concert this Saturday, February 9 at 2 p.m.

Angela Burton & Passion will perform at the Main Library, entertaining with a show that pays tribute to Atlantic City's former Club Harlem. Burton was a regular singer there in the "old days" of Atlantic City. Part of the show will be a discussion of that era. The Hard Rock Hotel & Casino Atlantic City is supporting this event.

A LIFELONG GAME FOR YOUR CHILD

Regrettably, I never learned to play golf as a child...I don't think miniature golf counts. While it is never too late, learning golf while young encourages a great lifelong activity that promotes physical, social and potential professional benefits.

Starting this Saturday, February 9, and continuing through Saturday, April 6, the Atlantic City Country Club in Northfield will launch its Club 1897 Virtual Golf and Sports Junior Clinic. The one-hour clinic will be held from 11 a.m.-12 noon each week for children from 7-16.

The course will include golfing basics, swing mechanics and basic golf course knowledge. Golfing etiquette, a key component to maintaining golf as a civilized, more upscale experience, will also be taught.

The fee is \$35 per week per participant. Space is limited and reservations must be booked through the pro shop at 609-236-4400. Attendees are encouraged to bring their own equipment, but the pro shop says they do have some available golf clubs and bags.

WINNING FUNDING FOR OUR SCHOOLS

Regional teachers and administrators, take note. The TangerKIDS Grant Program has opened its application program and is calling for entries to be submitted through March 15. The program is an initiative created to award grant money to deserving schools located within the communities nationwide where Tanger Outlet Centers conduct business. Each year, more than \$200,000 is awarded in individual grants.

Tanger is a real estate investment trust firm headquartered in Greensboro, North Carolina. The company currently owns 44 outlet centers in 22 states throughout the U.S. and Canada. Its entire sales capacity totals almost 15.3 million square feet that is leased to more than 3,100 stores. These include many operated by more than 540 different brand name companies.

The Tanger Outlet in Atlantic City, usually called "The Walk,"

is among Tanger's most successful centers in the U.S. It is located at the entry to Atlantic City, right off the Expressway. Its numerous outdoor buildings, with 75-plus stores, cover several blocks. Many of the most popular American names are represented. The Tanger Outlet is readily accessible by bus, car or NJ Transit (once they actually reopen the line) and parking is easy at the nearby Wave Garage.

The TangerKIDS program aims to fund specific needs of local schools. These needs could include implementing school-wide programs, rebuilding equipment, purchasing academic materials and supplies and supporting athletic or band programs.

Any teacher or administrator from a local school may apply. To qualify, the majority of their intended program or project must be completed between August 2019 and May 2020. Schools are not limited to one submission. Each school may apply with multiple grant requests that will be considered separately. Applications are to be done online at grants.tangeroutlet.com.

Following submission, applications will be under review from March 18 to April 15. Local managers of each outlet center will announce the winners on Friday, April 19.

PPAWS - People & Puppies at Work for Sight "MEET THE PACK!"

The Avagliano Family Welcomes Rockford

Peter Avagliano, his wife Peggy, and their four children get a new puppy in their home every 14 months or so. They raise them, play with them, train them and love them. Then one day, the phone rings...

The Avagliano family are members of People & Puppies at Work for Sight, or PPAWS, a volunteer group from Atlantic and Cape May Counties that raises and trains puppies for The Seeing Eye, Inc. based in Morristown, NJ.

The Seeing Eye gives specially bred puppies, German Shepherds, Golden Retrievers and Labrador Retrievers, to the host family at seven weeks of age. The pups learn and grow until they are 14-16 months old then return to The Seeing Eye to complete 4 to 6 months of additional "in harness" training with professional Seeing Eye dog trainers.

Peter's eldest daughter, Christina got the family started raising puppies more than 12 years ago while researching civics projects for school and Girl Scouts. They are currently raising their 14th Seeing Eye puppy, a German Shepherd named Rockford. An important part of the training is taking the puppies just about everywhere they go. Every new experience helps the puppy to become more calm and confident when out working in public.

After a little more than a year of raising and loving their puppy, the Avagliano family will get a phone call from The Seeing Eye saying it is time to say good-bye. Peter describes the process as being similar to raising a child and sending them off to college. "You raise them, you teach them as best you can and then you have to let them go and do

what they are meant to do." It's always difficult but at the same time it's rewarding to know you had a little something to do with helping someone.

PPAWS is always looking for more people to help raise these amazing puppies. If you are interested you can contact Peter at (609) 804-8774 for more information.

Tips for Sub-Zero Driving

When it comes to winter car care, many motorists think of antifreeze and batteries, but vehicles need extra attention in winter, especially when temperatures drop below zero, says the non-profit Car Care Council. If you haven't had your vehicle checked recently, a thorough vehicle inspection is a good idea so you can avoid the aggravation and unexpected cost of a breakdown in freezing weather. The Car Care Council offers six quick tips to help your vehicle perform at its best during cold weather months.

1. Keep the gas tank at least half full; this decreases the chance of moisture forming in the gas lines and possibly freezing.
2. Check the tire pressure, including the spare, as tires can lose pressure when temperatures drop. Consider special tires if snow and ice are a problem in your area.
3. Have the exhaust system checked for carbon monoxide leaks, which can be especially dangerous during cold weather driving when windows are closed.
4. Allow your car a little more time to warm up when temperatures are below freezing so that the oil in the engine and transmission circulate and get warm.
5. Change to low-viscosity oil in winter as it will flow more easily between moving parts when it is cold. Drivers in sub-zero temperatures should drop their oil weight from 10-W30 to 5-W30 as thickened oil can make it hard to start the car.
6. Consider using cold weather washer fluid and special winter windshield blades if you live in a place with especially harsh winter conditions.

Drivers should stock an emergency kit with an ice scraper, snowbrush, jumper cables & flashlight.

Who doesn't need a good gut-splitting laugh-so-hard-you-cry moment now and again, especially during this wonky and confusing winter weather? Typically when you think of live comedy you think Big Venues! With giant, sparkling, flashing marquees! In even bigger cities like New York, Chicago, Los Angeles! Well, fear not, there's no need to take a trip to get a good laugh these days... Atlantic City has seen a rise in small-scaled comedy venues in these last few years that would give the big-city elite a run for their money. And with the amount of comedic variety, Atlantic City is sure to fulfill anyone's humor palate.

The Atlantic City Comedy Club is one of the country's most unique comedy venues. Their shows star some of the country's top headliners and hottest rising stars. Located in the Kiss Kiss Nightclub in the Tropicana, they bring you professional comics from all over the country with shows every Monday, and Thursday through Sunday! Up this week is Comedy Central's Christian Finnegan, featuring Peggy O'Leary. Next week Jon Fisch will be performing. Call (609) 318-4494 for more information.

The Borgata Comedy Club, located at The Music Box in The Borgata Hotel Casino & Spas hosts a daily evening line-up for only \$20 a ticket! This upcoming weekend they will be featuring comedians Anthony Devito, Rich Vos, Chris Monty, Buddy Fitzpatrick and Corey Rodrigues (to name just a few). Call (609) 317-1000 for ticketing info.

Jeff Dye is headlining this week at Howie Mandel's Comedy Club, located at the Hard Rock Hotel and Casino. Jeff is known for comedic antics on the NBC eclectic adventure series, "Better Late Than Never" (starring William Shatner, Terry Bradshaw, George Foreman and The Fonz himself, Henry Winkler). Next week the club will be featuring New Jersey's own Vinnie Brand. Go to Hard Rock's website to book your ticket!

Not sure where to go, but know deep down in your heart you need a good laugh? Go to www.acjokes.com and check out their ginormous selection of comedians performing throughout the city every week! Covering Bally's, The Tropicana and The Playground, all the while spreading laughter and good cheer, AC Jokes promotes where to find your favorite resident comedian at any given time. If you're coming to town for a convention, they're even available for convention bookings and fundraising efforts! You can also call (609) ACJOKES for more information.

With all of these options to choose from you're sure to gain some laugh lines! Just remember, if you sit in the front row at one of these shows, there is a very likely chance you'll get picked on. Especially if you sport that new hat that you got over Christmas that resembles a cockatoo, even though your Great Aunt Tootsie swore it was all the rage in Europe. I'm not saying... I'm just saying.

SHOULD PET OWNERS WORRY ABOUT FEEDING GRAIN-FREE DIETS? AND WHAT IS TAURINE?

Submitted By
 Patsy Nelson

Back in July, 2018, The New York Times, (as well as internet reports) printed an article about the possible connection of grain-free foods and canine heart disease. "The condition is dilated cardiomyopathy, or D.C.M., in which the heart weakens and becomes enlarged. Symptoms include fatigue, difficulty breathing, coughing and fainting. Some dogs can abruptly go into heart failure. D.C.M. is typically seen in large breed dogs that have a genetic predisposition for it, like Doberman pinschers, Irish wolfhounds, boxers and Great Danes. But CVCA, a practice of 19 veterinary cardiologists in the Baltimore-Washington, D.C. area, alerted the F.D.A. that it has been seeing D.C.M. among other breeds, including golden retrievers, doodle mixes, Labrador retrievers and Shih Tzus. The common factor was a diet heavy in peas, lentils, chickpeas, and potatoes-carbohydrates typically intended to replace grains."

As this news was hitting the media, customers related their concerns to us at The Wagging Tail. Recently, it seems, some customers are hearing about this for the first time, or as repeated information. On July 29th we received a letter from the Fromm Family Pet Food Company. According to the letter, the University of California Davis, School of Veterinary Medicine is conducting a study to better understand the impact of Taurine-deficient D.C.M. The headlines indicate a link between heart disease and grain-free diets, but the focus is really on how dogs metabolize taurine and the impact of taurine on heart health. "It is important to note that Fromm has supplemented grain-free and grain-inclusive diets with taurine for several years. While we carefully watch for further FDA notifications and monitor results of the various studies, we want our retailers and consumers to feel confident knowing Fromm, has and will continue to supplement recipes with taurine."

There is no need to panic according to Martine Hartogensis, a veterinarian who is deputy director for the Office of Surveillance and Compliance in the F.D.A.'s Center for Veterinary Medicine. There have not been any recalls up to now and considering the millions of dogs who eat grain-free diets every day without issues, the number of dogs who have had problems is minimal. It is important to note as well, that there has been no strong evidence that grain-free diets are that much better than grain inclusive diets. In fact, I tell my customers that when I went up to Wisconsin to visit the Fromm Family Foods operation and visit their facilities, they said that they got into grain-free foods to satisfy the growing demand, when in fact, their best-selling food is their regular Adult Gold food which includes grains. Unless you know for sure that your pet has specific allergic reactions to certain grains, it is unnecessary to feed grain-free food to your pet. I hoped this has helped allay concerns.

Taurine is a by-product of the sulphurous amino acids cysteine and methionine and is therefore an amino sulphonic acid. Taurine plays a big part in the maintenance of organ and cell function. It is substantially more concentrated in the heart muscles than other amino acids and thus it has an anti-arrhythmic as well as a positive inotropic effect on the heart, "meaning it increases the regularity and strength of the heart contraction. Besides the blood pressure regulating properties, supplementation with taurine can be useful to lower cholesterol levels, as taurine stimulates the gall bladder."
