HOROSCOPE

FEBRUARY 16 - FEBRUARY 22, 2023

- 

ARIES (Mar. 21-April 20)
Your partner may push buttons that infuriate you. Your partner could make you angry if they steal your thunder or embarrass you in front of others. Don't hesitate to look for alternatives that will enable you to raise the kind of donations you need to do the job right. You need to concentrate on your business ventures more than on your relationship this week.
- 

TAURUS (Apr. 21-May 21)
Don't let others bully you into agreeing with them. You will be able to get along well with colleagues. Love can be yours if you get out and about. Insincere gestures of friendliness are likely to occur.
- 

GEMINI (May 22-June 21)
Problems with in-laws may cause friction in your personal relationship. Be sure to find out all you can before you commit to anything. Deceit with coworkers is apparent. Opportunities will come through behind the scenes activities.
- 

CANCER (June 22-July 22)
Your diplomatic nature will help you in straightening out unsavory situations. Partnerships may be plentiful. Your mate needs extra attention and is feeling rather insecure when you're not in sight. Your support and concern will help. Your desire for excitement and adventure may be expensive.
- 

LEO (July 23-Aug 22)
Your energetic personality will make you the center of attention at social gatherings. Educational pursuits should help you develop your hobbies. You can become obsessed with detail and must be sure to divide your time appropriately. Get together with friends and do something entertaining but not too expensive.
- 

VIRGO (Aug. 23-Sept. 23)
You may be able to get some good advice about your personal problems. Pleasure trips will be emotionally favorable. Don't deny yourself this week. Problems with in-laws may cause friction in your personal relationship.
- 

LIBRA (Sept. 24-Oct. 23)
You may be likely to have difficulties with females. Changes regarding family members will set you off. Don't give them the use of your credit card. Consider a conservative investment that will stay solid when everything else goes sour.
- 

SCORPIO (Oct. 24-Nov. 22)
You need to spend time with friends and family. Put your efforts into your work or money making ventures rather than your emotional life. Don't be afraid to talk to close friends or relatives about pressing personal problems. Talk to the party involved and make sure that they are informed as to what actually happened.
- 

SAGITTARIUS (Nov. 23-Dec. 21)
Be careful how you deal with colleagues. This week will be rather hectic on the domestic scene. You may be ill-treated if you have to deal with institutional environments. You need an energetic outlet that will help you dissipate your anxiety.
- 

CAPRICORN (Dec 22-Jan. 20)
Time is money and you must be ready to take action in order to reach your highest potential. Be cautious handling tools, machinery, or dangerous objects. Travel will be exciting. You are apt to meet someone special on your journey.
- 

AQUARIUS (Jan. 21-Feb. 19)
You can make money if you're willing to push your ideas on those in a position to support your efforts. Be sure to cover all the necessary groundwork before signing binding contracts. Don't let others put unreasonable demands on you. You should put in some extra hours developing that creative idea you have.
- 

PISCES (Feb. 20-Mar. 20)
Do not be surprised if your partner doesn't understand your needs. Some of your new friends may not be that trustworthy. You may not be able to help, but your support will be favorable. It's time to reevaluate your motives.

Day, it would be a shame to celebrate only one day a year. Perhaps this day is just a reminder to drink wine. Wine does have its benefits after all. Moderate drinkers of wine have lower risks of liver disease, type II diabetes, certain kinds of cancers, heart attack, and stroke. It also can reduce the bad cholesterol (LDL) and increase the good (HDL).

NATIONAL MARGARITA DAY - Feb 22
National Margarita Day rims a glass with salt and serves up a beverage that tastes like the summer sun. Whether you enjoy them on the rocks or blended, this day is for you! Known to be the most common tequila-based cocktail served in the United States, the margarita is a cocktail that consists of tequila, triple sec, and lime or lemon juice. When it comes to sorting out the legends associated with the origin of the margarita, there are many. Two things are certain; the cocktail included tequila, and the bartender edged the rim of the glass with salt. Today, lime is not the only flavor of margarita, and the specialists behind the bar have gotten creative mixing dried herbs, infused sugars, and exotic salts to enhance both the presentation of the glass and the flavor of the cocktail. Margaritas can be served on the rocks (shaken with ice), frozen (blended with ice), or straight up (without ice).

TOMMY C IS MAKING HIS MARK

Frank Sinatra, Dean Martin, Bobby Rydell – some of the great voices of the past. Let's add Tommy C to that list as one of the great voices of the present.

Tommy Coniglio, firefighter and EMT, is definitely making his mark in the entertainment world in Cape May County and beyond. Having been discovered by Joe Montello, who is also Tommy's mentor and manager, he is also known as "The Voice of Tribute," and at just 25 years old is a talented performer bringing back the greatest hits of Frank Sinatra, Dean Martin, Bobby Darin, Frankie Avalon, Bobby Rydell and more. "The Voice of Tribute" is truly a performer to watch, singing yesterday's music for today's ears.

Tommy C's commitment to his love of music and performing began as a young boy in Hoboken, NJ, none other than the birthplace of Frank Sinatra. The product of a family of entertainers and musicians, Tommy C has honed his craft and developed a diversity within his singing styles which he pays homage to some of our greatest musical legends.

Tommy C performed at The Wildwoods Convention Center as part of the 50s, 60s and 70s weekend in October, and I recently had a conversation with Tracey DuFault, Executive Director of The Wildwoods Chamber of Commerce about Tommy C, and she was full of praise for him, Tracey said, "He is fantastic!, I told him he needs to come to the office after the show, because we need help answering all the calls about you." Tracey continued, "one couple called the Chamber office and talked about how overjoyed they were to dance to their wedding song from 50 years ago that Tommy C performed during the show." Tracey also stated that Tommy C is already booked for the 2023 show, and added some MC duties to his performance.

As a tribute to Bobby Rydell, Tommy C recently recorded a song with Rydell called "Sway", visit his website: thevoiceoftribute.com and check out the video. He also recently released a Christmas Album, "Christmas Time is Here," as well as a new release hitting in April. If you are interested in checking out Tommy C, come on out to Joey Ms La Piazza at 3813 Pacific Avenue in Wildwood this Friday, February 17, or Saturday, February 25. Enjoy a great dinner at Joey M's and delight in the sounds of this wonderful entertainer. The Voice of Tribute will be appearing along with The Vogues, The Trammpps, Bobby Wilson, Dennis Tufano and

others at the Oldies Dance Party on Saturday, March 11 at The Grand at 818 North Market Street in Wilmington Delaware. For Tickets, call (302) 652-5577 or visit ticketsatthegrand.org. On Sunday, March 12 Tommy will perform along with the Duprees and Comedian Gina DiMaggio at The Brook Arts Center in Bound Brook, NJ. Showtime is 3 p.m. For tickets, call 732-469-7700 or visit www.brookarts.org.

PREVENT SMELLS AND MOLD
SEE THE TIPS BELOW TO HELP PREVENT INTERIOR MOLD AND SMELLS FROM OVERCOMING YOUR VEHICLE.

- IF POSSIBLE, PARK YOUR CAR IN A GARAGE OR OTHER ENCLOSED STRUCTURE WHEN NOT IN USE. THIS WILL GO A LONG WAY TO HELP IN EXPOSURE TO THE ELEMENTS AND MOISTURE.
- LOOK FOR LEAKING AREAS THAT MIGHT ALLOW MOISTURE TO ENTER THE VEHICLE. CHECK THE SEALS ON THE DOORS AND WINDOWS. HAVE LEAKY AREAS REPAIRED IMMEDIATELY.
- IF YOU HAVE A CONVERTIBLE, MAKE SURE THE ROOF IS CLOSING PROPERLY, ISN'T DAMAGED AND LIQUID ISN'T TRAPPED IN THE TOP SYSTEM.
- RUN THE AIR CONDITIONING OCCASIONALLY DURING COLD WEATHER TO MOVE AIR THROUGH THE SYSTEM AND DRY IT OUT.
- MAKE SURE YOUR DOORS AND WINDOWS ARE SECURELY CLOSED WHEN NOT IN THE CAR.
- DON'T EAT AND DRINK IN THE VEHICLE. IF YOU DO, BE CAREFUL THAT NO FOOD OR DRINK IS DROPPED TO THE FLOOR OR OTHER PLACES. IMMEDIATELY CLEAN ANY SPILLS.
- MAKE SURE FLOOR MATS AREN'T WET AFTER TRACKING IN SNOW, MUD AND RAIN. TAKE THEM OUT AND CLEAN THEM IF NECESSARY, AND DON'T RETURN THEM UNTIL THEY ARE COMPLETELY DRY. WATERPROOF MATS ARE A GOOD OPTION FOR INCLEMENT WEATHER.
- WIPE DOWN AND CLEAN THE INTERIOR OF YOUR VEHICLE REGULARLY.
- BE CAREFUL WHAT YOU STORE IN THE CAR. SWEATY WORKOUT CLOTHES, WET TOWELS OR OTHER MUSTY ITEMS SHOULD BE REMOVED AND STORED ELSEWHERE.
- IF YOU ARE A THRIFT SHOPPER, BE VIGILANT OF OBJECTS THAT YOU BRING HOME. DO NOT STORE THEM IN THE VEHICLE LONG-TERM AND CONSIDER KEEPING THEM SEALED UNTIL YOU CAN REMOVE AND SANITIZE THEM.
- INSTALLING WATERPROOF MATS INSTEAD OF CARPET CAN GO A LONG WAY TO PREVENT MOLD. YOU STILL NEED TO CLEAN THEM BECAUSE WATER AND MOLD CAN BECOME TRAPPED IN THE CREVICES AND TROUGHS.
- BE CAREFUL OF USING AIR FRESHENERS AND SPRAYS TO SIMPLY MASK THE SMELL. IF YOU DON'T FIND THE CAUSE AND ELIMINATE IT, YOU CAN HAVE UNDERLYING ISSUES THAT CAN DESTROY YOUR INTERIOR AND POTENTIALLY AFFECT YOUR HEALTH.

FEBRUARY IS NATIONAL PET DENTAL HEALTH MONTH

Submitted By
Patsy Nelson
from The Wagging Tail

Dental Health Month was established to bring awareness to pet owners about the grave importance of good dental health. Some of the following information is from an article written by, Dr. Joyce Voss, Director of Veterinary Services & Animal Care at SICSA Adoption & Wellness Center, along with my own input.

As most of you may recall, I currently have 2 dogs. Zoey is a 7-year old Maltese, approx. 10 lbs, & Ebby's a 20 lbs 6-year old rescue mix of Chihuahua with possibly Lhasa Apso or Cocker. I have never been one to brush my pets' teeth. I am just not that patient, & I disagree with some information that says once a week is generally sufficient. I also discount the value of you paying a groomer to brush your pet's teeth for you. For one, you usually would not be present for the procedure so you don't know if, or how well it was done. Secondly, if that is your once every 2-month dental treatment, that would hardly manage the dental health of your pet. I rely on other methods which I will talk about later.

Dr. Voss states that once the baby teeth are gone (often swallowed), dogs have 42 adult teeth & cats have 30. The development & proper growth of the permanent teeth, including appropriate location & orientation of the teeth are important genetic & developmental factors that may affect later dental health. Zoey for example has a very small mouth & some crooked teeth. Dr. Voss adds that small dogs & those that may need braces (like Zoey), & dogs with shorter noses are more prone to dental problems. I have not chanced looking at Ebby's teeth as there are some things our fear-biter will not yet tolerate. However, when I play with her, she opens her mouth & her teeth look good, with the preventative measures I utilize. It is very important to get your pet used to you checking all of their teeth while they are still young. It is harder with rescues that have not been handled that way, so you will need dental checkups. When Ebby gets her cytopoint injection I have the Vet look at her teeth. The biggest concern with pets is the buildup of plaque, a film that turns teeth yellow as a result of saliva, bacteria, & debris. The plaque eventually becomes tartar (brown), which if not treated leads to gingivitis (gum inflammation), & periodontal disease.

Only about half of pet owners brush their pets' teeth, & only about 10% brush daily. Don't rely on dry kibble or hard biscuits to clean the teeth for you. How many dogs or cats spend much time masticating their food (grinding, chewing, mashing)? How often has your cat thrown up whole pieces of kibble? Most pets gobble their food quickly, unless they are grazers, which in many cases is because the food is not that appetizing. The best diet with kibble is to add a variety of canned protein, or freeze-dried toppers, & as much COLD water as the dog can handle. Don't let the food soften. The act of drinking WHILE eating moves food faster through the gut for better gut health. I use the example of how hard it would be for you to digest a beer pretzel without simultaneously drinking a beverage.

What I do for my cats & dogs is multi-faceted. I put dental additive in their water bowls each time I change the water. I use gel on the dogs' teeth every morning as we awaken. Zoey allows me to work the gel to the back and along the gum line over all her teeth. Ebby licks it off my finger, then they don't get anything to eat or drink for 30 min; Zoey's teeth are still beautiful as a result. They get dental chews at bedtime, I prefer Plaque Off over Greenies, & I also use Yummy Combs (more expensive, but more effective); sometimes N-Bones. Various chew bones help as well, especially frozen raw bones, which we carry in a variety of sizes. Please stay tuned for more dental information next week.
