HOROSCOPE

FEBRUARY 20 - FEBRUARY 26, 2019

ARIES (Mar. 21 - April 20)

Be careful not to show your temper when dealing with the boss. Try not to allow others to burden you with additional responsibilities. You can prosper if you invest in property or mutual funds. Don't bother getting even; they'll make themselves look bad.

TAURUS (Apr. 21 - May 21)

Groups and organizations that indulge in social events to raise money will be conducive to meeting new and exciting lovers. Don't let others saddle you with guilt that isn't warranted. Relationships will be emotional this week. There might be a problem with a will or with an insurance policy.

GEMINI (May 22 - June 21)

Try not to take others for granted. Tempers could get out of hand this week. Family talks may get a little combative. Be careful to avoid wrong doings. Make sure that you have all the pertinent facts before taking action.

CANCER (June 22 - July 22)

Don't let your personal problems interfere with your professional responsibilities. Don't let domestic problems interfere with your objectives. Find out exactly what's expected of you and you'll be surprised to find out how capable you are. You may want to take a serious look at your goals and objectives.

LEO (July 23 - Aug 22)

Social activities will be satisfying. Tempers could boil if someone you work with has not been pulling their weight. Think hard before going into business with friends or family. You can raise your standard of living if you pick up some freelance work on the side.

VIRGO (Aug. 23 - Sept. 23)

However, you must not neglect your family. Unexpected romantic connections can be made if you go out with friends or take a pleasure trip. Changes at home might come fast and furious. Secret affairs will only lead to deception.

LIBRA (Sept. 24 - Oct. 23)

You can find out interesting information if you get a chance to talk to people you respect. You're eager to learn. You will be ready to jump on anyone who gets in the way of your progress this week. Don't be too quick to judge your position or surroundings at work.

SCORPIO (Oct. 24 - Nov. 22)

You are best not to nag or criticize. Try to be tolerant of the moods of those around you. Be sure to think twice before you say something that might hurt your partner's feelings. Self-improvement could bring amazing results.

SAGITTARIUS (Nov. 23 - Dec. 21)

You will enjoy lavish forms of entertainment and should consider making arrangements early. Take the time to help old friends or relatives who have had a stroke of bad luck. Face any emotional problems head-on to avoid situations getting out of hand. Money may slip through your fingers.

CAPRICORN (Dec. 22 - Jan. 20)

Sudden changes regarding your domestic scene are probable. Too much work and no play will not only result in fatigue and frustration but also loneliness, too. You need to do something that will make you feel better about yourself. You can gain approval, get kudos, and ask for help if you put a little heart into your speech or request.

AQUARIUS (Jan. 21 - Feb. 19)

You will meet a person who may turn out to be more than just a friend. Verbal abuse could lead to carelessness. Avoid joint ventures and steer clear of groups that want you to contribute financial assistance. Your mate is going to want and need some attention.

PISCES (Feb. 20 - Mar. 20)

You can make changes to your living quarters that should please family members. Your intuition will be right on. Follow your feelings in matters pertaining to financial investments. You may want to try your hand at a little creative writing. Don't let your boss get the better of you. Financial limitations are likely if you take risks.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

GRILLED CARIBBEAN JERK SHRIMP ON A SKEWER

INGREDIENTS:

- 12 Jumbo Shrimp, peeled and deveined
- 1/2 Cup Caribbean jerk marinade
- 1 tsp. Fresh squeezed lemon juice
- 1 tsp. Fresh squeezed lime juice
- 1 TBS. Caribbean Jerk spice
- Salt to taste

PREPARATION:

Place shrimp into a Ziploc bag. Pour marinade over the shrimp. Seal the bag, mix well & refrigerate for a half hour. Preheat grill to medium high heat. Arrange shrimp onto skewers, 3 or 4 per skewer. Season shrimp w/ salt & Caribbean spice. Spray the grill with nonstick spray. Grill light golden brown & opaque. In a small bowl, toss shrimp w/ lemon lime juice & serve. Enjoy!

Hints:

- 1) If using bamboo skewers, soak them in water for 20 minutes prior to grilling.
- 2) You don't need to season w/ pepper due to the fact that jerk spice is full of it.

3. **HOW TO COMMUNICATE FOR BETTER AUTOMOTIVE SERVICE**
Today's cars, light trucks, and sport-utility vehicles are high-tech marvels. But when it comes to repairs, some things stay the same. Whatever type of repair facility you patronize, good communication between the customer and the shop is vital. Do your homework before taking your vehicle in for repairs or service.

- Read the owner's manual to learn about the vehicle's systems and components.
- Follow the recommended service schedules.
- Keep a log of all repairs and service.

Use all of your senses to inspect your car frequently. Check for:

- Unusual sounds, odors, drips, leaks, smoke, warning lights, gauge readings.
- Changes in acceleration, engine performance, gas mileage, fluid levels.
- Worn tires, belts, hoses.
- Problems in handling, braking, steering, vibrations.
- Note when the problem occurs.

Professionally run repair establishments have always recognized the importance of communications in automotive repairs.

APPLES CAN HELP CLEAN DOGS TEETH

Submitted By
 Patsy Nelson
 from The Wagging Tail

While researching dog foods that are suitable for diabetic dogs, I discovered that most of the brands we sell would be appropriate. I had a cat that lived with diabetes from the age of thirteen to nineteen, and a diabetic poodle, and I fed them what my other pets were eating and they did just fine.

I also discovered that apples are a good treat for any dog. The skin of an apple can act as a natural toothbrush to remove plaque and tartar. The sweetness of the apple also helps with bad breath. The apples can be sliced or cubed, leaving the skin on but discarding the core. If the dog won't just eat the apple pieces, mix in the food. My dogs are not big on fruits or vegetables like some dogs I hear about. Yesterday, to my surprise, I dropped a piece of asparagus (cooked al dente) and to my surprise my 14-year old shih tzu, who was sitting nearby, gobbled it up!

Apples are rich in antioxidants which fight free radicals. Free radicals are molecules or atoms missing an electron. They attack and take electrons from cell membranes, proteins and DNA. Pets with chronic allergies and skin disease have a much higher level of free radical formation. Free Radicals increase aging and inflammation. That is why it is so important to feed a really good quality food. We have a surrendered cat in a shelter who has a definite skin issue. However, he is untouchable (He came that way with other members of his family, some that also cannot be easily touched). We just manage the monthly flea treatments. We feed all the cats the Fromm Family Cat Food. He is the only one with such a skin problem. I am now thinking about increasing his intake of Antioxidants and see what happens. I am going to add fish oil and Vitamin E (Our Ultra Oil has both) to supplement his diet. I will let you know how he improves, and we have samples if you want to try it.

There are excellent sources of antioxidants that include astaxanthin, oringa, and Alphalipoid Acid (ALA). Also, besides apples, foods rich in antioxidants for people and pets are beans, berries, prunes, pecans, cooked Russet Potatoes, cabbage, broccoli and Barley Greens.

Thanks for helping to keep a small business in business. We really need your help during the winter months, and to buy more than food, as we cannot survive on the low margin of food. Also, keep in mind that on most items we are cheaper than Chewy.com, which is owned by PetSmart! We are also having a 50% Off sale on many overstocked items. Come in and see what you can save!

THANKS FOR HELPING TO KEEP A SMALL BUSINESS IN BUSINESS

Jersey Cape's Pet of the Week

SASHA

Sasha is a loving and playful 5 year old mixbreed pup. She lived with kids and is happy to meet new people, but she is not comfortable with other animals living in the household. Sasha is calm and well-mannered in the house. She is housetrained and enjoys riding in the car. Sasha loves to play with tennis balls in the yard. Although Sasha needs to be the only pet in the house, she walks past other dogs without a fuss.
