JAMES L. SAAD, JR. LIC. #171; RICHARD J. SAAD, LIC. #324

Free electronic hearing test will be given at the Cape May County Hearing Aid Dispensary, 204 S. Main Street, Cape May Court House from Monday, March 4th through Friday, March 8th. Please call for an appointment. Anyone who has trouble hearing or understanding speech or words clearly is welcomed to have a test using the most modern electronic equipment to determine if their hearing loss is one which may be helped.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people not wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out whether the modern methods of hearing correction can help them hear better. The Free Hearing Tests will be given by factory-trained Hearing Aid Specialists licensed by the State of New Jersey from Monday, March 4th through Friday, March 8th.

# HOROSCOPE

FEBRUARY 27 - MARCH 5, 2019

## ARIES (Mar. 21 - April 20)

Try to have patience and refrain from being judgmental. You can make financial gains through investments and dealing with other people's money. Romance can surface if you get into some of those fitness programs you've been putting off. Opportunities to meet new lovers will come through pleasure trips or social events.

## TAURUS (Apr. 21 - May 21)

Look closely at motives and honesty in your personal encounters. Take some time out. Stick to your own projects and by the end of the day you'll shine. Your obviously unique way of doing things has caught the eye of someone in a higher position.

## GEMINI (May 22 - June 21)

You might find that delays will cause setbacks and upset. Small business ventures can earn you extra cash. You can gain distinction; however, it may be for the wrong reasons. Things at home may be somewhat rocky.

## CANCER (June 22 - July 22)

Social activities that involve the whole family will be enjoyable. You will drive your emotional partner crazy this week. Get involved in activities that will be fun for the whole family. You could be tempted to overspend on unnecessary items.

## LEO (July 23 - Aug 22)

Outdoor sports events should entice you. Your childlike quality may get you into big trouble this week if you neglect your responsibilities. You are best not to retaliate if members of your household are trying to pick a fight. If they don't want to get involved, work by yourself.

## VIRGO (Aug. 23 - Sept. 23)

Your ability to put a deal together will surprise others. Focus on your domestic scene. Get together with friends or relatives. You can write beautiful love letters this week. Do not be surprised if your partner doesn't understand your needs.

## LIBRA (Sept. 24 - Oct. 23)

Major moves will be emotional and not necessarily to your benefit. If you are not already, think about going into business for yourself. Don't gamble unless you can afford to lose. Difficulties with female members of your family may result in estrangements.

## SCORPIO (Oct. 24 - Nov. 22)

Social activities or travel should be in your plans. Personal problems may be hanging over your head but don't confront the situation. Get back into a routine that promises a better looking, more aware individual. You can gain valuable cultural knowledge through dealing with foreigners.

## SAGITTARIUS (Nov. 23 - Dec. 21)

Don't hesitate to take short trips. Move into a leadership position if you are determined to do so. You may have a problem with someone you live with if you don't include them in your gathering. You will meet a person who may turn out to be more than just a friend.

## CAPRICORN (Dec 22 - Jan. 20)

Tempers could boil if someone you work with has not been pulling their weight. Emotional upset may prevail on the domestic scene if you have neglected your duties or your mate. The experience will be good. Romantic encounters are evident through travel or educational pursuits.

## AQUARIUS (Jan. 21 - Feb. 19)

If you can work at home, do so. You should put your efforts into creative projects. You can buy or sell if you're so inclined. Things have been moving so quickly that you need to do something physical to release your tension.

## PISCES (Feb. 20 - Mar. 20)

Opportunities to make advancements through good business sense are evident. Get friends to help you with the preparations. You can make excellent investments if you are in the right place at the right time. Your changing philosophies may lead you into new circles and open doors that will give you a unique outlook on life.

**SAVE \$\$\$ ON DENTAL CLEANINGS: GIVE A DOG A BONE**

Submitted By  
**Patsy Nelson**  
 from The Wagging Tail

Want to keep your active chewer entertained and at the same time clean the dog's teeth? Our raw frozen bones are hormone and antibiotic free, unlike the ones you might pick up at the supermarket. They are also prepared for dogs to enjoy, not for your winter soup. They are tested regularly for bacteria such as salmonella and enterobacteriaceae. We sell various sizes to suit the size of your pet. They are full of nutrients, containing glucosamine, calcium and phosphorus, and they are rich in omega 3 fats as well. You will see improved joint health, healthier skin, firmer stools, and cleaner teeth. Give a new one at least every week. For best results, two to three a week is recommended. Since they are raw bones, there are important guidelines. Don't feed within proximity of dogs who will fight over the bones as raw bones may bring out the "wild side," and don't refreeze them. It is okay to let them hang around after all the "good stuff" is gone. Our nine pound maltese will find an old bone, devoid of meat and marrow in her toy box, and still enjoy gnawing on it.

Some experts suggest that bones are safest if they are fed raw and are age appropriate. Giving a dog a bone that is too big or too hard may lead to costly dental fractures. Don't fret if you find bone fragments in any canned food or from the bone your dog is chewing. The stomach acids will dissolve the pieces and aid complete dissolution and digestion. Raw bones have more moisture and are softer than cooked bones. Once a bone is cooked it becomes brittle and can easily splinter and be difficult to digest. That is a question often asked by customers when reviewing both raw and smoked bones in The Wagging Tail.

Some companies that we deal with that sell frozen animal parts, provide suggestions as to what body parts are right for the age of your dog. Whole duck wings, whole chicken wings, duck necks and turkey necks are recommended for pups over ten weeks of age. Meaty chews and chunks are particularly suitable for puppies as they are softer, yet still provide good chewing experience, especially for those still teething. For dogs six months and older, whole bone lam necks are a good choice. Ten months and older, whole, tough lamb rib bones, marrowbones, beef knuckle bones and whole, tough beef rib bones are a good choice. Lamb or goat bones are not too big and are great as well for keeping teeth clean.

Like most toys and chews, raw bones should be fed with supervision; use your discretion knowing your dog. Never cut or saw the bones. Never feed around small children. Never feed cooked bones of any kind. If you want to store a partially chewed on raw bone, rinse under cold water and store in a plastic bag in the refrigerator. If you use raw meaty chunk or chicken wings, etc., dispose of any uneaten material within 24 hours of post defrost. Chews denoted with an \* are offal meats and should always be fed in moderation to reduce the possibility of diarrhea and an excess of vitamins. They should only be offered once or twice a week.

Let your dog enjoy the best chewing and teeth-cleaning experience possible. Give your dog a frozen bone.
