# HOROSCOPE

MARCH 7 - MARCH 13, 2018

## ARIES • (Mar. 21 - April 20)

Don't push your opinions on others this week or you may find yourself in the doghouse. If you can put some work into home improvements, you should. Concentrate on yourself or your work. Realize that you don't have to do everything yourself.

## TAURUS • (Apr. 21 - May 21)

Your depressed mood has been hard to shake. Partnerships may be strained if one of you has been erratic and hard to deal with. Your ideas may be a little ahead of their time; don't push them, instead just continue working on development. Your boss may not be in the best of moods this week.

## GEMINI • (May 22 - June 21)

You will communicate with ease this week. Ask others to help, or you may feel that a burden is weighing you down. Be careful not to get involved in other people's personal affairs. Promotions will be yours if you have acted professionally in times of crisis.

## CANCER • (June 22 - July 22)

Children may be less than honest with you. Ease the anguish by offering assistance. In return, the satisfaction you get is enough for you. You will be overly sensitive this week.

## LEO • (July 23 - Aug 22)

Don't be too quick to blame others for your bad mood. Travel could turn out to be more exciting than you imagined. You may be uncertain about some of your coworkers and your boss. Listening can be more valuable than being a chatterbox.

## VIRGO • (Aug. 23 - Sept. 23)

You may as well work on projects that will allow you to make progress. Be prepared to deal with groups and organizations of greater magnitude. You might find that delays will cause setbacks and upset. Your greatest gains will come through your creative ideas.

## LIBRA • (Sept. 24 - Oct. 23)

You will communicate easily and should be able to accomplish all that you set out to do. Those you work with may have little consideration for the underdog. Communications with loved ones may be strained. Health problems may prevail if you haven't been getting enough rest.

## SCORPIO • (Oct. 24 - Nov. 22)

Real estate investments will be profitable. Do your own thing and everything will settle down. Ideas may sound good, but be careful if people are just looking for handouts. Minor fevers or infections will develop if you're over-stressed.

## SAGITTARIUS • (Nov. 23 - Dec. 21)

Think twice before you agree to take on any new projects. Don't let domestic problems interfere with your objectives. Stand up and propose your ideas, and you'll be surprised how many people will follow you. Don't hesitate to take short trips.

## CAPRICORN • (Dec 22 - Jan. 20)

You're intuitive this week; however, this attribute could get you in trouble if you tactlessly say what you think. Visit friends or relatives who have been confirmed. Unpleasant situations concerning family members will be unnerving. This will not be the day to have minor surgery.

## AQUARIUS • (Jan. 21 - Feb. 19)

You will learn a great deal about yourself if you go somewhere secluded. Make changes regarding your friendships. Unique forms of entertainment could capture your attention and bring about a romantic interest. Lay your cards on the table regarding your personal direction.

## PISCES • (Feb. 20 - Mar. 20)

You need a job with more responsibility and a higher wage. If you can work at home, do so. Courses dealing with psychology or health care will be of interest. Favors will be offered readily.

**CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE**

**VENISON GRINDER**

**INGREDIENTS:**

- 2 lb Chipped Venison
- 1/2 White Onion (Juliened)
- 1 cup Baby Bella Mushrooms (Sliced)
- 2 Cherry Peppers (Sliced)
- 1/4 lb Cooper Sharp Cheese
- 1-1/2 Tbsp Clarified Butter
- 1/2 tsp. Worcestershire Sauce
- 1 TBS. Light Soy Sauce
- 1 TBS. Brown Sugar
- Fresh Cracked Black Pepper to Taste
- 1 Sourdough Baguette

**PREPARATION:**

Heat 1 Tbsp of butter over medium high heat. When the butter is hot, add in onions and stir til they start to brown evenly. Stir in mushrooms and allow to cook down. Add Worcestershire sauce, soy sauce, cherry pepper, sugar and pepper. Cook for one minute and remove from heat. In a separate pan or on a griddle, sauté the chip steak in remaining butter until cooked. Stir in mushroom onion mix and remove from heat. Cut baguette 3/4 of the way through lengthwise. Remove some of the inside bread. Fill baguette with meat mix. Cover top neatly with cheese. Broil in the middle of oven, cheese side up, until nicely melted. Serve with French fries or chips. It's time to start emptying out the Venison in the freezer & making room for seafood. Enjoy!

## A Wake Up Call

Submitted By  
Patsy Nelson

Wednesday, the 21st of February, promised to be a normal day of errands, work and later dog obedience class. But that is not how it turned out. In retrospect, a scenario which usually is never constructive, I think if only I had left the store when I should have, events would not have transpired as they did.

I got into my car, buckled up and proceeded North on Route 9. As I passed the dance studio, my attention was drawn to the presence of a police officer on the side street where the towing of car was in process. Just as I turned my head back to Route 9, I slammed into something red. I might have blacked out for a moment because I was unaware of the deployment of my air bags. I then noticed smoke emanating from the engine, the hood was folded up and I feared that my car might explode in flames.

Immediately my driver's door opened and a kind young man started talking to me. He was the man towing the car and he had been an EMT. He asked me questions to check my state of mind and my injuries. I was crying about my knees in particular, as they impacted against the lower part of the dashboard and I could feel them swelling. There was a lot going on.

A female officer opened the passenger side of the car, asking for a statement of what happened. There were firemen, police talking on the side of the road to the passengers of the stopped red car I hit, a rescue squad vehicle and neighbors who heard the crash and came out to watch. I was taken to the hospital via the rescue squad.

Unfortunately, it was a week later, at Pace Orthopedics, that I found out, after he examined the hospital's ex rays, that I had a fracture in my right knee. He put on a brace with dials and metal sides on my right leg, ordered MRIs for both knees and an ex ray of my left thumb. I kept saying to my husband that something was not right and I did borrow a walker from a friend's mother-in-law the day after the accident and got other things to help me manage my troubled knees.

I have been confined for the last two weeks, to the lower floor of our house. It has been a challenge to keep up with The Wagging Tail and book work without my office. All this just when I was making some positive changes in the store; still fighting for survival.

I am extremely grateful, when I am not frustrated, that I was not hurt worse than I was and that I did not badly injure the people in the red car. I am also grateful that I did not have any of my dogs in the car. I have doggy beds in my car but with winter jackets on, I had begun to be less conscientious about putting on harnesses and snapping them in. I am certain, that had one of them been in the back seat, and had not been hooked up, not only would the dog have been a projectile that could have injured me further, but could have hit the front head rest or the front window and potentially been killed.

We all tend to think these kind of accidents could not happen to us. I am proof that it can and I implore you to not only pay strict attention to your driving, but secure yourself, your children and your pets on every trip you take in your car. Just like mine, any normal life can change in a second.
