ARIES • (Mar. 21 - April 20)

Don't reveal any personal details. Your stability will aid you in getting support from your fellow workers. Get thinking about prolonging longevity. Concentrate on your job.

TAURUS • (Apr. 21 - May 21)

You will take on too much if you aren't careful. Stick to basics. Go on business trips if at all possible. You must be careful not to reveal secrets or get involved in gossip. Trips should be your choice.

GEMINI • (May 22 - June 21)

The advice you get this week may be based on false information. Secret enemies may be holding a grudge that you're not even aware of. You can put in some overtime and make extra cash. Your high energy will enable you to take the role of leader in group functions.

CANCER • (June 22 - July 22)

Your time, not your cash, will do a lot more for your relationship. You haven't been totally honest with yourself and it's time to review your motives. Don't overspend to impress others. Your positive attitude and intellectual outlook will draw others to you.

LEO • (July 23 - Aug 22)

You can get ahead if you are willing to take a partner. Entertain those who can provide you with valuable information and knowledge. Your best gains will come through helping others emotionally. You may be overly emotional when dealing with your mate.

VIRGO • (Aug. 23 - Sept. 23)

Later in the week your boss will pat you on the back for a job well done. Be careful not to show your temper when dealing with the boss. You could pick up valuable knowledge through conversations with experienced individuals. Your greatest gains will come through your creative ideas.

LIBRA • (Sept. 24 - Oct. 23)

You will accomplish the most through or. Develop some of your good ideas. Those who have been too demanding should be put in their place or out to pasture. Catch up on your correspondence and reading.

SCORPIO • (Oct. 24 - Nov. 22)

This is a great day for a trip. Curb any jealous fits if your partner has been flirting with someone else. Don't jump too quickly if someone tries to make you join in on their crusade. You'll feel much better when your slate is clean again.

SAGITTARIUS • (Nov. 23 - Dec. 21)

You will want to take off and have some recreation. Someone you least expect may not have your best interests at heart. Don't expect anyone else to pay your bills for you. You'll find love and you'll get into tiptop shape at the same time.

CAPRICORN • (Dec 22 - Jan. 20)

Electrical problems may be an issue. It's time to let loose. Take a look at yourself and prepare to make those changes you've been contemplating. You may not be happy if members of your family are not pulling their weight.

AQUARIUS • (Jan. 21 - Feb. 19)

Opportunities will develop through those you encounter while attending organizational events. Don't push your mate if you want to keep this union going. Don't press your luck with your loved ones. Take the whole family and make it an enjoyable outing.

PISCES • (Feb. 20 - Mar. 20)

Social activity with friends and relatives will be most successful. Risky financial ventures will result in unrecoverable losses. Home improvement projects will run smoothly. Controversial subjects should be avoided at all costs.

JerseyCape 3 Ways to Celebrate Mom on Mother's Day
MAGAZINE

Americans are expected to spend more than \$23.6 billion celebrating Mother's Day this year. The average American is expected to spend \$186, according to the National Retail Federation.

So clearly, we are remembering our mothers. Yet, each year I am faced with the same question: What should I get my mom for Mother's Day? How do I show my love? Sometimes, to be quite honest, I get stuck. So this year I reflect: What do I want for Mother's Day? What makes me feel special?

If you're stuck, too, here are three things many moms would love:

- 1. Relieve her of her duties.**
I'm a wife, mother of two, human puppy mama, daughter, granddaughter, friend, and teacher. Like all mothers, I'm busy. Busy transporting kids, cleaning messes, giving advice, lending a hand, working a job, doing laundry, and attending meetings and events. Nothing says, "I love you," like walking into the house and finding my family has already cleaned it. I love when my son or daughter does chores without being asked. This Mother's Day, relieve mom of her usual to-do's by making it your responsibility. Plan the meal. Do the laundry. Help her catch up on something for work. Then mom can relax and enjoy some free time.
- 2. Reassure her with your words.**
In fourth grade, my son wrote a poem.
*Mama's eyes are so bright and blue they are almost blinding.
Her hugs are so warm they can light a fire.
Her kisses are so soft and warm I think it's the sun.
Mama's cooking is so delicious that I think I'm in food heaven.*
I used to wonder why my mother said something homemade meant more than something bought, but now I understand. Hearing how my family feels about me is the best present. Show your mom you love her with your words this Mother's Day.
- 3. Remember something she loves.**
Whether it's a special piece of jewelry she's had her eye on or her favorite snacks, a thoughtful gift reminds your mom of how well you know her and that you're thinking of her. What does your mom love? Be creative.
One year for Mother's Day, my husband surprised me with framed pictures of me and my son. The pictures were taken during a day together in the mountains. My husband knew I would love looking at those pictures and remembering an awesome day. Honor your mom by remembering what she loves on Mother's Day.

Make this Mother's Day special for your mom by thinking about the three Rs — giving her some RELIEF and REASSURANCE, and showing her you REMEMBERED.

THE BENEFITS OF A RAW DIET

Submitted By
Patsy Nelson

There are more and more companies formulating raw frozen diets for dogs and cats. The two that we sell, and I feed to my pets, are Stella & Chewy's and Primal... although we do special order other brands such as Bravo. Along with Stewart's, we sell the compatible freeze-dried raw for those who find it easier to store or with which to travel.

I give my dogs raw with some Freshpet in the morning. In the evening, they get a holistic kibble with freeze-dried raw and usually some Evanger's canned or Merrick petite plates. That gives them a nice variety. Many customers have said, almost guiltily, that they give their dogs some scraps of table food or canned food with their kibble.

According to the Whole Dog Journal, literally the Bible on dog food, it is healthier to feed either raw or canned, because they retain all their nutrients, whereas even the best dry foods lose a certain amount in the processing of the food. Plus it is good to give your pets a variety of protein sources.

The idea for raw food originated with a veterinarian who believed that adult dogs would thrive better with a diet which replicated the one their ancestors ate in the wild, specifically raw meat, bones and vegetable scraps. Raw foods contain all of these ingredients.

There has also been an apparent correlation between diseases in pets and the commercial food being fed to them. It has been noted that the selenium in grass-fed beef benefits issues such as allergies, arthritis and heart disease. Mushrooms support anti-cancer and anti-viral efforts. Other benefits of a raw diet are:

- Healthier skin and the elimination of itchy skin conditions
- Increased energy and a stronger immune system
- Shinier fur with less shedding
- Healthier teeth, gums and better breathe
- Healthy digestion and smaller, firmer stools
- Firmer muscle tone with increased strength and mobility
- Better weight management

Sounds promising, doesn't it? Do your own research and you may become a raw diet advocate!
