HOROSCOPE

MAY 16 - MAY 22, 2018

ARIES • (Mar. 21 - April 20)

Express your interest if you want the relationship to progress. Be aggressive and colorful, and you will get your way. You have been stagnating for some time now and you need a change of pace. You won't be admired at home if you haven't been taking care of your share of the work.

TAURUS • (Apr. 21 - May 21)

Minor accidents could cause trauma and major setbacks. Don't spend too much in order to impress others. You just hate waste, and when someone else costs you dearly you see red. Don't take your frustrations out on the ones you love.

GEMINI • (May 22 - June 21)

You need an energetic outlet that will help you dissipate your anxiety. Don't let your emotional upset interfere with your professional objectives. Opportunities to get together with friends will be enlightening and entertaining. You may have difficulties with in-laws or family members.

CANCER • (June 22 - July 22)

Career changes may not be your choice right now, but in the long run they will be to your advantage. Your magnetic, outgoing personality will capture hearts. Emotional partnerships may develop through projects you initiate. Romance will develop through work related activities.

LEO • (July 23 - Aug 22)

Use your charm, but don't be phony. Make changes regarding your status in society. You can enhance your reputation by making contributions to worthwhile causes. Avoid lending or borrowing.

VIRGO • (Aug. 23 - Sept. 23)

Stick to doing things that will make you a better person both physically and mentally. You can learn valuable information if you listen and observe what others are doing and saying. Arguments will flare up if you get backed into an emotional corner. You may find that you're being used.

LIBRA • (Sept. 24 - Oct. 23)

You can make wonderful contributions to any organization that you join. It's time to consider putting money into long-term investments. Your dedication and fortitude when dealing with humanitarian groups will enhance your reputation. You will find that you can work progressively at improving yourself this week.

SCORPIO • (Oct. 24 - Nov. 22)

Relatives may not be telling you the whole truth about a family situation. Don't be too quick to sign documents. You don't want to give anyone fuel for the fire. Groups and organizations that indulge in social events to raise money will be conducive to meeting new and exciting lovers.

SAGITTARIUS • (Nov. 23 - Dec. 21)

You should be able to make major career gains if you plan your intentions carefully. Someone may be trying to take advantage of you. Involvement in financial schemes will be followed by losses. Put your energy into self-improvement programs that promise to make you into a better you.

CAPRICORN • (Dec 22 - Jan. 20)

Travel and entertaining conversation will be informative and uplifting. Now is a good time to ask for favors. Don't make large purchases unless you have discussed your choices with your mate. Don't say something you'll live to regret.

AQUARIUS • (Jan. 21 - Feb. 19)

This could be a difficult day to deal with coworkers. Don't get involved in joint ventures. Rather than making a scene, communicate quietly about the way you feel. You will be viewed as a sensitive, compassionate individual and others will ask you for advice.

PISCES • (Feb. 20 - Mar. 20)

Knowledge can be acquired if you listen. Your changing attitudes may be causing concern for your partner. Finish projects that have been hanging over your head. You will meet potential new mates through business.

CAPE MAY EVENTS

Attracting Butterflies & Hummingbirds to your Garden ~ Saturday, May 19th

Learn to attract butterflies and hummingbirds to your garden at New Jersey Audubon Nature Center of Cape May located at 1600 Delaware Avenue in Cape May. The West Cape May Environmental and Shade Tree Commissions have joined together to sponsor this program to allow West Cape May residents to attend for free.

Learn what plants to add to your garden to create an oasis for butterflies and hummingbirds. Find out the blooming times of each plant in order to orchestrate a garden of continuing blossoms throughout the spring, summer and fall attracting a host of visitors.

Great Blue Lobelia (*Lobelia siphilitica*) is a perennial that grows 2 to 3 feet in height, it produces lavender-blue, tubular flowers,

in July through October attracting butterflies and hummingbirds. Butterfly Milkweed (*Asclepias tuberosa*) is another nectar-rich perennial that grows in clumps up to 1 to 3 feet tall and features clusters of bright orange to yellow-orange flowers. Its blooms are attractive to both butterflies and hummingbirds, and like all milkweeds, it serves as a host plant for butterfly species including the monarch. It is also drought tolerant.

This program is open to the public at a fee of \$10 for Nature Center Members and \$12 for non-members. Preregistration is required. Please call New Jersey Audubon Nature Center of Cape May at 609-427-3045 to register. Proof of West Cape May home ownership is required to attend for free.

Is Your Car Road Trip Ready?
Don't Forget Pre-Trip Car Care Before You Begin Your Journey
Before you hit the road this summer, make sure your vehicle is road trip ready so you can have any problems fixed before you go. A pre-trip vehicle checkup will help avoid the inconvenience, potential safety hazards and unplanned expense of breaking down miles away from home, says the non-profit Car Care Council.

- Check filters and fluids, including engine oil, antifreeze/coolant, windshield washer and power steering, brake and transmission fluids.
- Check the hoses and belts and replace if they become cracked, brittle, frayed, loose or show signs of excessive wear. These are critical to the proper functioning.
- Check the brake system.
- Make sure the battery connection is clean, tight and corrosion-free.
- Check the tires, including tire pressure, tread, bulges or baldspots. Underinflated tires reduce fuel economy and uneven wear indicates a need for wheel alignment.
- Check the engine to make sure it is delivering the best balance of power and fuel economy and produces the lowest level of emissions.
- Check that the gas cap is not damaged, loose or missing.

"If you're planning a summer road trip, remember that it's not as simple as just putting gas in the car and driving off," said Rich White, executive director, Car Care Council. "Performing a thorough inspection of your vehicle before you leave will give you peace of mind and help make your road adventure safer and more fun."

KEEP YOUR PET SAFE AND COOL

Submitted By
Patsy Nelson

Everything you need to keep your furry best friend safe and cool this summer can be found at The Wagging Tail, located at 337 Route 9 in Erma. Cooling vests, cooling bandanas, cooling mats, special cooling bowls, freezable chew toys and life jackets are in stock for the upcoming summer season.

Flea season starts in May and continues until the winter. This is the time of year to be especially vigilant about fleas and ticks. The Wagging Tail sells flea repellent beds, cots and wearing apparel. In addition, they have the most comprehensive selection of flea and tick products for your pet, home and yard.

It is very important to protect your dog's skin from the sun, especially those with light skin and white fur or hair. The Wagging Tail offers pet sunscreen and sun-screened tees. For baseball fans, there are Phillies dog shirts, leashes and collars - all priced just right. Not to mention the most varied selection of harnesses, for fashion, travel safety and/or control - anywhere.

Longer days and warmer weather inspires us to get outside with our pets to soak up some sun and exercise. Grooming is not just about looking good... It is also pertinent to monitor any condition regarding your pet's skin, ears and nails so small problems can be solved before they become big ones. You will love The Wagging Tail's grooming prices and expertise to give your pet that cool summer spruce-up.

The Wagging Tail makes it easy to keep it fun by providing the best selection of toys and treats in all of South Jersey and beyond. Make shopping for your pet the best experience ever. Friendly dogs welcome!
