HOROSCOPE

JULY 8, 2017 - JULY 14, 2017

ARIES • (Mar. 21 - April 20)
You need to take a break with the ones you love. Residential moves are evident. Travel will be in your best interest. Concern yourself with legal matters and formulating contracts rather than finalizing your objectives.

TAURUS • (Apr. 21- May 21)
You may find that your mate is well aware of the circumstances. Your persuasive nature will win the heart of someone you've had your eye on. You'll find you're detail oriented this week. You will learn a great deal about yourself if you go somewhere secluded.

GEMINI • (May 22 - June 21)
You are best to tuck your money away where no one will be able to touch it, including yourself. Older family members may try to put unreasonable demands on you. Make plans to do the things you enjoy. You can deal with large institutions or government agencies successfully this week.

CANCER • (June 22 - July 22)
You will meet new romantic partners if you get involved in seminars or travel. You may not get your facts correct this week; double-check before making any statements. Jealous attitudes may lead you astray. Pleasure trips will ease the tension between you and your mate.

LEO • (July 23 - Aug 22)
Your changing attitudes may be causing concern for your partner. You should be able to tie up loose ends this week. You can mesmerize anyone you meet with your cultured attitude and outlook. Rely on yourself and you will look good to superiors.

VIRGO • (Aug. 23 - Sept. 23)
You need to concentrate on solving existing problems. Changes to your self image will be to your benefit as long as you don't over pay. You will have a problem sorting out your true feelings when it comes to your relationship. Be prepared to take advantage of your good fortune.

LIBRA • (Sept. 24 - Oct. 23)
This will not be the time to give too much to your children. Remember, talk to them, not at them. Outings with relatives or good friends will provide you with stimulating conversation. Do not make rash decisions about your personal life.

SCORPIO • (Oct. 24 - Nov. 22)
Changes involving your domestic scene may be unpleasant. You can ferret out secret information if you just listen to what others have to say. Club memberships or donations could be expensive and prove unnecessary. Don't be shy to promote your own interests.

SAGITTARIUS • (Nov. 23 - Dec. 21)
If you join intellectual or cultural groups, you should meet individuals who stimulate you. Depression may result if you don't get to do things your own way. You can find out important information if you listen to friends and relatives. Don't let others restrict you from saying how you feel about family issues.

CAPRICORN • (Dec 22 - Jan. 20)
Get involved in activities that will bring you knowledge about foreign land, philosophies, or cultures. You should be on the road. You may need a good friend to lean on. Your mate is going to want and need some attention.

AQUARIUS • (Jan. 21 - Feb. 19)
Find a quiet spot where you can work diligently and stay out of the way. Pleasure trips will be favorable and bring about possible romance. Social events will be rewarding. Don't spend more than is necessary on travel or friends.

PISCES • (Feb. 20 - Mar. 20)
Travel will be enjoyable but could be expensive. You will be able to communicate well this week. Do your best, but don't make too many promises or you may exhaust yourself. You need to clear up some important personal documents before the end of the year.

WHAT It is truly a local favorite. Located in a quaint bayside town, it is well known and easy to find. They have soft serve and hand-dipped ice creams. Milkshakes, blizzards, frozen bananas, water ice and sundaes. The prices are great and their portions are generous.

WHY Milky Way Ice Cream and Mini Golf has a true nostalgic feel of the neighborhood ice cream hang out. It's a perfect stop for the family on a hot summer evening for handmade ice cream treats followed by a game of putt-putt.

July is National Ice Cream Month

*Submitted by "Joe" from
Milky Way Ice Cream and Mini Golf*

I scream, you scream, we all scream for ice cream!" Shout it from the rooftops, because July is National Ice Cream Month. What a perfect time to cool off at the Jersey Cape with a scoop of your favorite flavor or try what other crazy flavors that exist out there. Joint Resolution 298 originally introduced national Ice Cream Month and National Ice Cream Day on May 17th, 1984. Kentucky Senator Walter Dee Huddleston sponsored the resolution. The original Presidential Proclamation issued by President Ronald Reagan stated, "Ice cream is a nutritious and wholesome food, enjoyed by over ninety percent of the people in the United States."

Like with most food treats, the exact origin of ice cream is unknown. What is known, however, is that the origin of ice cream likely dates back a long time ago. For example, Nero of Rome was said to have enjoyed harvesting ice or snow, then flavoring it with honey or other flavorings. Alexander the Great supposedly enjoyed icy drinks that had flavoring such as honey or nectar. The first instance of ice cream being in the United States was in a letter in 1744 (the author of the letter was a guest of Governor William Bladen.). Early presidents also had a liking towards ice cream. In the summer of 1790, George Washington spent approximately \$200 for ice cream (keep in mind that back then \$200 was a fairly good sum of money). Thomas Jefferson actually made his own recipe of ice cream too! Dolly Madison, wife of President James Madison, served ice cream at the second inaugural ball. For a while, ice cream was only an occasional special treat, mainly for the rich. In 1843, Nancy Johnson patented the hand crank ice cream maker. About 8 years later, in 1851, Jacob Fussell built the first ice cream factory. The invention of mechanical refrigeration helped keep large amounts of ice cream cool. Improvements and new inventions in technology helped ice cream spread towards the public.

Some Ice Cream Fun Facts are: Vanilla is the most popular flavor of ice cream. The ice cream soda was invented in 1874. California produces the most ice cream in the United States. Approximately nine percent of milk produced in the United States is used for making ice cream. More ice cream is consumed in Long Beach, California than any other city in the United States.

Maybe you were already celebrating National Ice Cream Month, but are you celebrating your favorite flavor day? July 7th National Chocolate Ice Cream Day - July 15th National Strawberry Ice Cream Day - July 17th National Peach Ice Cream Day - July 20th National Ice Cream Day - July 23rd National Vanilla Ice Cream Day - July 25th National Hot Fudge Sundae Day.

Now that summer has officially begun at the Jersey Cape, plenty of nights will be ending with trips out for ice cream!

Located in Villas and established in 1965, Milky Way Ice Cream and Mini Golf is the oldest custard stand in the Jersey Cape serving soft-serve and real hand-dipped ice cream, milkshakes, Italian Water Ice and Sundaes.

GOOD SKIN AND COAT

Submitted By Patsy Nelson

Customers come into The Wagging Tail and remark about how soft and luxurious the fur is on our cats and my dogs (when I bring them in). Diet and grooming are the primary factors in maintaining superior skin and coat health.

You might remember me recounting the story of a couple who came in complaining about how much their dog smelled no matter how many baths he was given. It was so bad, even the smell left on the dog's bedding and the carpets, that they considered getting rid of the dog. Our first question is always, "What are you feeding your dog?" As I had expected it was a poor-quality food, in this case, Pedigree. They switched to a better food, absent of corn, soy, wheat, by-products, artificial colors, etc. When they came in for their second large bag, they informed me that not only did their dog not smell any more, but their other dog (which they had not mentioned) had significantly started to regain hair on its legs where it had apparently been losing it.

Unfortunately, there are some causes of itchy, irritated skin, which can be attributed to the heat in our houses in the winter and pollen or grass allergies in the spring and summer. If a dog is excessively licking or scratching, it can develop hot spots. Hot spots look like moist inflamed areas and happen when the dog breaks the top layer of the dermis and bacteria gets in. The Wagging Tail has many excellent products for the treatment of hot spots, but eliminating the cause is our real goal.

Your dog's skin and coat is the first indicator of health-related problems, whether from food or an environmental occurrence. Keeping a dog clean with a proper PH balanced pet shampoo, free of sulfates, paraben and preservatives, for example, which can be extremely drying and/or unhealthy, is very important as it allows for more air flow and helps to discourage pests, like fleas.

Some popular ingredients that consumers are seeking in pet shampoo may include: active charcoal, argan, jojoba and coconut oil. The fewer and purer the ingredients, the better. Just as I have mentioned in combating fleas on three fronts (the pet, the house and the yard) taking care of your pet's coat necessitates working on the inside (with proper food and supplements rich in omegas 3, 6 and 9, as well as Hempseed oil) and on the outside with beneficial bathing and grooming.

WILDWOOD EVENTS

Sand Sculpting Festival ~ Saturday, July 8th

Families, friends and kids of all ages who love playing in the sand should start making plans to attend the fifth annual Wildwood Crest Sand Sculpting Contest on Saturday, July 8 from 9am until 2pm on the beach next to the Wildwood Crest Beach Pier at Heather Road.

Grab your buckets and shovels and get ready to create works of art. Making sand castles at the beach has been a fun summertime family activity since the first shell washed ashore, and now this great American pastime is being celebrated in the Wildwoods in a big way.

Fun activities will also be featured at this year's Sand Sculpting Festival including corn hole bean bag toss and other games, as well as live music throughout the day including The Mango Men, with their energized and 'sand castle-inspiring' summer themed party music.

The contest is being organized in conjunction with Can You Dig It Sand Tools and directed by internationally known sand sculptor Matt Long. Long is a regular competitor at master competitions, including the World Championships of Sand Sculpting, and is an original cast member of the former Travel Channel Show Sand

Masters. Long's career in sand sculpting began right here in South Jersey at amateur events like this one.

Sand Sculptures will be judged on creativity, execution, composition and overall presentation. Prizes and awards will be presented to the top three winners in each division. There will also be a People's Choice award for Best on the Beach, where the winner is voted by spectator ballot. To ensure a level playing field, the contest will have six separate divisions ranging from solo youth and youth groups to solo adult and adult teams.

Registration for the contest is FREE and will begin at 9am on Saturday, July 8.

During the days leading up to the event, Long will be carving one of his masterful castles at the site, providing an opportunity for those interested to stop by, ask questions and pick up some professional tricks and tips.

For additional information, call 609-523-0202 or visit www.VisitWildwoodCrest.com. For additional information about the Wildwoods, visit www.WildwoodsNJ.com or call 800-992-9732.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

Baked Crusted Flounder

Ingredients:

- 1-1/2lb Fresh Flounder
- 1/4 cup Rice Flour
- 1/4 cup Finely Ground Cornmeal
- 2 tsp Old Bay Seasoning
- 1 tsp Smoked paprika
- 1 tsp Celery salt
- 1 Pinch Cayenne Pepper
- 1 Tbsp Grated Parmesan Cheese
- 1 Tbsp Fresh Chopped Parsley
- 1/4 cup Milk
- 2 Eggs
- 1/4 tsp Worcestershire Sauce

Preparation:

Pre-heat oven to 425°. In a deep dish, mix all of the dry ingredients except cheese. In a bowl, mix the wet ingredients. Place fish in dry flour mixture. Remove the fish, shake off excess and place into wet egg mixture. Remove the fish from egg wash, drain off excess and place into flour mix again. Remove fish and shake off excess. Place fish on a baking sheet pan that has been sprayed with no stick. Sprinkle fish with cheese and baked for 8-10 minutes or until the fish flakes apart easily. Enjoy a healthier version of flounder. Flounder are abundant in South Jersey right now & fun to catch. Good fishing!
