HOROSCOPE

OCTOBER 6 - OCTOBER 12, 2022

ARIES (Mar 21-April 20)
Tempers could boil if someone you work with has not been pulling their weight. You must watch your tendency to spend whatever you make. You can help other people with their financial problems by setting up a budget for them. You must be careful not to trust just anyone.

TAURUS (Apr. 21- May 21)
You may want to make plans to take a vacation together. Organize your house and be sure to include the whole family in the projects you have set out to do. Try to bend but by no means should you give in completely. Your intuition will be right on. Follow your feelings in matters pertaining to financial investments.

GEMINI (May 22-June 21)
Look into alternatives that would better suit both your needs. Don't expect romantic encounters to be lasting. You will be able to talk to your lover about future goals and perhaps make plans for the two of you to take a vacation. Try to get out and socialize.

CANCER (June 22-July 22)
Efforts made to improve yourself will turn out to your satisfaction. Spend some quality time with the one you love. Your talents will shine at work. Look at your options before making commitments that could jeopardize your financial position. Don't let someone talk you into parting with your cash unless you can truly see the benefits of doing so.

LEO (July 23-Aug 22)
You will upset your partner if you have spent money on things that aren't necessary. You can make money through solid investment plans. Be cautious not to get involved in office chatter that will cause problems for others. Pleasure trips will bring you into contact with new and interesting people.

VIRGO (Aug. 23 -Sept. 23)
You need to put some trust in others. You need adventure and excitement in your life. You can accomplish a lot if you deal with other people's money or possessions this week. Erratic behavior at home may be hard to handle.

LIBRA (Sept. 24 -Oct. 23)
You can make the most headway if you put in some overtime. You can make new friends and get involved in new hobbies successfully. Problems with your boss could lead to unemployment. Your emotions are fluctuating, so be careful not to say things you'll regret.

SCORPIO (Oct. 24 - Nov. 22)
This is not the best day to visit relatives who get on your nerves. You are best to keep your money tied up in a safe and secure place. Take a second look; another person's philosophy may be extremely different from yours. Be aware that you might be at fault as well.

SAGITTARIUS (Nov. 23 -Dec. 21)
You need to take a break with the ones you love. Abrupt changes in your home may send you for a loop. Your ability to deal with others will help you in getting the support you need. Not everyone will be pleased with your plans.

CAPRICORN (Dec 22- Jan. 20)
Travel for business purposes may bring the highest returns. Travel for business will be advantageous. Your charm will be captivating. You may have ignored or neglected your mate lately.

AQUARIUS (Jan. 21 -Feb. 19)
Lending and borrowing may be a problem. Put your thoughts into action. Don't overspend to impress others. Lovers may prove unworthy of your affection.

PISCES (Feb. 20-Mar. 20)
Your ability to talk circles around your colleagues will help you forge ahead in the workforce. Your added discipline will help you complete the impossible at work. Don't make any unreasonable promises. You should be looking into making changes around the house.

International Beer and Pizza Day
On October 9th, International Beer and Pizza Day celebrates one of the world's best combinations of food and drink. It's also a day to remember the good things in life!! What are your favorite food and drink combinations? Is it milk and cookies?

Cheese and wine? Donuts and coffee? What about beer and pizza? This food and beverage definitely seem like they were made for each other. Many would agree that certain types of beer taste especially good with certain types of pizza.

INGREDIENTS:

- 2 Venison Tenderloins
- 1 Tbs Olive Oil
- 1 Tsp Fresh Chopped Rosemary
- Smoked Maldon Sea Salt to Taste
- Fresh Cracked Black Pepper to Taste

PREPARATION:

Preheat grill to medium high heat. Rub tenderloins with oil. Sprinkle tenderloins with Rosemary and press it to the meat. Season with salt and a liberal amount of pepper. Grill to medium rare. Remove from grill and allow to rest for 5 minutes. Slice, plate, and serve as-is, over a salad or with a nice sauce. Enjoy!

Hint:

Fall archery season is here! This is a simple and great camp-side, or back deck dish with minimal ingredients. Take advantage of the fall harvest.

OCTOBER IS CARE CARE MONTH

Each year, the Car Care Council designates one month in the spring (April) and one month in the fall (October) to call awareness to the importance of regular car care. Failure to perform regularly scheduled preventative maintenance can cause breakdowns and make your vehicle unsafe. According to the Car Care Council, this is an important time of year to stay ahead of the game and get your car serviced before the temperature drops. Based on our experience, we wholeheartedly agree!

Your vehicle's manufacturer provides a specific maintenance schedule. If you consistently bring in your vehicle for service at the recommended intervals (typically 5,000 miles for most types of cars and trucks), there should not be any surprises come winter-time. Here are a few specific maintenance items that are especially important to address during the fall.

- Antifreeze/Coolant - If you have not had your antifreeze/coolant flushed recently, right before the winter is a great time to have this done.
- Windshield Wipers - Obscured windshield visibility is a major contributor to winter accidents. If your wiper blades are old and worn, be sure to have them replaced and adjusted. Also, make sure your windshield washer fluid is filled and keep an extra bottle in your trunk if you anticipate the need to drive in the snow.
- Tires - Poor tire tread is especially dangerous when driving on snow and ice. Make sure to replace any tires that are at the end of their useful life and have your tires rotated and balanced as well.
- Battery - Dead car batteries are common during the winter and are one of the easiest ways to get stranded, waiting hours for a tow truck. If you have an old battery, strongly consider replacing it.
- Alignment - If your car is pulling to the left or right, there is a good chance you may need an alignment. Poor alignment is a much bigger issue when the roads are slippery because making more steering adjustments increases the risk of skidding.

We want your family to be safe this season as the holiday season draws closer and temperatures continue to drop.

OUR FIRST TRIP IN TWO YEARS HAD UNFORTUNATE CONSEQUENCES

Submitted By
Patsy Nelson
from The Wagging Tail

Bob and I were supposed to go on a cruise out of Bayonne, NJ last spring but we cancelled it due to fears of Covid, which I had luckily never contracted even with all the interactions with customers at The Wagging Tail. Bob loves to do the food shopping so I rarely venture into big stores. On September 12 we drove to Moosic, PA to attend an army reunion. This is something that Bob had started back in 1995. He contacted as many men as he could who had been stationed in the army with him in Germany in 1957-1958. Out of the original 37 attendees only eight are still living. Bob had chosen not to attend the last four reunions, which had for years been held in the city of the host veteran, like Niagara Falls, Boston, Bethlehem, Colorado Springs, Cape May, but was now only held at the same hotel on the outskirts of Scranton. It was time for us to see the remaining veterans and the spouses who had lost their husbands but still felt close to the reunion family. We went up a day early because we were planning to leave Thursday morning before the others left on Friday morning, as we were expecting out-of-town guests (a rarity for us) from Friday to Monday.

We came bearing what we had signed up for on the posted menu, some homemade cookies and cake and the paper goods and plastic ware. The hotel provides a hospitality room (unfortunately without a sink) where food is laid out amidst large round and long tables. Lots of eating, chatting, laughing, and then Wednesday night, Left-Right-Center where all that wanted to play were squeezed elbow to elbow. I won the fourth game, at which point I quit, quoting Kenny Roger's song with the lyrics "know when to walk away." I was worn out from the excessive help I felt it my duty to extend, as we had not been around for four years. Putting some things in our car that night, Bob opened the hatch before warning me and I was pushed down on my back against a small hill that butted up against the car. I felt the muscles under my left arm pulled excessively and I am only recently feeling the absence of pain since the 14th of September when it happened. First of the unfortunate consequences.

Bob promised me that on this trip he would take me to one of our suppliers with whom I have ordered products for over 35 years, Bradley Caldwell, in Hazelton, PA. Over the past number of years, I had become friendly with Carmella in the accounting department as we talk with each other almost every week. Bob planned to take me on Monday, but we got lost in a ghastly, scary, torrential rainstorm with speeding cars and 18 wheelers and finally gave up and told Carmella we would come on Thursday on our way home. After our brief but happy visit, Carmella directed us to Bradley Caldwell's own retail store, which is the size of a warehouse as they sell everything from garden to domestic animal supplies. I only had time to browse and take some pictures of the dog toy area.

Our visitors came and we spent many hours on our porch talking and laughing. We took them to the flag ceremony Saturday night at Sunset Beach. That was the only time I was out of the house. Sunday night, as our guests retired for their early exit the next morning, we got an email that one of the male attendees (his wife stayed home) had Covid. We had to alert our guests. I felt awful by Monday night, went to UrgentCare Tuesday morning and both Bob and I tested positive, as did 1/2 the attendees (second unfortunate consequence). We took our meds and I returned to work for short periods after 8 days at home. Then Saturday, October 1st I was back to UrgentCare with chest x-rays showing I had pneumonia! Listen to your body. If you don't feel right, lean to the side of caution and get yourself examined. Fortunately, neither our guests nor Carmella got Covid from us.

Come see our kittens looking for a loving home. Beginning this Sunday, we will go to fall-winter hours. See our ad for new hours. Thank you for supporting a small business like The Wagging Tail.
