HOROSCOPE

NOVEMBER 19, 2016 - NOVEMBER 25, 2016

ARIES • (Mar 21 - April 20)
You can make money but not through harebrained schemes or gambling. You can help sort out problems that friends are facing. Having your own business is a good idea. Be sure to take care of any minor ailments.

TAURUS • (Apr 21 - May 21)
Look into attending seminars that can expand your perception. Legal matters that have been pending may be alleviated through compromise. You may find that someone you really cared for in the past has come back into your life. Educational pursuits can bring interesting, helpful people.

GEMINI • (May 22 - June 21)
Don't lend or borrow money or belongings. You will be ready to jump on anyone who gets in the way of your progress this week. You may find that your family responsibilities are piling up. Outings with relatives or good friends will provide you with stimulating conversation.

CANCER • (June 22 - July 22)
Unexpected bills may set you back. Health problems may prevail if you haven't been getting enough rest. Family may not want to get involved but an entrepreneur will. Be careful how you handle friends and relatives, they may take things the wrong way.

LEO • (July 23 - Aug 22)
Work quietly on your own and you will forge ahead. Relationships will be emotional this week. You must use discretion when it comes to lending money or making donations. Your own small business on the side could ease your financial stress.

VIRGO • (Aug 23 - Sept 23)
Try and avoid getting involved in idle chatter or gossip that might get you in trouble. Consider the source before you believe what you hear. Your added discipline will help you complete the impossible at work. Your words will be taken out of context if you're evasive with coworkers or employers.

LIBRA • (Sept 24 - Oct 23)
Your involvement in organizational events could open doors to new and exciting opportunities. Take time to catch up on overdue correspondence. Your hypnotic eyes will capture the hearts of those who interest you. Keep your feelings to yourself if you want to avoid embarrassment.

SCORPIO • (Oct 24 - Nov 22)
Focus, and concentrate on yourself and your future. Don't let your mate talk you into going somewhere you'd rather not go. Try to keep a low profile. You need to enjoy the company of those who enjoy the same pastimes.

SAGITTARIUS • (Nov 23 - Dec 21)
Focus on what's important rather than spreading yourself too thin and accomplishing little. Uncertainty regarding your mate may emerge; re-evaluate what you see in each other. Try to ease any disappointment by making amends. If you put your energy into physical outlets you will avoid confrontations.

CAPRICORN • (Dec 22 - Jan 20)
Be careful while traveling. Try to be a bit more understanding or you may end up spending the evening alone. Don't expect anything for nothing and you won't be disappointed. Help elders in your family.

AQUARIUS • (Jan 21 - Feb 19)
Travel will be favorable and bring you the greatest rewards. Hassles with close friends or family will put a damper on your day and result in isolation and loneliness. Consider starting a small business on the side. Look for a marketable gimmick. Secret affairs may be brought out in the open.

PISCES • (Feb 20 - Mar 20)
Your contributions will be valued and helpful. Much knowledge can be obtained through the experiences you have. It's time to reevaluate your own motives and make changes to yourself first. Help children complete projects they're having difficulty with.

DON'T LET CAR TROUBLES RUIN YOUR HOLIDAY TRAVELS - PART 2

FIRST THINGS FIRST - Read your owner's manual and follow the manufacturer's recommended service schedules.

ENGINE PERFORMANCE - Get engine driveability problems (hard starts, rough idling, stalling, diminished power, etc.) corrected at a good repair shop. Cold weather makes existing problems worse. Replace dirty filters air, fuel, PCV, etc.

FUEL - Put a bottle of fuel deicer in your tank once a month to help keep moisture from freezing in the fuel line. Note, too, that a gas tank that's kept filled helps prevent moisture from forming.

OIL - Change your oil and oil filter as specified in your manual more often (every 3,000 miles or so) if your driving is mostly stop-and-go or consists of frequent short trips.

COOLING SYSTEM - The cooling system should be flushed and refilled as recommended. The level, condition, and concentration of the coolant should be checked periodically. (A 50/50 mix of antifreeze and water is usually recommended.) DIYers, never remove the radiator cap until the engine has thoroughly cooled! The tightness and condition of drive belts, clamps, and hoses should be checked by a pro.

HEATER/DEFROSTER - The heater and defroster must be in good working condition for passenger comfort and driver visibility.

Hidden Treasures Around the Jersey Cape A Guide to Shopping in the Area!

Antiques • Thrifts • Consignments • Gifts • Beach Stuff

Win a \$10 Gift Certificate

to North End Thrift Shop 901 Bayshore Road in the Villas

Just Answer This Week's Question:

"THE NORTH STAR IS ALSO KNOWN AS?"

Please Email Response to tvjerseycape@comcast.net

Last week's winner was Jay Rogers with the answer "400 acres were added to Yosemite in 2016."

ASK THE NJ THRIFT MAN

Cape May County is a great place to shop for bargains including antiques and many other treasures. No matter if you're an avid collector, a dealer or just out shopping for the day, you have a wide variety of shops to explore. Because thrift shop inventories change on a daily basis, your shopping can become an enjoyable treasure hunt. (Several new shops have opened recently, so check out the map on the next page for those near you.)

Hello! I am the New Jersey Thrift Man. My objective is to enable you to reuse, re-purpose and re-love those hidden treasures that your friends, relatives and neighbors no longer have use for or I find when we do house clean-outs. I will be answering your questions each week as well as writing about what I do and my experiences dealing with collectibles, antiques, toys, furniture, jewelry, coins and more.

Last week's question came from Barbare in Margate, NJ. Barbare asks, "Why are the clothing items placed in color order in thrift stores?" North End Thrift stopped selling clothes because we are not a charity and we do not have volunteers. It takes a huge amount of work to sort through, clean, and organize clothing so I'm not sure why they put clothes in whatever order. I know that at my shop, I like to put things together. Nautical items, books, Furniture, Hunting, Fishing, glassware, pottery, etc. are in specific sections to make it easier to find what you want. Check out our website at Northendthrift.com for more information or stop by North End Thrift 901 Bayshore Road, Villas.

This week's question comes from Joe in Marmora, NJ. Joe asks, "Do you have any military memorabilia and what is your return policy on purchases for Christmas gifts?" Send in your questions, including pictures if you wish, and I will do my best to answer them. Email your questions to tvjerseycape@comcast.net.
