HOROSCOPE

NOVEMBER 24 - NOVEMBER 30, 2022

ARIES (Mar. 21-April 20)

Go out with friends. Your charm will mesmerize members of the opposite sex this week. You must avoid gossip and focus on what you have to do. Sudden romantic infatuations could lead to a significant and prosperous connection.

TAURUS (Apr. 21-May 21)

Travel and learning should be on your agenda this week. Deception and confusion regarding your status in society is likely. You may be able to impart knowledge that's innovative to those searching for a new angle. Don't turn down an invitation or a challenge that could enhance your chances of meeting someone special.

GEMINI (May 22-June 21)

Real estate investments will be extremely profitable in the long run. Control your temper by getting immersed in your work. You can make new connections through friends or relatives. Don't get depressed, get busy. You can accomplish a lot if you're willing to put in a little extra time.

CANCER (June 22-July 22)

Be sure to pay attention to your bank account. Your ability to see other people's points of view will allow you to come to reasonable agreements. Help elders with their concerns. Exhaustion will lead to minor injury if you don't know when to quit.

LEO (July 23-Aug 22)

Opportunities for romance are present. You'll find you're detail oriented this week. Communication will be your best bet. Friendships could be terminated quickly if disappointments occur.

VIRGO (Aug. 23-Sept. 23)

You may be upset if someone has borrowed something that belongs to you. Such over indulgence due to emotional upset will be your downfall. You need to challenge yourself. You can raise your standard of living if you pick up some freelance work on the side.

LIBRA (Sept. 24-Oct. 23)

Sudden changes regarding work and colleagues are apparent. Problems with your partner could be reaching a high level of concern. You will have excellent ideas for changing or renovating your home. Help others solve their dilemmas.

SCORPIO (Oct. 24-Nov. 22)

Sudden romantic encounters are quite likely, but discretion will be a must. Spend some time with people who can shed some light on your personal situation. You can dazzle members of the opposite sex with your quick wit and aggressive charm. Invite friends over rather than spending money on lavish entertainment.

SAGITTARIUS (Nov. 23-Dec. 21)

You need to take a long, hard look at yourself and your personal situation. Wait and get all the information before consulting your boss. Don't take your frustrations out on loved ones. Try to get out and socialize.

CAPRICORN (Dec. 22-Jan. 20)

Sit tight. Things aren't as bad as they appear. You can easily impress others with your generous nature. Make changes to your living quarters that will please the whole family. You will enjoy the interaction with youngsters and take great pride in the projects you've completed.

AQUARIUS (Jan. 21-Feb. 19)

They will jump at the chance to do something without you if it sounds like more fun. Use your quick wit to win points with friends. Put your energy into behind the scenes activities. Self improvement projects should be your key concern.

PISCES (Feb. 20-Mar. 20)

You can stabilize your situation if you compromise. You will communicate easily and should be able to accomplish all that you set out to do. Electrical problems may be an issue. Take some time out.

Don't Let Your Thanksgiving Road Trip be a Turkey

One way to avoid a turkey of a Thanksgiving road trip is to make sure the vehicle you will be driving is running well. A 10-minute pre-trip check is a quick and easy way to help avoid the inconvenience of a breakdown many miles away from home, says the non-profit Car Care Council.

The Car Care Council suggests the following pre-trip check to help ensure safety and reliability on the road:

1. Check all fluids, including engine oil, power steering and brake and transmission, as well as windshield washer solvent and antifreeze/coolant.
2. Check the hoses and belts that can become loose, cracked, brittle, frayed or showing signs of excessive wear. These are critical to the proper functioning of the electrical system, air conditioning, power steering and the cooling system.
3. Check the tires, including tire pressure and tread. Uneven wear indicates a need for wheel alignment. Tires should also be checked for bulges and bald spots.
4. Check lighting to identify any problems with exterior and interior lighting as the chance of an accident increases if you can't see or be seen.
5. Check wipers. Wiper blades should be replaced every six months. Make sure the windshield wipers are working properly and keep the reservoir filled with solvent.

"A pre-trip vehicle check provides peace of mind," said Nathan Perrine, executive director, Car Care Council. "Taking proper precautions provides an opportunity to have any repairs performed by one's own trusted technician before hitting the road, reducing the chance of costly car trouble away from home."

To save on fuel costs during the trip, the Car Care Council suggests that motorists avoid aggressive driving, observe the speed limit and avoid excessive idling. Gas caps that are damaged, loose or missing should be replaced to prevent gas from spilling or evaporating. The council also recommends that car owners restock their roadside emergency kit.

The non-profit Car Care Council is the source of information for the "Be Car Care Aware" consumer education campaign promoting the benefits of regular vehicle care, maintenance and repair to consumers. For the latest car care news, visit the council's online media room at <http://media.carcare.org>. To order a free copy of the popular Car Care Guide, visit the council's consumer education website at www.carcare.org.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

RABBIT TENDERLOINS W/ POMEGRANATE SAUCE

INGREDIENTS:

- 2 Rabbit Tenderloins
- 2/3 Cup Pomegranate Juice
- 2 Tbs Clarified Butter
- 1 Tsp Fresh Lavender, Finely Chopped
- 1 Tbs Cornstarch
- 2 Tbs Water
- Salt & Fresh Cracked Pepper To Taste

PREPARATION:

Pour juice into a small sauce pot with lavender and bring to a boil. In a glass, mix water & cornstarch with a spoon. When the juice boils, whisk in cornstarch a little at a time until you reach desired thickness. Reduce heat to medium low - low, season sauce to taste and cover with a lid. Preheat oven to 350°. Next, preheat an oven safe saute pan over medium high heat w/ clarified butter. Season tenderloins with salt and pepper. When the butter is hot, add the tenderloins to the pan. Sear tenderloins three quarters of the way around. Remove pan from heat and turn tenderloins to remaining non-seared side. Place pan with tenderloins into the oven. Bake to an internal temperature of 160°. Place tenderloins on paper towels for 5 minutes to rest. Transfer slices to a cutting board. Slice tenderloins against the grain to desired thickness and plate. Pour sauce over the top of the tenderloins and dig in! Enjoy! *Hint: Grab your Beagles! Rabbit season is on! You can always find domestic rabbit in some stores or have it shipped to you as well.*

A HERO ROOSTER

Submitted By
Patsy Nelson
from The Wagging Tail

We are having turkey for Thanksgiving although I prefer chicken. This morning I was perusing Reader's Digest and came across a really special story in the Best Pet Pals section. It seems a fitting story for Thanksgiving.

An errant rooster found its way into a suburban neighborhood in Neptune, NJ. "Oscar," as the neighborhood called him, would visit from porch to porch looking for corn, cereal, any kind of handout. Then Oscar would sleep for the night in the trees. One young man, Richard, became enamored with Oscar and Oscar eased Richard's PTSD symptoms resulting from his military service. One day it became necessary that Richard be admitted into the hospital. While he wasn't at home, the township unfortunately took Oscar to a nearby shelter. Richard was devastated and even more so when the shelter wanted a hefty amount (not very nice) to release him. Money, apparently, Richard did not have. A few days after that visit, the family heard the familiar sound of Oscar's presence. No one came forward, but a neighbor apparently (very kindly) arranged for his release. "Every time I hear Oscar crow, I'm grateful that Richard's life is a bit more livable thanks to Oscar's company."

If you like to read, I recommend two historical fiction books written by the Kentuckian Kim Michele Richardson, about the women's pack-horse librarian project started in Kentucky by Eleanor Roosevelt in the 1930's; the book "Women of Troublesome Creek", and revived in the 1950's, as written about The Book Woman's Daughter. It was a dangerous heartfelt endeavor to bring the written work and relevant magazines and newspapers to the backwood's people in the hills of Kentucky. The women who rode mules or horses on rough terrain in all kinds of weather, often faced ignorance, physical harm, misogyny, and racial prejudice (the Blues of Kentucky). In the sequel, "The Book Woman's Daughter," which I read this summer, there is (you guessed it) a HERO ROOSTER!

If you bundle up in the cold, don't forget your canine family who need protection too. We have just what they need. If you're feeding Caesars, try Wellness Petite Entrees, on special 11/25-11/28 - Buy 10, Get 10 Free!

Please have a Happy Thanksgiving with the ones most dear and remember those who are at war or otherwise unable to be with family and friends. Pray for those less fortunate. It is currently a struggle for so many just to buy this Thanksgiving dinner. Pray that this topsy-turvy world rights itself soon!
