# HOROSCOPE

DECEMBER 15 - DECEMBER 21, 2022

**ARIES** (Mar. 21-April 20)  
 Do what you can to help them but don't neglect your own family. Confusion at an emotional level will cause you to make wrong decisions concerning your personal life. This will not be the day to start new business ventures or make drastic changes in your career. You can make personal changes that will enhance your appearance and bring you greater popularity.

**TAURUS** (Apr. 21- May 21)  
 Sudden changes regarding friendships are likely to occur if you have tried to change others. Let your lover know what your personal intentions are. You need to take a break with the ones you love. Social evenings at your place will be highly successful.

**GEMINI** (May 22-June 21)  
 Put your emotional energy into passion not anxiety. You can offer your help to others but back off if they appear to be offended by your persistence. You may exaggerate your emotional situation. You need a change and you need to earn more cash.

**CANCER** (June 22-July 22)  
 You may find that your quick wit and charm will help you in obtaining allies. Travel and social activity will bring about interesting talks, not to mention contacts. Try to understand both sides of the issue before taking sides. Go after your goals and don't be afraid to ask for assistance.

**LEO** (July 23-Aug 22)  
 You might find that a coworker has been two faced. Rest and relaxation will be more favorable than you think. Your love will not be willing to listen to your criticism. Hobbies will be good for your emotional well being.

**VIRGO** (Aug. 23-Sept. 23)  
 Time is money and you must be ready to take action in order to reach your highest potential. Try to curb your bad habits. You can make life easier for an older member of your family. Personal problems may be hanging over your head but don't confront the situation.

**LIBRA** (Sept. 24 -Oct. 23)  
 When the work is done, they may serve you for a change. You are best to ask questions if you aren't certain about issues that are confronting you. Changes at home might come fast and furious. Keep your feelings to yourself if you want to avoid embarrassment.

**SCORPIO** (Oct. 24 -Nov. 22)  
 Opportunities to make financial gains will develop through your connections with other people. You can open up to your mate and let them know what you expect out of this relationship. Education may be the answer. Think hard before going into business with friends or family.

**SAGITTARIUS** (Nov. 23-Dec. 21)  
 Trips, educational pursuits, or projects that could lead to new outlooks should be on your agenda. You will be able to get your own way if you use your intellectual charm and know how. Plan a day of enjoyment with them. Be sure to think twice before you say something that might hurt your partner's feelings.

**CAPRICORN** (Dec. 22- Jan. 20)  
 Try out for a local sports team such as volleyball, tennis, lawn bowling, or whatever interests you. Be careful not to push your luck or take too much for granted when dealing on either a personal or professional level. Your home environment appears to be a little shaky. Real estate investments could be prosperous.

**AQUARIUS** (Jan. 21 -Feb. 19)  
 Don't let others restrict you from saying how you feel about family issues. You may have a problem keeping secrets. You may have problems with skin, bones, or teeth if you haven't been taking proper care of yourself. Consider a conservative investment that will stay solid when everything else goes sour.

**PISCES** (Feb. 20-Mar. 20)  
 Don't hesitate to present your unique ideas. If you haven't planned a vacation, then at least try to get away for the weekend. Organization will be the key to avoiding discord and family feuds. Don't overindulge in anyway.

### Annual December Guide To Winter Driver Accessories

1. A well-stocked roadside emergency kit to help you or others in an emergency. Suggested items: First-aid kit, extra batteries, jumper cables, flares, reflective vest, tow rope, first aid kit, warning triangle/reflective vest/flag, ice scraper, folding mini shovel, LED flashlight, and road atlas for times when you can't access a cellular connection.

2. Winter floor mats to protect your carpet from dirty and dripping shoes. They also may be considered a driving safety feature as rubberized, all-season mats with an anti-skid pattern on the underside helps keep them in place. Look for ones fitted to your specific vehicle.

3. Cargo Liners for carrying soggy gear and preventing mold from growing in your vehicle trunk space.

4. Heated ice scraper which can plug into your car's cigarette lighter. Look for extra-long cord and extendable handles. Sometimes they include LED lights for nighttime use.

5. Windshield snow cover to blanket for your vehicle windshield when it is parked outside.

6. Rooftop cargo carrier to stow gear and free up some cabin space. Clamshell enclosures help protect gear from weather and thieves. Cushioned clamps to protect your equipment such as skis and bicycles.

7. Insulated drinking bottle to keep beverages warm for hours. Look for double walled, vacuum containers.

8. Portable power station to provide AC power while on the road. They offer quite a bit more power than traditional phone chargers and have outlets that accept AC plugs.

9. Electric blanket that plugs into the vehicle's 12-volt DC outlet or power station. This is essential if you happen to get stuck on the road in the middle of Wyoming or even for watching New Year's parades or fireworks displays.

10. Pair of quality safety gloves to protect hands during roadside emergencies as well as inclement weather.

11. Pack of microfiber towels for those inevitable spills and cleaning duties while on the road. They are inexpensive, versatile and readily soak up fluids. You may use them for everything from cleaning your windshield to mopping up after pet accidents.

12. Vent organizers and visor organizers for sunglasses, phones, pens and change. Keep your frequently used items within arm's reach.

13. Seat covers to prevent pets from damaging leather and vinyl and keep dirty sports gear from creating stains.

14. Pet organizers to store food, foldable bowls, toys, snacks, leash, water bottle and clean up bags.

15. Cargo and trunk organizers for sporting goods, travel items and groceries.

## WHAT A REMARKABLE DOG STORY

Submitted By  
Patsy Nelson  
from The Wagging Tail

SOME OF YOU REMEMBER THAT I WAS ATTACKED IN THE DOG PARK OF THE WAGGING TAIL BY A PIT BULL OWNED BY THE IRRESPONSIBLE BOYFRIEND OF A TENANT OF MINE. THE DOG RACED TOWARD ME (THANKFULLY NOT MY CUSTOMER WITH WHOM I WAS STANDING) BIT MY BUTT AS I TURNED MY BACK TO HIM, THEN TORE MY LEFT ARM OPEN JUST AS THE OWNER WAS GRABBING FOR HIS COLLAR. IT WAS A TERRIBLY TRAUMATIC EXPERIENCE BUT I NEVER SHUNNED AWAY FROM PIT BULLS AS A BREED, DESPITE OTHER MORE HORRIFIC STORIES I HAVE BEEN TOLD. MY WONDERFUL NEICE, SAMANTHA, WHO PASSED AWAY A YEAR AGO, HAD A DARLING FEMALE PIT WHO GREW UP WITH HER CHILDREN. THERE ARE AN ABUNDANCE OF GOOD ONES I KNOW.

THE FOLLOWING STORY IS FROM READER'S DIGEST (ONE OF MY FAVORITE READING OPTIONS ALONG WITH GOOD OLD DAYS.) ....

When James White, a 43-year-old security agent from Rohnert Park, CA, snagged the pitbull puppy in 2018, Darby was just another four-legged lug; young, friendly, playful, & strong as an ox. Then in the summer of 2019, came Darby's fate with destiny.

White was fishing in Northern California's Bodega Bay. He left Darby, then 1 year old and 100 pounds, to chill in the parked car, windows down, while he cast his line a few yards away. The fish weren't biting. White recalls, until, suddenly, they were. At first, White, thought he had hooked a stingray. But as he reeled it in, he realized it was a Seven Gill shark, about six feet long. Not uncommon, but still dangerous. "Their teeth are gnarly," White says. He brought it close and carefully unhooked it, expecting it to swim away. It didn't. The shark clamped down on his ankle. Suddenly there was blood everywhere. He yelled for help thinking that the fishermen down the beach could hear him. But they did not seem aware of White's dilemma. Fortunately for White, Darby did.

Darby hurled himself out of the car and down the embankment toward the water. He ran right up to the shark & sank his teeth into its gills. "That made the shark bite down harder," White says. Darby backed off, then regrouped & latched on to the shark's tail. The shark released its grip & White managed to push it into shallow water, where it swam off. "The whole thing took less than a minute," White says, but it left plenty of damage. He was able to stop the bleeding & get to a hospital where he learned that the shark had punctured & nearly severed an artery. That would have been the end of the story had it not gone viral. White was contacted by NBC News & CNN & that is when the emails & cash offers for Darby started pouring in, even from Russia. But the dog was not for sale. He had another job to do.

At the time of the attack, James & Darby lived with his parents, James Sr. & Pam. When Pam passed away in early 2022, Darby & James Sr. became inseparable. Being James Sr.'s best buddy became Darby's greatest gift to the family. "We were worried. Sometimes when one parent goes, the other can get really depressed. But I know that Darby's here, so I don't worry," says White of his dog. Today, White's shark bite is long healed, but Darby (aka the House Hippo) is a bigger hero than ever.
