HOROSCOPE

DECEMBER 19 - DECEMBER 25, 2018

ARIES • (Mar. 21 - April 20)

Don't allow someone to do a job that was designated specifically for you. Try to curb your tongue and let others at least get a word in. Be diplomatic and honest, and that person will only be made to look bad. Your self confidence will attract members of the opposite sex.

TAURUS • (Apr. 21- May 21)

You can't win and they won't listen. Find ways to make extra cash. Start making things or reusing rather than buying ready made. Unexpected bills will leave you a little short. Focus on your domestic scene. Get together with friends or relatives.

GEMINI • (May 22 - June 21)

You will enjoy socializing and unusual forms of entertainment. Some of your new friends may not be that trustworthy. Your dedication and fortitude when dealing with humanitarian groups will enhance your reputation. Try to keep to yourself; work diligently on domestic chores and responsibilities.

CANCER • (June 22 - July 22)

Try to get others to stand behind your good judgment. Someone left a real mess for you to sift through. Don't jump into investments too quickly. Be prepared to jump quickly if you wish to stay in the forefront of your industry this week.

LEO • (July 23 - Aug 22)

Take matters in hand when it comes to dealing with clients or colleagues. You can purchase items that will enhance your appearance. Look into family outings or projects. Don't allow your lover to take advantage of your good nature.

VIRGO • (Aug. 23 - Sept. 23)

Legal matters that have been pending may be alleviated through compromise. Seminars will provide you with knowledge and amusement. It will be important that you have your priorities straight. Don't bother trying to make someone you live with see your point of view.

LIBRA • (Sept. 24 - Oct. 23)

You have so much to offer; open up and let your thoughts be known. Passion will be your only answer. Difficulties may be encountered while traveling in foreign countries. Think before you act.

SCORPIO • (Oct. 24 - Nov. 22)

Real estate investments will be profit able. Find out exactly what's expected of you and you'll be surprised to find out how capable you are. Visitors may be likely to drop by. Emotional deception is evident.

SAGITTARIUS • (Nov. 23 - Dec. 21)

Be careful while traveling. Direct your energy into physical entertainment. Don't say something you'll live to regret. Correspondence may not clear up issues.

CAPRICORN • (Dec 22 - Jan. 20)

Deceit around you is evident. You have to know what your boss wants if you expect to do your job correctly. Develop some of your good ideas. Difficulties with children will surface if you try to break a promise you made.

AQUARIUS • (Jan. 21 - Feb. 19)

Your tendency to vacillate will drive everyone crazy. Don't make any unreasonable promises. Don't shy away from potential mates they want to introduce you to. Discuss your objectives with partners or peers.

PISCES • (Feb. 20 - Mar. 20)

Your dramatic nature may be too much to handle. Try to accommodate them without infringing on your own responsibilities. Losses could occur if you haven't been careful when dealing with joint financial ventures. You can make financial gains if you are prepared to take a risk.

CAPE MAY EVENTS

Cape May MAC Holiday Events

(Mid-Atlantic Center for the Arts & Humanities)

Through December 30th, Cape May Stage presents "An Actor's Carol." Having played Scrooge many times a cranky actor finds himself visited by three spirits of his own. A cast of four play 17 characters in this hilarious new look at a classic that reminds us that the most jaded among us can find magic in the holiday season - and in the theater as well. Thursdays thru Saturdays at 7:30pm; Saturdays and Sundays at 3:00pm. The Robert Shackleton Playhouse is located at the corner of Bank & Lafayette Streets.

An Old-Fashioned Christmas Exhibit: an exhibit of holiday traditions through the years complete with model trains, toys and much more! Located at the Carroll Gallery at the Emlen Physick Estate (1048 Washinton Street, Cape May) through Sunday, January 1st, 2019. The Gallery is open daily (except Christmas Day); hours vary. Free admission.

For more information about these events and more, call 609-884-5404 or 800-275-4278 or visit www.capemaymac.org.

Now - 12/24 - Tropicana - Jingle: A Magical Holiday Spectacular: The Tropicana's showroom is transformed into a magical winter wonderland from November 25 thru December 21 (Select Dates). This spectacular show features glamorous dancers in dazzling costumes, angelic singers, music box ballerinas, dancing soldiers, Atlantic City favorites Kevin and Caruso, aerial artistry of special guest, Lady Hellevi and the award-winning choreographer and costume design from Mistinguett. Finally! It's the most wonderful time of the year and the Tropicana has the most wonderful Holiday show!

12/28 - Ocean Resort - Friday Night Live! w/The No Vacancy Orchestra: Dave Damiani & The No Vacancy Orchestra, Haley Reinhart, Maiya Sykes, Renee Olstead and Bobby Rydell take the stage at Ovation Hall on Friday, December 28!

12/31 - Tropicana - WAR: War is an American funk band from Long Beach, California, known for several hit songs (including "Spill the Wine", "The World Is a Ghetto", "The Cisco Kid", "Why Can't We Be Friends?", "Low Rider", and "Summer"). Formed in 1969, War is a musical crossover band which fuses elements of rock, funk, jazz, Latin, rhythm and blues, and reggae. Their album *The World Is a Ghetto* was the best-selling album of 1973. The band transcended racial and cultural barriers with a multi-ethnic line-up. War was subject to many line-up changes over the course of its formation, leaving member Leroy "Lonnie" Jordan as the only original member in the current line-up; four other members created a new group called the Lowrider Band.

1/4 - Borgata - One Night in Memphis: Get ready for a night of rockabilly, country, gospel and pure 1950's rock and roll with "One Night in Memphis" - a high energy concert that takes you back to December 4, 1956, the night when four of the biggest names in early rock and roll -- Elvis Presley, Carl Perkins, Jerry Lee Lewis and Johnny Cash -- gathered together for an impromptu jam session at the legendary Sun Studios

in Memphis. Be a witness to and experience rock and roll royalty with the music and talent that has stood the test of time. This show is guaranteed to get you rocking and rolling. See *One Night in Memphis* live at the Music Box at Borgata on Friday, January 4, 2019!

11/19 - Harrah's - Bill Engvall: Grammy nominated, multi-platinum selling comedian, Bill Engvall is

coming to The Concert Venue for two shows on Saturday, January 19! Known for his Southern drawl, perfect timing and hilarious commentary on the challenges of daily life, fans can expect plenty of laugh-out-loud moments all night long.

1/19 - Hard Rock - Alabama: Alabama is an American country and Southern rock band formed in Fort Payne, Alabama, in 1969. Alabama's biggest success came in the 1980s, where the band had over 27 number one hits, seven multi-platinum albums and received numerous awards. Alabama's first single on RCA Records, "Tennessee River", began a streak of 21 number one singles, including "Love in the First Degree" (1981), "Mountain Music" (1982), "Dixieland Delight" (1983), "If You're Gonna Play in Texas (You Gotta Have a Fiddle in the Band)" (1984) and "Song of the South" (1988). The band's popularity waned slightly in the 1990s although they continued to produce hit singles and multi-platinum album sales. The band's blend of traditional country music and Southern rock combined with elements of gospel, and pop music gave it a crossover appeal that

helped lead to their success. They also toured extensively and incorporated production elements such as lighting and "sets" inspired by rock concerts into their shows. The band has over 30

number one country records on the Billboard charts to their credit and have sold over 75 million records, making them the most successful band in country music history.

1/19 - Resorts - Temptations Review: As former lead singer of the 'Rock-n-Roll Hall of Fame' inductees, 'The Impressions', and with a reputation for having one of the most powerful voices in the R&B market, Nate Evans was specially selected by original Temptation's lead singers Eddie Kendricks, David Ruffin and Dennis Edwards to join the group. Following the passing of David Ruffin and Eddie Kendricks and with the retirement of Dennis Edwards... Nate Evans now leads the group with his soulful voice in this spectacular tribute performance. Much more than a tribute to the late 'Temptations'... this show is a musical extravaganza dedicated to one of the greatest Motown acts of all time and filled with songs from their library, therefore the moves and arrangements performed by this group are a replica of the original 'Temptations' show. 'Ride Back to the Day' when one of the most iconic groups ever to hit the stage played to sell-out audiences and dazzled crowds worldwide. Today Nate Evans along with Vernon Taylor, Isaac Wooten, Ollie Bolds and Andre Shepherd are keeping the sounds of the 'Temptations' alive and well!

1/20 - Boardwalk Hall - All Stars of Hip Hop: Come see it all! Naughty By Nature, Big Daddy Kane, Kool Moe Dee, Slick Rick, Whodini, Onyx and Nice & Smooth.

2/1&2 - Hard Rock - Tim McGraw: Tim McGraw is an American

country singer/songwriter and actor. McGraw has released fifteen studio albums. 10 of those albums have reached number 1 on the Top Country Albums charts, with his 1994 breakthrough album *Not a Moment Too Soon* being the top country album of 1994. All of these albums have produced 65 singles, 25 of which have reached number 1 on the Hot Country Songs or Country Airplay charts. Three of these singles — "It's Your Love", "Just to See You Smile", and "Live Like

2/16 - Resorts - Chubby Checker: Come on baby, let's do the twist with Chubby Checker & The Wildcats on Saturday, February 16 at 8PM in Superstar Theater. In 2 minutes & 42 Seconds, Chubby Checker revolutionized popular Culture and changed the music business forever. When he appeared on American Bandstand in 1960 and performed "The Twist," it was the dawn of a new era in Rock and Roll. Dancing apart to the beat was born and teenagers found a new way to express themselves. Chubby's Dance Style has extended from Woodstock, through Disco to the present day. He stands alone as a one of a kind Rock Icon, who has had 36 Hit Records, is the only artist to have a single go to # 1 Twice, and according to Billboard, has the # 1 Single for the whole Decade of the 60's. Chubby was awarded the first Platinum Single, the first Rock Grammy and has sold an astounding 250,000,000 records over the years. That's why Dick Clark has said: "The three most important things that ever happened in the music industry are Elvis Presley, The Beatles, and Chubby Checker."

Merry Milestones

Don't be a cotton-headed ninny muggins! Celebrate 15 years of 'Elf'

DECEMBER ON AMC: 21ST 8P, 22ND 6P,
24TH 8:30P, 25TH 5:30P

Surprisingly sweeter than you might expect from the premise and the casting, this 2003 comedy stars Will Ferrell as Buddy, a human who was adopted by elves as an infant and grows up thinking he's just a large version of his adoptive father (Bob Newhart). When Buddy finds out the truth about his parentage, he is crushed and goes out into the real world to find his birth father (James Caan), who has his own family and isn't interested in rehashing the past.

'Jack Frost' still melts hearts two decades later

DECEMBER ON HBO: 22ND 5:35A; HBO2: 23RD 9A

A deceased father (Michael Keaton) is reincarnated as a snowman and gets a second chance to bond with his son (Joseph Cross) by making good on all his promises before his snow-packed exterior melts away. Kelly Preston also stars in this 1998 tale.

A blast from Christmas past: 'Scrooged' turns 30

DECEMBER ON ENCORE: 24TH 8P & 9:43P; ALSO STREAMING
ON YOUTUBE, GOOGLE PLAY, AMAZON PRIME & ITUNES

Bill Murray portrays Ebenezer Scrooge – called Frank Cross here – in another adaptation of the Charles Dickens tale. This 1988 version follows the story of a greedy TV executive who figures since he hates Christmas, no one else should enjoy it. But his outlook is changed after a visit from three ghosts on Christmas Eve. Directed by Richard Donner, the movie also stars Karen Allen, John Forsythe, Carol Kane and Alfre Woodard.

'A Christmas Carol': Reaching 65 is nothing to bah-humbug about

DECEMBER ON TCM: 24TH 10P

Many people consider this 1938 version their favorite screen adaptation of the Charles Dickens classic. Count June Lockhart ("Lost in Space") among them: She made her film debut at age 12 as one of the children of Bob and Emily Cratchit, played by her real-life parents, Gene and Kathleen Lockhart. Reginald Owen stars as Christmas-hating curmudgeon Ebenezer Scrooge.

BUBBA

Hey there! I am Bubba, your new companion cat! I would just love a great retirement home where I can relax, purr, love, eat & sleep and keep you company. I would love to sit on your lap as we watch TV. I don't have a mean bone in my body so I am OK with visitors and grand kids. I am in very good health for an older guy and I am very clean and I don't eat too much so I won't cost you too much either! I am in the "Senior for Senior" Program which means if you are over 64 years old you can adopt me for FREE!

THE BENEFITS OF CBD OIL FOR PETS

Submitted By
 Patsy Nelson
 from The Wagging Tail

After researching for this article a few weeks ago, I began using CBD oil myself. And I do believe it is helping me with anxiety, joint inflammation, and arthritis pain. I would recommend other people try it. I ordered mine on line. I now know that the vapor shop, by Canals, and Green Street Market, also carry it. Henceforth, I will support them as I advise you to do. Always help the small business whenever possible. We do carry CBD oil and cani bite treats, and other related products for cats and dogs.

Research has found that it is very beneficial for pets as well. Cannabidiol (CBD), the non-psychoactive compound found in the Marijuana plant, has become very popular due to over fifty medical conditions it seems to improve including, anxiety, depression, and chronic pain. The molecular structure of CBD is what makes it so effective as it interacts with important receptors throughout our nervous system, and that of our pets.

***Inflammation:** Inflammation is so common in humans and dogs and leads to chronic pain, arthritis, lupus, and other autoimmune diseases. CBD oil activates the body's Vanilloid receptor-the receptor known to mediate pain perception, inflammation, and body temperature, thereby acting as an anti-inflammatory and immune-boosting agent.

***Arthritis:** A disease of the joints that can be mild or extremely severe. Patients, whether two or four-legged can suffer from swelling, stiffness, and decreased mobility. CBD works in the same way as cited above.

***Anxiety:** Stress and uneasiness can affect us and animals and can sometimes be quite debilitating. According to THE ANXIETY CENTRE, "Anxiety is the result of a behavior" such as being overly sensitive to the environment or overly taxed, mentally or physically. CBD activates the Adenosine receptor, which regulates how your pet responds to stress.

***Loss of Appetite:** Not uncommon for a customer to remark on their pet's lack of appetite. Reasons for this occurrence can be nausea, depression, anxiety, digestive issues, as well as other issues. This can be a serious problem leading to malnutrition and a compromised immune system. CBD oil activates the Serotonin receptor which improve your pet's mood, simultaneously reducing the causes stated previously.

***Seizures:** These occur when there is abnormal activity in the brain. Seizures can be intermittent or frequent, can be devastating to live with, and if frequent, can cause permanent brain damage. We have had customers who have switched to a better-quality food and saw a decrease or denise in seizures. CBD oil, however, has become a leading topic within the medical community for treating seizures and has become one of the leading reasons that it has been used on people and dogs.

***Aggressive behavior:** Often, if not because of a more serious medical situation, aggression in dogs is usually the result of stress from fear related anxiety (sometimes just new surroundings.) CBD oil for dogs can combat the root causes, which are usually stress and anxiety, by activating the Adenosine receptor.

CBD oil provides an all-natural alternative to synthetic medications. Because of its diversity, there are so many areas where it can help your pet as it activates all the necessary receptors. Check out my article last week on the benefits of Milk Thistle. Copies available at The Wagging Tail or on Face Book. Have a safe and happy holiday!
