HOROSCOPE

MARCH 27 - APRIL 2, 2025

ARIES (Mar. 21-April 20)

Your season is in full swing, fueling you with confidence and motivation. A new opportunity may arise, but you'll need to act fast to seize it. Just be sure to pace yourself—burnout is real, even for you.

TAURUS (Apr. 21-May 21)

This week calls for patience as things may not move as quickly as you'd like. A financial or personal matter could require careful planning. Trust the process, and don't let minor delays throw you off course.

GEMINI (May 22-June 21)

Your social life is buzzing, and exciting connections could open unexpected doors. A casual conversation may spark a new idea or opportunity. Just be mindful of spreading yourself too thin—quality over quantity matters.

CANCER (June 22-July 22)

Career and ambitions take the spotlight, pushing you to make bold moves. A challenge at work could test your patience, but staying persistent will lead to success. Don't forget to carve out time for personal well-being.

LEO (July 23-Aug 22)

You're craving adventure, whether through travel, learning, or new experiences. A shift in perspective may help you break free from a limiting belief. Step outside your comfort zone, but stay grounded in reality.

VIRGO (Aug. 23-Sept. 23)

This week may bring intense emotions or deep conversations that lead to transformation. A financial decision or investment requires careful thought—don't rush. Let go of what no longer serves you and embrace change with confidence.

LIBRA (Sept. 24-Oct. 23)

Relationships take center stage, and a key partnership may require your attention. Whether romantic, personal, or professional, open and honest communication is crucial. Be clear about your needs and listen to others with an open heart.

SCORPIO (Oct. 24-Nov. 22)

Your focus is on productivity, and it's a great week to check things off your to-do list. A shift in your daily routine could lead to better health and efficiency. Just don't let perfectionism hold you back from making progress.

SAGITTARIUS (Nov. 23-Dec. 21)

Passion and creativity take center stage, making this a great time for self-expression. Romance may heat up unexpectedly, bringing excitement into your personal life. Enjoy the fun, but don't ignore responsibilities that need your attention.

CAPRICORN (Dec 22.-Jan. 20)

Home and family matters may require your energy, but they also bring comfort and stability. A domestic change—big or small—could create a fresh start. Find ways to balance personal life with career ambitions.

AQUARIUS (Jan. 21-Feb. 19)

Your mind is sharp, and communication plays a big role in your success this week. A conversation, idea, or piece of news could lead to an important breakthrough. Stay flexible, as plans may shift unexpectedly.

PISCES (Feb. 20-Mar. 20)

Financial matters come into focus, and you may need to reassess a budget or long-term plan. A creative or side project could show promise—consider how to turn it into something sustainable. Trust your intuition, but don't ignore practical details.

NATIONAL VIETNAM WAR VETERANS DAY SAT, MARCH 29

National Vietnam War Veterans Day honors the men and women who served and sacrificed during the longest conflict in United States history. On March 29, 1973, combat and combat support units withdrew from South Vietnam. Generations later, Veterans of this time period are gaining the respect that was not so freely given upon their return. Involving five U.S. presidents, crossing nearly two decades and 500,000 U.S. military personnel, it left an indelible mark on the American psyche. Over 58,000 killed, never to return.

CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

JERK SPICED GOAT

INGREDIENTS:

- 1 Hind Quarter Goat
- 1 Gallon Brine
- 1 Cup Caribbean Jerk Spice
- Apple & Hickory Wood or Wood Chips for Smoking

PREPARATION:

Place Goat hind Quarter into a large air tight bag or container. Pour cold brine over Goat. Be sure all the meat is covered. Seal the meat air tight & refrigerate for 48 hours. After 2 days, remove the goat & dry thoroughly with paper towels. Apply Jerk rub to the entire Hind Quarter. It's ok to go heavy on this. Prepare smoker at 225° with Applewood & Hickory mix. Cook to an internal temperature of 195°. When the goat reaches temperature, remove from the smoker & wrap in plastic wrap for 1 hour. Finally, pull the meat, plate & serve. Enjoy!

Hint: Goat meat is very strong & can be tough. It is important to always brine or marinate. You can have goat meat delivered to your door.

15 BEST ACCESSORIES FOR SPRING BREAK ROAD TRIP, PT 1

1. High-efficiency air filters: As we begin to head into spring, dust and pollen fill the air. If you don't have the proper car filters, the inside of your vehicle can become a petri dish for allergens. If your car doesn't already have one, add a High-Efficiency Particulate Air (HEPA) filter. These filters are designed to capture even the smallest particles, including allergens like pollen and dust.

2. All-weather floor mats: All-weather floor mats are helpful all year long. Rubber mats are easy to wash and help prevent allergens from getting trapped in your car's carpet during spring. Easily remove and wash off to help keep your vehicle's interior clean and allergy-free.

3. Roof rack or cargo carrier: If you're traveling with a lot of gear or luggage, a roof rack or cargo carrier provides extra storage space, freeing up room inside the car for passengers to stretch out and relax. This is especially useful for outdoor enthusiasts bringing along bikes, kayaks, or camping equipment.

4. Portable electric cooler: Keep drinks and snacks cool and easily accessible with a portable cooler. Look for models that can plug into your car's power outlet or run on battery power for added convenience. Whether you prefer refreshing beverages or healthy snacks, having a cooler on hand ensures you stay hydrated and energized throughout your road trip.

5. Phone mount: Safety should come first while driving, and a phone mount can help you stay focused on the road while still having access to GPS navigation and hands-free calling. Choose a mount that securely attaches to your dashboard or windshield and can accommodate your smartphone size.

6. Car organizer: Keep your vehicle clutter-free with a car organizer designed to hold essentials like maps, sunglasses, water bottles, and snacks. Look for organizers that hang from the back of the seat or fit snugly between the front seats for easy access by both the driver and passengers.

7. A "tiny trash can": Micro trash in your car can seem harmless, but over several days with multiple passengers discarding their waste, it can start to pile up. Tiny trash cans fit in your car's cup holder to collect the little bits of trash that often finds its way to the depths of your car.

PUPPIES: OFFERING LOTS OF LOVE AND LOTS OF CHALLENGES

Submitted By
Patsy Nelson
from The Wagging Tail

Recently we have been seeing an increasing number of new puppies coming into the store. Yesterday a customer who lost her aged dachshund in late 2024 came in with her new boxer puppy, a 10-week-old little bundle of adorable who is going to grow into a big boy in the next year. Some people like her are still young and able enough to handle the energy and training of a youngster. Other customers, being quite elderly (like me) and physically disadvantaged (like me) would be better off adopting an older, housebroken, trained, and confident dog of which there are many online and at various shelters who deserve a loving home for the duration of their lives. About nine years ago I was presented with the opportunity to rescue a 9-week-old Papillion whose owners could not afford to have the parents neutered or care for the two male offspring (Pretty sad and irresponsible). I had claimed that I would never get another puppy at my age, yet I let my heart win out. And even though I had two dogs and three cats at home with Bob, I was still working full-time, and found the next six months overwhelming, to say the least. Well, we got through puppyhood only to lose our precious Parker during COVID to three different cancers: liver, spleen, and kidney when he was seven. We are still devastated, and we blame the "deadly" diet that his parents had been fed, and he as a puppy. Unfortunately, that is just one facet of dealing with "backyard" breeders, although even some so-called reputable breeders feed inferior food, often as an incentive from big box food companies. What do all puppies do? This is of course, a rhetorical question. Based on the breed, size, and temperament of the dog, this can be minimized or extremely maximized! (There are exceptions)

THEY CHEW ANYTHING AND EVERYTHING · THEY NEED CONSTANT ENTERTAINING · THEY NEED CONSTANT SUPERVISION · THEY POOP AND PEE A LOT · THEY NEED TO BE WORN OUT (WHICH I AM ALREADY) · THEY THROW UP A LOT · THEY NEED LOTS OF TOYS AND CHEWS · THEY NEED PLAYMATES OTHER THAN HUMAN · THEY NEED TO GO TO THE VET FOR DEWORMINGS, SHOTS, AND NEUTERING/SPAYING · THEY GROW AND GROW SOMETIMES WAY MORE THAN WE EXPECTED (170LBS!!) · THEY DIG, CHEW FURNITURE, SCRATCH WALLS, BUST THROUGH SCREENS, STEAL THINGS · THEY GET LOOSE AND DON'T COME WHEN CALLED · THEY EAT FORBIDDEN OBJECTS · THEY THROW UP SOME MORE (OR WORSE) · THEY TAKE SHORT NAPS · THEY WAKE UP AT ALL HOURS, AND MAY NOT TELL YOU · THEY HAVE PIN SHARP TEETH · THEY HAVE TO BE POTTY TRAINED, EDUCATED, DOMESTICATED · THEY HAVE TO BE ONE'S TOTAL DEDICATION FOR ONE TO TWO DECADES!

If you are contemplating taking on a puppy or a kitten, choose two. Not only is it wonderful to watch them play and cuddle, but they will also be more content and stimulated without using you as their missing sibling. And you will get double the loving.

Thanks for helping to keep a small business in business and for choosing us as the best pet store 2022/2023/2024. We have adorable mature kittens up for adoption or just petting. They want so much to have a real home again. Beacon Animal Rescue, as new owners of The Wagging Tail, have applications online.
