HOROSCOPE

OCTOBER 26 - NOVEMBER 1, 2023

ARIES (Mar. 21-April 20)

The sun enters your chart's house of transformation and intimacy. During this transit you're more attuned to taboo topics, and sensitive to other people's needs. The full moon eclipse illuminates your chart's house of money and personal resources, further developing a story that's been unfolding since 2021. Stability and security come to fruition, or you're more aware of exactly what is needed in order to nurture yourself. You may be in a position to receive or provide relief as your planetary ruler Mars faces off with Jupiter across your chart's financial axis. You're getting some sensitive info as Mercury meets Mars—this can help you understand how to best support others.

TAURUS (Apr. 21-May 21)

The sun changes signs, activating an intimate sector of your chart and showing you the truth about other people's lives. The sun harmonizes with taskmaster Saturn, allowing you to move toward your long-term goals in stride with reality. The full moon eclipse falls in your sign, further developing a personal story that's been unfolding since 2021. What you are bringing into the world now relates to your personal evolution! Your optimism can be challenged or invigorated by others as action planet Mars and Mercury, the planet of communication, face off with Jupiter. Look out for quick tempers or passionate conversations as Mercury meets Mars.

GEMINI (May 22-June 21)

During Scorpio season, the sun illuminates your chart's lifestyle sector, showing you the reality of your health, work, and mundane habits. The sun harmonizes with taskmaster Saturn, resolving slippery burdens related to work and career. The full moon eclipse illuminates a secret and psychological sector of your chart, further developing a story that's been unfolding since 2021. From your vantage point, you see things that no one else can. Your planetary ruler Mercury faces off with optimistic Jupiter, which has you painting with broader strokes. You're strategic with your schedule and to-do list as Mercury meets with Mars, motivating you to seize the day.

CANCER (June 22-July 22)

The sun enters fellow water sign Scorpio, illuminating your chart's house of love and leisure. While your creativity and hobbies are relevant during this friendly period, it can also be a time when you are more focused on children in your life. The full moon eclipse illuminates your chart's house of hopes and dreams, further developing a story that's been unfolding since 2021. This can materialize as a dream coming true, or something that you've wanted to see finally becoming a reality. Take this full moon to celebrate your victories and be grateful for the support you've had from friends and community.

LEO (July 23-Aug 22)

A new active period begins with Scorpio season, initiating changes in your home and family life. This can also be a period when you're wondering how to transform or reinvent yourself to get closer to your truth. The sun harmonizes with taskmaster Saturn, tuning you into your hidden strength to overcome a shared burden. The full moon eclipse illuminates your chart's house of career and public reputation, further developing a story that's been unfolding since 2021. Action planet Mars and Mercury, the planet of communication, face off with optimistic Jupiter, amplifying your ambition. You can fearlessly cut to the core of any argument as Mercury and Mars align.

VIRGO (Aug. 23-Sept. 23)

Scorpio season is a mentally active time as the sun moves into your chart's communication sector. The sun harmonizes with taskmaster Saturn, resolving interpersonal issues. You can acknowledge other people's shortcomings and find a way to patiently work with or around their delays and standards. The full moon eclipse illuminates your chart's house of higher knowledge and distant travel, further developing a story that's been unfolding since 2021. Your planetary ruler Mercury faces off with optimistic Jupiter, opening your mind to a wider and more inclusive perspective. Look out for impulsiveness and intense word choices as Mercury meets with Mars. It can be challenging to self-censor.

LIBRA (Sept. 24-Oct. 23)

Money is on your mind over the next month as the sun moves into your chart's house of finances and personal resources. This could also be a time to evaluate and rejuvenate your self-esteem and self-worth. The financial axis of your chart is lit up as the full moon eclipse illuminates your chart's house of shared resources, further developing a story that's been unfolding since 2021. The generosity of others can be something that is nourishing and supportive. Be open to accepting gifts! This can also be a full moon where you feel called to share your wealth and wisdom with those in the same boat as you.

SCORPIO (Oct. 24-Nov. 22)

The sun enters your sign, Scorpio, starting a one-month period of personal insights and truth. The sun harmonizes with taskmaster Saturn, raising your personal standards when it comes to friendships, love affairs, and creative efforts. The full moon eclipse illuminates your chart's house of relationships and interpersonal dynamics, further developing a story that's been unfolding since 2021. Your planetary ruler Mars, and Mercury, the planet of communication, face off with optimistic Jupiter, creating tension between morality and drive for survival. Passionate thoughts arise as Mercury meets Mars—a spark which can create fireworks, or accidental insults! Remember who you're talking to.

SAGITTARIUS (Nov. 23-Dec. 21)

The sun enters a sleepy and secretive sector of your chart as Scorpio season begins, connecting you to your hidden knowledge. The sun harmonizes with taskmaster Saturn, helping you make peace with endings. It's easier to let things fall into place as they should! The full moon eclipse illuminates your chart's house of routine and lifestyle, further developing a story that's been unfolding since 2021. Action planet Mars and Mercury, the planet of communication, face off with your planetary ruler Jupiter, which can find you evaluating your satisfaction with your work and lifestyle. There needs to be a balance between your private time and the promises you've made to others.

CAPRICORN (Dec 22-Jan. 20)

Your ambition is endless! During Scorpio season, the sun illuminates your chart's house of hopes and dreams, bringing your focus to the future that you want to manifest. The sun harmonizes with your planetary ruler Saturn, encouraging you to take a critical look at your mental blocks so that you can work through them. Your wisdom and experience play an important role in your community. What you have gone through provides priceless wisdom for others to learn. The full moon eclipse illuminates your chart's house of leisure, lovers, and creativity, further developing a story that's been unfolding since 2021.

AQUARIUS (Jan. 21-Feb. 19)

A new chapter in your legacy begins with Scorpio season as the sun enters your chart's house of career. The sun harmonizes with your planetary ruler Saturn, bringing resolution and peace to financial woes. The full moon eclipse illuminates your chart's house of home and family, further developing a story that's been unfolding since 2021. Action planet Mars and Mercury, the planet of communication, face off with optimistic Jupiter, creating tension between your free-spirited nature and your motivation to reach the top. What's being sacrificed so you can have it all? You have passionate, deep-cutting ideas as Mercury meets Mars. Brutal honesty and its consequences aren't always comfortable, but they can lead to growth.

PISCES (Feb. 20-Mar. 20)

The sun enters fellow water sign Scorpio, illuminating your chart's house of higher knowledge and distant travel. As you explore the heart of the truth, you can learn about your own limitations or fears as the sun harmonizes with Saturn, encouraging you to make peace with your ability to say "no." The full moon eclipse illuminates your chart's house of communication and writing, further developing a story that's been unfolding since 2021. Action planet Mars and Mercury, the planet of communication, face off with your planetary ruler Jupiter, creating tension between what you know and what you believe. There is always more for you to experience and learn!

20 HALLOWEEN DRIVING SAFETY TIPS

1. Drive safely by obeying all traffic laws. Avoid aggressive driving especially in residential areas, because some children may be walking on the road.
2. Drive slowly, and below the speed limit, while being vigilant of trick or treaters who may run out into the street, especially small children who are not easy to see in the dark.
3. Slow down around bushes and parked cars because children may run out in front of you.
4. Avoid texts and calls more than ever because of the uncertain foot traffic of trick or treaters.
5. Pay particular attention at crosswalks and intersections, where children may be crossing the street
6. Be careful when passing stopped cars because children may dart out of that car onto the road.
7. Drive defensively due to the high number of drunk drivers on the road.
8. When it gets dark out, be aware that children in dark costumes may be difficult to see.
9. Make sure you're wearing your prescription distance glasses, if you have them, to make sure you can see children who are at a distance.
10. Avoid drinking alcohol because The National Highway Traffic Safety Administration reports that 41 percent of casualties were hit by a drunk driver on Halloween night.
11. If you're set on drinking Halloween night, hire an Uber or find a designated driver before you go out.
12. Be watchful of pedestrians crossing in the middle of the street instead of designated crossing zones.
13. More than ever, make sure to use your turn signals and hazards to communicate with other drivers on the road.
14. According to the Insurance Institute for Highway Safety, driving at night is three times more dangerous than driving during the day so drive slowly.
15. If you're driving children for trick or treating, make sure they buckle up after each stop.
16. Let the children in the car out in safe areas, like a curb.
17. If at any point you need to back up your car, have someone get out and check behind you, even in your own driveway.
18. Turn on your headlights before it gets dark, so your car is most visible.
19. Keep the radio off and roll down windows to hear signs of pedestrians that are not visible.
20. If you're dressed in a costume, make sure that it does not impair your vision or interfere with your driving. It's also important to have adequate car insurance in case something does go wrong. There are, after all, more fatal crashes on Halloween than any other time of year.

ANOTHER ARTICLE ON YEAST INFECTIONS

A few weeks ago, I wrote that many customers are complaining that their dogs are itching excessively, and they have not found any evidence of fleas. I suggested the possible cause could be from an overabundance of yeast or the pet's intolerance of its own yeast production. Some symptoms of yeast infection are biting of the feet, red and irritated skin, vulva, anus, groin and armpits, and ear infections.

A yeast issue can also cause a certain obvious smell, like corn chips.

Foods to avoid are those high in carbohydrates which turn into sugar. Honey is not good as well as carrots, parsnips, peppers, potatoes, sweet potatoes, squash, pumpkin, tapioca, grains like millet, wheat, corn, peas (not a definite), lentils, chickpeas, lima and kidney beans, dairy, including yogurt. Limited ingredient diets would be helpful as well as immune and probiotic support supplements, particularly if your pet is also dealing with digestive and elimination issues. Adding small amounts of oregano and garlic may help because of their anti-fungal and anti-yeast properties.

Yeast can be embedded in the foot pad and under the nails: I suggest a foot soak, which I have used on my dogs. Use four cups of warm water, a cup of apple cider vinegar, and a cup of hydrogen peroxide. I put my solution in a spray bottle, but I can also pour what I need in a pan like a litter box that my dogs can stand while the solution works its magic, and I can also do some rubbing in-between the toes. Do not rinse off. Just pat dry. DO NOT USE OATMEAL BASED SHAMPOOS, they may increase yeast problems. Tea trees or herbal shampoos are recommended. A rinse of a gallon of warm water with a cup of vinegar or lemon juice with 20 drops of peppermint essential oil can make your dog feel great. Also do not rinse off. Use cotton balls or a sponge around face and eyes. Zymox makes a great solution for yeasty ears.

Below is a recipe that industrious pet owners can make for their dog to help manage their yeast intolerance:

- 1 pound lean ground turkey ½ pound chopped chicken hearts 1 ounce chopped beef liver two eggs (no shells)
- ½ cup of chopped kale ½ cup chopped broccoli two Tbsp bone meal 2 Tbsp cider apple vinegar
- two Tbsp ground pumpkin seed 2 tsp turmeric 2 tsp (2 cloves) garlic
- tsp ginger 2 tsp MCT oil (also good to use with CBD oil) 1 tsp chlorella
- ½ tsp kelp
- Before serving add Omega-3 oil (fish oil) use ¼ tsp for 50-pound dog or one pound of food and, ½ tsp
- Himalayan pink salt.

Mix up the meat and organs. Add the vegetables and eggs. Mix well. This recipe makes about two pounds of food and one pound would feed a 50-pound dog, so adjust the amount to your dog's weight. And like any recipe you can double or triple it. Giving your dog raw meaty bones will help starve yeast. Our bones are hormone and antibiotic free.

Another recipe which might be easier, follows: 3 lbs. boneless skinless chicken thighs, two chicken bouillon cubes, 2 cloves garlic, and one-pound frozen vegetables. This is a slow cooker recipe. First add chicken, garlic, bouillon, and enough water to cover the

ingredients. Cook for six hours. Then add the vegetables. Cook for another thirty minutes. Use about 1/2cup for every 20 pounds and feed twice a day. Leftovers can be stored in refrigerator for up to 6 days. If you feed your pet treats, you must check to make sure they are not contributors to the itchy problem.
