# HOROSCOPE

SEPTEMBER 18-24, 2025

## ARIES (Mar. 21-April 20)

You're fired up and ready to make a bold move—but this week is about refining, not rushing. A career or leadership opportunity may require you to adjust your approach. Watch how others respond before charging ahead. A little finesse now gets you further than force.

## TAURUS (Apr. 21-May 21)

A shift in perspective could change everything this week. Whether it's a conversation, a class, or a trip, something new opens your mind. Let go of being the expert and become the student again. Curiosity leads to growth you didn't see coming.

## GEMINI (May 22-June 21)

You're diving into deeper emotional waters—don't resist the current. Finances, intimacy, or long-term commitments may need your full attention. A boundary may need reinforcing, or a truth may need speaking. What feels heavy now will lead to freedom later.

## CANCER (June 22-July 22)

Partnerships are front and center, and balance is key. A dynamic could shift suddenly—either strengthening or releasing a connection. Don't fear the change; it's clearing the way for more authentic alignment. You're learning how to ask for what you need.

## LEO (July 23-Aug 22)

This is your week to get things done—but not just for the sake of checking boxes. Streamline your schedule and tackle the essentials first. A shift in routine could bring better focus and less stress. You'll feel stronger when your time reflects your values.

## VIRGO (Aug. 23-Sept. 23)

You're shining in your season, and this week brings creative sparks, romantic clarity, or personal breakthroughs. Just don't overanalyze the good stuff—let joy unfold naturally. Your light is magnetic right now. Let it guide you, not just others.

## LIBRA (Sept. 24-Oct. 23)

You're in reset mode as your solar season nears, and the urge to declutter—emotionally and physically—is strong. A private realization may reshape your priorities. Trust your inner knowing, even if no one else sees it yet. You're prepping for something bigger.

## SCORPIO (Oct. 24-Nov. 22)

You're in demand this week, but choose your commitments wisely. Conversations, collaborations, and connections are lighting up—but not all are worth your energy. Focus on those that bring clarity and momentum. Protect your peace by being selective.

## SAGITTARIUS (Nov. 23-Dec. 21)

You're locking in on a goal, and this week offers real-world traction. Career moves, financial progress, or public recognition may start to unfold—but only if you're clear on your intention. Don't chase approval—chase purpose. That's what creates lasting success.

## CAPRICORN (Dec 22-Jan. 20)

It's time to zoom out and look at the bigger picture. A belief, plan, or personal philosophy may be overdue for an upgrade. Let go of the pressure to have all the answers. A little curiosity can take you further than rigid certainty ever will.

## AQUARIUS (Jan. 21-Feb. 19)

This week asks you to dig deeper—into a relationship, an emotional block, or a long-standing habit. Transformation is available, but it requires surrender. Don't overthink it—just be honest with yourself. What you release now makes space for renewal.

## PISCES (Feb. 20-Mar. 20)

One-on-one dynamics are shifting, and you're being asked to show up differently. Whether in love, business, or friendship, clarity is your ally. Say what's real—not what sounds nice. The truth brings the connection you've been hoping for.

## CHEF CHIP'S WILD GAME AND SEAFOOD RECIPE

### TURKEY OMELET

#### INGREDIENTS:

- 3 Turkey Eggs
- 4 oz. Cooked Turkey Sausage
- 1 TBS. Whole Unsalted Butter
- 2 - 3 oz. Shredded Gruyere Cheese
- 1/4 Cup Bechamel Sauce (Cream Sauce)
- Kosher Salt & Fresh Cracked Black Pepper To Taste
- Garnish:
- 1 tsp. Fresh Chopped Parsley

#### PREPARATION:

Preheat a nonstick egg pan over medium heat. Whisk eggs thoroughly and season. Melt half the butter in a preheated pan. Add eggs into the pan. Using a rubber spatula, work the eggs gently around the edges. As the round shape starts to come together, add the sausage to it. Gently press the sausage into the omelet. Flip the omelet when ready. After flipping, add the remaining butter, working the edges. Coat with cheese. Turn off burner and cover for about 1-2 minutes, allowing cheese to melt. Place the omelet on a plate by folding it in half with the cheese on the inside. Cover with sauce, garnish with parsley and fresh cracked black pepper. Enjoy!  
*Hint: You can order Turkey eggs or make friends with a farmer. I prefer eating these over chicken eggs any day of the week. You will find a richer flavor.*

## A NEW ALL-AGES MYSTERY/GHOST STORY

Local author writes semi-autobiographical mystery  
novella set in Wildwood Crest, NJ

At the southern tip of the state of New Jersey lies a 7-mile-long barrier island that is the collective home of The Wildwoods - the borough of Wildwood Crest, the city of Wildwood, the city of North Wildwood, and the borough of West Wildwood. These towns have long been a popular summer resort area for vacationers, ever since they were founded at the beginning of the 20th century. Later, in the late 1950s/early 1960s, a building boom took place in The Wildwoods, featuring dozens of what became known as the new "mid-century modern" tourist motels. Their architectural style eventually came to be referred as "Google," "Populuxe," or "Doo Wop" (from the style of music popular at the time). At one point there were over 300 of these motels on the island, with their 2-story L-shaped buildings, kidney-shaped swimming pools, plastic palm trees, bright neon signs, and exotic, far-away themes.

This is the setting where "The Mystery of the Haunted Motel" takes place.

### From the book's back cover:

*The old, dilapidated mid-century motel in the little seashore resort town of Wildwood Crest, New Jersey, had been abandoned for years - ever since (or so the story goes) its original owner had, many years before, murdered his wife at precisely the stroke of midnight on October 31st, 1956, and then killed himself by jumping off the motel's second-story landing into the motel's empty concrete swimming pool.*

*After that incident the motel never reopened. Because of its bad reputation it was never resold and remained empty, eventually falling into decay and ruin. The following Fall, though, the rumor began that the motel was haunted - people said that during the dead of night during that October they could hear the moans of its mad owner and the screams of his murdered wife echoing from the motel throughout the beachfront.*

*Eight years later, in the Fall of 1964, a small group of intrepid local elementary school boys decided that they were going to solve the mystery of the eerie Twilight Motel - once and for all!*

## TRAVEL ACCESSORIES IMPROVE LIFE ON THE GO FOR FAMILY PET, PT 3

PORTABLE VACUUMS AND GROOMING TOOLS: WHILE SPILLS OR MESSES MIGHT BE UNAVOIDABLE, CLEANING THEM UP RIGHT AWAY IS THE BEST WAY TO PREVENT STAINS AND DAMAGE. EQUIP YOUR CAR WITH A PORTABLE, HANDHELD VACUUM FOR PET HAIR REMOVAL AND OTHER PET-RELATED GRIME. THIS ACCESSORY MAKES IT EASY TO KEEP YOUR CAR CLEAN DURING ROAD TRIPS. IN ADDITION TO VACUUMS, LIGHTWEIGHT GROOMING TOOLS LIKE DE-SHEDDING BRUSHES AND PET WIPES COME IN HANDY. **PET TRAVEL TIP: STOW A STACK OF MICROFIBER TOWELS. THEY ARE PERFECT FOR SOAKING UP SPILLS, CLEANING SURFACES AND DRYING OFF A WET PET. KEEP THE TOWELS DRY AND ACCESSIBLE BY STORING THEM IN A VENTILATED CASE THAT CLIPS TO YOUR BAG.** PORTABLE DOGGIE DUMPSTER: FREQUENT BREAKS ARE A BIG PART OF TRAVELING WITH PETS, AND SOMETIMES THERE'S NO CONVENIENT RECEPTACLE FOR YOUR POOP BAGS, ESPECIALLY DURING LONG HIKES. A PORTABLE DOGGIE DUMPSTER OFFERS A CONVENIENT WAY TO STOW PET WASTE BAGS WHILE HIKING AND DRIVING. SOME OFFER A CARABINER TO CLIP TO YOUR DAYPACK. **PET TRAVEL TIP: CONSIDER A TRAVEL DUMPSTER THAT ATTACHES TO THE VEHICLE TAILGATE OR BIKE PAK.**

## THE IMPORTANCE OF ADEQUATE HYDRATION

Submitted By  
Patsy Nelson  
from The Wagging Tail

Unfortunately for me, I am guilty of not drinking enough water. My rheumatologist tells me, my nutritionist friend, Maria, tells me, common sense, and the night leg cramps I get, tell me. Do I listen? Sometimes when I have been running around for five or more hours, I realize I have forgotten to drink at all! At 110 pounds I should be intaking about 78-100 ounces a day, or at least 6-160z bottles. I average about two to three. Not good!

Most of us keep fresh cool water in convenient spots for our pets. The bowls should be washed with soap and water regularly, especially to get rid of the saliva slime that builds up on the bottom. Cats that don't get dental cleanings can have noticeably bad breath which makes their water and food bowls really smell foul, even to them. To give my aging cats even more moisture than they get from canned food twice a day (a mixture of good dry foods is kept out 24/7 and those bowls are cleaned-even in our shelter) I add warm water to the residue in the can and swish it around and add to the wet food dish.

Dogs, according to a recent article I read, need approximately 200ml to 3 liters a day based on their size. Dogs that are fed strictly dry food are more likely to miss out on essential water input, which aids in blood flow and healthy heart function, bowel, and kidney disposal, and regulating body temperature. That is probably why the Whole Dog Journal has recommended a raw diet, freeze-dried raw, or canned food over even the best dry food. However, with multiple dogs and large dogs, that diet can be super expensive, hence the advantage of dry dog food. A dog in the wild would get a generous amount of organ meat, bones and vegetables which contain around 70% moisture whereas dry foods or kibble only contain 6-10% water. Stay away from dry foods that contain corn, wheat, and soy.

About 12 years ago Bob and I were invited for a weekend to the town in Wisconsin where the Fromm Family Foods is located. Their plant was impeccably clean (we had to wear booties) and we took seminars. One seminar was on good gut health. I have written before, based on what I learned, that COOL water (or bone broth-salt free) needs to be added to dry dog food. Even if you add some wet food, toppers, or fresh foods (all of which I highly endorse) add enough water so that your dog will literally DRINK its food. The quicker the better. Do not let the kibble soften as that will make the food go down sluggishly. It also helps in avoiding bloat. (How many saltines could you eat without drinking water.) It is a misconception that dry kibble helps clean the teeth. Nothing but brushing (which I don't do) or the use of a gel (follow instructions) which I use (you should see my nine-year-old Maltese's teeth!) and good chews like raw frozen bones and elk antlers, will clean teeth effectively. If your dog is a grazer, chances are it finds its meal boring or unappealing. It is up to you to find ways to up the desirability with a variety of healthy additions.

Thank you for supporting your small local businesses as we support you.
