HOROSCOPE

SEPTEMBER 25 - OCTOBER 1, 2025

ARIES (Mar. 21-April 20)

This week begins a shift in focus from solo missions to shared momentum. Whether in love, collaboration, or compromise, partnership energy is strong now. You're learning that independence and connection don't have to compete. Let someone meet you halfway - you might like how it feels.

TAURUS (Apr. 21-May 21)

Details matter now - especially in work, wellness, and how you spend your time. A small change to your daily routine could bring surprising clarity. Don't underestimate the power of consistency. Your peace of mind starts with how you manage the little things.

GEMINI (May 22-June 21)

You're tapped back into your joy, and it's sparking creativity, romance, or both. Let playfulness lead the way, even if it feels a little silly at first. Something light-hearted could turn into something meaningful. Make room in your schedule for fun - and see what grows.

CANCER (June 22-July 22)

You're craving security, but not the kind that keeps you stuck. This week nudges you to rethink your roots - what feels like home, and who feels like family. A domestic shift may bring emotional relief. Build the life that holds you, not just the one you maintain.

LEO (July 23-Aug 22)

Communication heats up - and your words carry more weight than usual. A text, email, or offhand comment could ripple further than you expect. Use your voice to create connection, not just command attention. This week favors listening just as much as speaking.

VIRGO (Aug. 23-Sept. 23)

You're focused on what's tangible - money, time, energy, and where it's all going. A small financial or material adjustment may help realign your priorities. Slow down and simplify. What supports you doesn't need to be flashy - just functional and true.

LIBRA (Sept. 24-Oct. 23)

It's your season, and you're stepping into it with a stronger sense of self. This week is all about re-centering: body, mind, and purpose. Start fresh where you need to, and trust that people will adjust to the new you. Radiance begins with alignment.

SCORPIO (Oct. 24-Nov. 22)

You're entering a more reflective stretch, and your inner world needs more space. Solitude isn't about withdrawing - it's about deep listening. Dreams, gut feelings, and creative sparks all carry important clues. Don't rush to explain - just take it in.

SAGITTARIUS (Nov. 23-Dec. 21)

You're syncing up with your people - and finding power in community again. Whether it's friends, collaborators, or cause-driven connections, shared purpose fuels your fire. Just don't get lost in the group's agenda. Keep one foot planted in your personal truth.

CAPRICORN (Dec 22-Jan. 20)

The spotlight is shifting your way, and your work is getting noticed. Don't waste time playing modest - own your progress. A leadership moment may arise, especially if you're ready to take charge without controlling the outcome. Respect earns respect.

AQUARIUS (Jan. 21-Feb. 19)

A new perspective is calling, and it's time to shake up your worldview. Whether through travel, study, or spiritual growth, expansion is on the horizon. What once felt out of reach now feels possible. Say yes - even if you don't know exactly where it's leading.

PISCES (Feb. 20-Mar. 20)

You're peeling back layers - emotionally, spiritually, and possibly financially. It's not about control, it's about clarity. Let go of what no longer feels aligned, even if it once made you feel safe. Liberation begins with telling yourself the truth.

THE WILDWOODS CELEBRATE AMERICAN RACING HERITAGE DURING 'THE RACE OF GENTLEMEN' VINTAGE CAR & MOTORCYCLE BEACH DRAG RACES OCT 3-5

Experience the exciting thrill of drag racing on the beach during 'The Race of Gentlemen' (TROG) Vintage Car and Motorcycle Beach Drag Races, an automotive spectacle that celebrates American racing heritage and is a homage to automobile and motorcycle history, Fri, Oct 3 through Sun, Oct 5. Stultz & Son Productions presents 'The Race of the Gentlemen', which features pre-1934 cars and pre-1947 motorcycles racing along the water's edge on the Wildwoods' spacious beaches. 'The Race of the Gentlemen', commonly TROG for short, is a one-of-a-kind event that brings together the finest vintage vehicles and their fearless drivers for a thrilling display of speed, skill, and style. Feel the rumble of the engines and the excitement in the air as participants push their classic machines to the limit. This popular event pays tribute to a style of racing that evokes a bygone era, when hand-built, pre-WWII cars and motorcycles were pieced together in backyards and garages, then tested and proven in races on the flat stretches of hard sand of the beach, closest to the water's edge. The return of TROG in the Wildwoods will feature thrilling, non-stop, exhibition-style beach racing, live music, a kids' area, food, and beer vendors, and much more. Marvel at the meticulously restored vehicles, chat with the passionate owners, and soak up the vibrant atmosphere of this unique gathering. On Thurs, Oct 2, a swap meet and TROG Kick Off Party will be held at 8am at Jersey Girl Kitchen & Bar, located at 3601 Atlantic Ave. On Fri, Oct 3, the swap meet continues at Jersey Girl Kitchen & Bar from 8am to 6pm. Friday Night features a Night of the Troglodyte Party at the Lazy Bass, located at 5 Old North Wildwood Blvd. Sat, Oct 4 is Race Day, which features vintage auto and motorcycle races on the beach. Gates open at 8am and racing begins around 9-9:30am. A post-race beach party will be held at PigDog Beach Bar BBQ, located on Morey's Pier at 3501 Boardwalk, featuring live music and a bonfire on the beach. More beach racing takes place on Sun, Oct 5, with gates opening at 8am and races beginning around 9-9:30am. Don't miss the Gentlemen going head-to-head for the winning title! Bracket racing begins late morning once the machines warm up. Full weekend and single-day passes are available for purchase online and onsite at the entry. All attendees aged 6-16 years old need a valid paid ticket to enter TROG. All kids 5 and under are free all weekend. Please be prepared to show proof of age onsite. Please note: All minors under the age of 16 must be accompanied by a parent and/or guardian. No coolers, backpacks, glass bottles or outside food and beverages are permitted in the race area. Beverages and food will be available for sale for attendees' convenience. Please note that race times may vary depending on ocean tides. For tickets, additional events, and more, visit: www.TheRaceOfGentlemen.com. For additional information about the Wildwoods, visit www.WildwoodsNJ.com or call 800-992-9732.

BAD BREATH IN DOGS AND CATS CAN BE DUE TO DIET OR HEALTH PROBLEMS

Submitted By
Patsy Nelson
from The Wagging Tail

Keeping your pet's mouth free of plaque, which turns into tartar and may require veterinarian intervention, is tantamount to maintaining good overall health. I had to have Ebby's teeth cleaned in July (when she had her ACL repaired) because she is reactive and even though she has come a long way since I rescued her in August of 2021, I have only attempted to put my fingers in her mouth when we are playing. At eight years of age, she only accepts, so far, licking a gel off my finger, and I can only hope that the ProDen Plaque Off bones, or Yummy Combs I give them at night will help maintain Ebby's now whiter teeth. Zoey, my nine-year-old Maltese, has a small mouth and crooked teeth, and yet, because of my frequent use of an oral gel, she may never have to get her teeth cleaned. The important part of using gels is getting all the way to the back teeth, going along the gum line, top and bottom teeth, and no food or water for 30 minutes before and 30 minutes after. My two remaining cats, Connie and Carly, who are 12 years old, have very bad breath and I am planning to have their teeth cleaned sometime in October.

There are several reasons that dogs and cats can have bad breath. Even if the breath smells fruity or sweet that can indicate a problem. Your vet can check for swollen or bleeding gums which may indicate gingivitis, gum, or periodontal disease. Bad breath can result from ailments like diabetes, liver, or kidney disease as well as cancer of the mouth, ear, throat, or nose. Bad breath in humans as well as pets can be a symptom of underlying medical issues, or undetected cancers. My beloved Papillon, Parker, began to have noticeable changes in his breath, before a more serious decline which led to the discovery of three different, simultaneous cancers, the liver, the spleen, and the kidneys, at the tender age of seven. This was during Covid. And you know I gave him the best diet and supplements. It was from poor breeding practices and the diet of his parents because they never got spayed or neutered and were fed the cheapest possible food like Pedigree. Parker was surrendered along with his brother when they were 8 weeks of age, and I don't know if his brother suffered the same fate. Our hearts are still broken. Bad breath can be caused by gastrointestinal problems, metabolic diseases (as mentioned above-diabetes and kidney disease), oral disease, foreign objects in the mouth and oral tumors. Your veterinarian should always be consulted if you suspect anything has changed. A friend had a saying I live by if something doesn't seem right it probably isn't.

Dear customer, you will not find me at The Wagging Tail. I have decided for my emotional and physical health to walk away for now. The main reason I stayed on as an employee was to assist pet parents in resolving dietary, skin, or other issues. You can email me at patsyrob1@gmail.com if you want to say hello or ask advice or request a topic you would like me to write about (which may be every other week.) Thank you for thirty-eight years!
