HOROSCOPE

NOVEMBER 16 - NOVEMBER 22, 2023

ARIES (Mar. 21-April 20)

No shade, but perhaps your world needs to open up to help you see beyond your self-centred point of view. Think about how you can trade fear for wonder to view the bigger picture.

TAURUS (Apr. 21-May 21)

Your professional liaisons are your focus so you can see where you fare on the corporate ladder. For the next journey, you'll need some insider industry secrets. Opportunity lies where outreach begins.

GEMINI (May 22-June 21)

Life has moments when people randomly appear from the clouds, acting as lighthouses to help us make the right turn. Cultivate your connections and watch as they propel you to unimaginable dimensions.

CANCER (June 22-July 22)

When you dedicate time to exploring creativity, you have the power to hear the whispers of your inner child and give self-expression a voice. How can you channel your best care-free self?

LEO (July 23-Aug 22)

What parts of you fear taking connections to the next level? It could be friendships, family, creative collaborations, business partnerships or moving from lover to life partner. A turning point is on the horizon.

VIRGO (Aug. 23-Sept. 23)

You might find yourself tumbling down a rabbit hole of detective research. As long as you're not obsessively stalking an ex, you can put this powerful concentration into a new project.

LIBRA (Sept. 24-Oct. 23)

Sometimes when we push too forcefully for something it appears to slip through our fingers even more. By pulling back and surrendering, the right outcome will naturally take its course.

SCORPIO (Oct. 24 - Nov. 22)

As you rise from the ashes like a phoenix, this week could feel like a big exhale. Recalibrate before you take on your next mission. Indulge in pure pleasure or sit back and do nothing.

SAGITTARIUS (Nov. 23-Dec. 21)

Whatever you've been hiding from may appear while you're looking in the mirror. This is an opportunity to confront your fears and dismantle them piece by piece to help you elope into the sunset.

CAPRICORN (Dec 22.- Jan. 20)

If you've been yearning for allies whose vision matches yours, this is your chance to do the field research that will enable you to form a diverse and brilliantly powerful crew.

AQUARIUS (Jan. 21-Feb. 19)

We all have the right to be seen, especially at the workplace. You're ready to carve out a space for yourself that no one can ignore. Play your cards right and people will have no choice but to respect you.

PISCES (Feb. 20-Mar. 20)

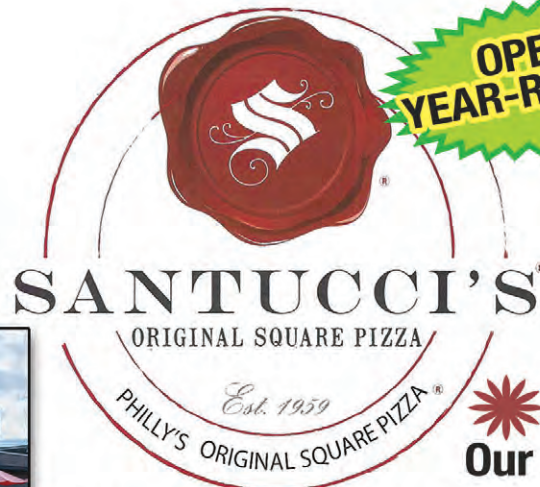

How can you balance having one foot firmly grounded while extending your hand into the pot of possibility? You may notice yourself striving for more, even if you're not entirely organised.

Recipe of the Week

THANKSGIVING TURKEY BRINE

INGREDIENTS:

- 1 QT. WATER
- 2 CUPS CIDER VINEGAR
- 1 CUP ORANGE JUICE
- 1 CUP KOSHER SALT
- 1/2 CUP BROWN SUGAR
- 1/4 CUP MOLASSES
- 1/4 CUP MAPLE SYRUP
- 1 BAY LEAF
- 2 WHOLE CLOVES
- 1 TSP. CHOPPED SAGE
- 1 TSP. FRESH CHOPPED THYME
- 1 TBS. FRESH CHOPPED ROSEMARY
- 6 ALLSPICE BERRIES
- 1/2 TSP. LIQUID SMOKE (OPTIONAL)

PREPARATION:

Place all ingredients in a pot. Bring to a boil on the range top stirring frequently. Remove from heat & add 1 Qt. of ice. Allow to cool to room temperature before refrigerating. Refrigerate for at least 12 hours before using. Enjoy!

Hint: This recipe will work well w/ all poultry & game birds. Don't be afraid to experiment with meats & fish as well. Brining is very important for keeping your bird moist & adds flavor. If you are going to smoke something, definitely brine it first. You can omit the liquid smoke if using wood.

TIPS FOR WINTER JOINT & HIP HEALTH

Submitted By
Patsy Nelson
from The Wagging Tail

Winter is fast approaching. I for one would not mind some snow. We need a long deep freeze to make a dent in the tick & flea population. Presently that seems a distant possibility. Also, we have a substantial inventory in weatherproof jackets, sweaters, & fleece tops! I am still seeing people bundled up against the damp chilly winds while their house dog walks around naked beside them. I am not being unreasonable. House dogs don't grow winter coats because they live in a heated house. Unless they have a double coat, the cold winds whip through to their skin quite easily & that affects their muscles & joints just like it would your own. Cold weather equals joint discomfort especially for people who have had injuries, broken bones, arthritis, & inflammation. I know firsthand. Many people can predict cold weather just by how bad their joints begin feeling as the weather changes. It is quite possible that a drop in barometric pressure can indeed cause increased pain. It affects your pets as well. This is mainly because the cold causes a greater increase of blood to the organs to help the body stay warm, leaving less blood flow to the limbs, making joints become cold & stiff. This is especially true in aging pets. It is easier to tell when a dog is in pain. Cats, however, do their best to disguise pain which would increase their sense of vulnerability. As both canines & felines get older, they exercise less which just makes stiffness & pain worse. Osteoarthritis is something from which both cats & dogs can suffer.

There are ways in which you can make winter more comfortable for your pets. One is through exercise. The indoor pet initiative out of Ohio State University created plans for better health of pets that spend more time inside.

According to the National Institute of Health, not just me, dressing warmly is especially important to pets. If your cat is an indoor/outdoor cat be sure to have accessibility to get indoors when needed or a proper insulated outdoor shelter in case you are unavailable to provide entrance. I recently put a fleece Gold Paw on one of my cats. Mystery has hypothyroidism, and he is getting old & thin. I want to give him added insulation for the cold. Short-haired dogs should have a sweater & all dogs should have an outdoor waterproof jacket, even a lite one would be better than nothing. Put down an extra layer in their bed or on the floor, especially if you turn the heat down in your house at night-while you are under your down quilt or lying on your heated mattress pad!

Supplements are available to maintain a line of defense during the whole year & especially in the colder months. Speak to your vet. We do sell very reputable & highly acclaimed (by our customers) hip & joint supplements that can support healthy joint structure, flexibility, & comfort.

We thank you for your support of the Wagging Tail. Come see our cat shelter (the whole back of the store), & our adorable kittens. Check out our website for all the brands you may not know we carry, like Dr Marty's & Honest Kitchen. We special order.

THANK YOU FOR SHOPPING AT THE WAGGING TAIL AND HELPING TO KEEP A SMALL COMMUNITY BUSINESS IN BUSINESS!!!
